

IN THE MATTER OF the Resource Management Act 1991
AND
IN THE MATTER OF Hamilton City Council's PC9 -
Historic Heritage and Natural
Environments

RESOURCE MANAGEMENT ACT 1991
DIRECTION #17
INDEPENDENT HEARING PANEL

PURPOSE

1. The purpose of Direction #17 is to direct the way in which Mr Knott's supplementary statement (required by paragraph 2(g) of Direction #10) should be set out.

DIRECTION

2. The Panel notes the JWS Heritage – HHA Methodology of 24 August 2023, and that agreement was reached on all but one matter – whether a moderate classification reached the threshold for significant heritage value.
3. As that matter remains in dispute, it would be helpful to the Panel and other readers if the final report is organised in accordance with the overall evaluation indicators. In other words grouping together in separate sections:
 - (a) all outstanding / high value HHAs;
 - (b) moderate HHAs; and
 - (c) those HHAs that fall into the low / no / uncertain value category.
4. Any queries or correspondence related to this Direction should be sent through to the Hearing Coordinator, Steve Rice at: steve@riceres.co.nz
