The History of Harrowfield Park

In 1990, development of the Harrowfield subdivision commenced and the property developer offered original land and house buyers the opportunity to contribute financially to the development of the Harrowfield Park. The funds gathered assisted to; grass the park, plant trees and shrubs, create two tennis courts and a tennis practice wall, create the driveway and car park area and create the children's play area - to make it the great park it is today.

The Harrowfield Club

The Harrowfield Club, run by a committee of volunteers (currently 11), was formed to manage the administration and up keep of the Harrowfield park. The fixed costs for the 2021/2022 financial year include rates, lawn mowing and insurance for the park and its assets. The total cost per annum is approximately \$9,000.

We need your support and are looking for as many club members as possible to ensure the fixed costs are met, the park is kept in an enjoyable condition and there are financial reserves for future maintenance and up-keep of the park, playground, tennis courts and security cameras and also for community events.

There is more information on the sign at the entrance to the park. If you would like to know more about the history of the park, to attend a committee meeting or to become a committee member, contact Martin Miller, the Club Secretary on email: mjmillier@slingshot.co.nz.

Harrowfield Club committed to sustainability.

We are looking to be as sustainable and environmentally friendly as possible so we are only printing one newsletter a year. We will communicate other newsletters via our Facebook page and email correspondence. If you do not have email or access to Facebook, then contact John Cramond on ph 854 9662 and we will provide a copy of communications to your mailbox.

Business owners living in the Harrowfield community?

If you are a business owner and a club member we will add your business details to our records and circulate via Facebook and email. For \$100 membership you will reap the rewards of marketing your business!

What are you waiting for? Join the club!
