

Good morning Steve,

I have been unwell and off work; regrettably I will not be able to attend the hearing as planned and must submit my apologies. I would like it noted that I continue to vigorously oppose:

- the inclusion of 18 Marama street within the extent of the Marama Street Historic Heritage Area in Schedule 8D;
- the inclusion of the identified section of Marama street as a Historic Heritage Area in Schedule 8D;
- the inclusion of 238 Victoria Street within the extent of the Victoria Street Historic Heritage Area in Schedule 8D;

for the reasons as set out in my submissions.

Regards, Carl.
