

Change of Reserve Classification

In terms of Section 24 of the Reserves Act 1977 the Hamilton City Council is proposing to change the reserve classification of approximately 0.1200ha of esplanade reserve and approximately 5.9095ha of recreation reserve to Local Purpose (Road) Reserve, to better reflect the intended use of the land as public road. The balance of the esplanade reserve land, approximately 0.5042ha, and recreation reserve land, approximately 53.2131ha, will continue to be classified for esplanade and recreation reserve purposes respectively.

The esplanade reserve land is situated at Echobank Place (Peacockes Road Esplanade) while the recreation reserve land is located on Wairere Drive/Dey St (Flynn Park) and Cobham Drive (Hamilton Gardens).
