# GROUP STATEMENT OF INTENT - 2021/2022

(JUNE 2021)

# INTRODUCTION

This statement is presented by the Directors in accordance with s.64 (1) of the Local Government Act 2002 and sets out the Board's intentions for the Company and Group for the year ending 30 June 2022 and succeeding two financial years.

## COVID-19 and the WRAL Group

The COVID-19 pandemic resulted in world-wide crises: from health, to social and economic devastation. The immediate impact on the WRAL Group was significant, as the business is primarily aviation and tourism-focused and therefore projected revenues dropped substantially. This has necessitated a conservative outlook for recovery over the next three years for the Group.

Fortunately, the Group's existing 10-year strategy already had a focus on non-aeronautical income diversification activities which will continue to be critical to our future. Our property initiatives served us well through the initial COVID-19 crisis period and the recovery through 2021. In the short to medium term, we expect property initiatives will continue to provide a level of support to the Group, minimising future economic volatility, whilst aviation and tourism recover to their pre-COVID levels.
