Introduction

Governance Structure

This document sets out the Governance Structure by which Hamilton City Council:

- carries out its governance functions; and
- formally delegates its powers and responsibilities.

The Governance Structure is developed in accordance with the provisions and requirements of the Local Government Act 2002.

The Governance Structure for Hamilton City Council is adopted at the beginning of each triennium. It sets out in full the delegations to the Committees, including:

- **Common delegations**

There are a number of common delegations from Council to the following committees of the whole: Finance and Monitoring Committee, Strategic Growth and District Plan Committee, Infrastructure and Transport Committee, Community and Natural Environment Committee, and Economic Development Committee. These common delegations are set out on page 10 and should be read in conjunction with the Terms of Reference for those committees.

- **Specific delegations**

There are specific delegations over and above the common delegations. These are set out for each Committee from page 13.

The Governance Structure may be reviewed and amended as necessary throughout the triennium.

The Role of the Mayor

Section 41A of the Local Government Act 2002 confers a number of powers and responsibilities to the Mayor. The Mayor may:

- Define and promote a vision for the advancement of Hamilton and the people of Hamilton, and to provide leadership to achieve that vision

- Ensure effective engagement between the Council and the people of Hamilton
- Appoint the Deputy Mayor
- Establish committees of the governing body (Council) and appoint the chairperson and deputy chairperson for each of those committees

Ambiguity and Conflict

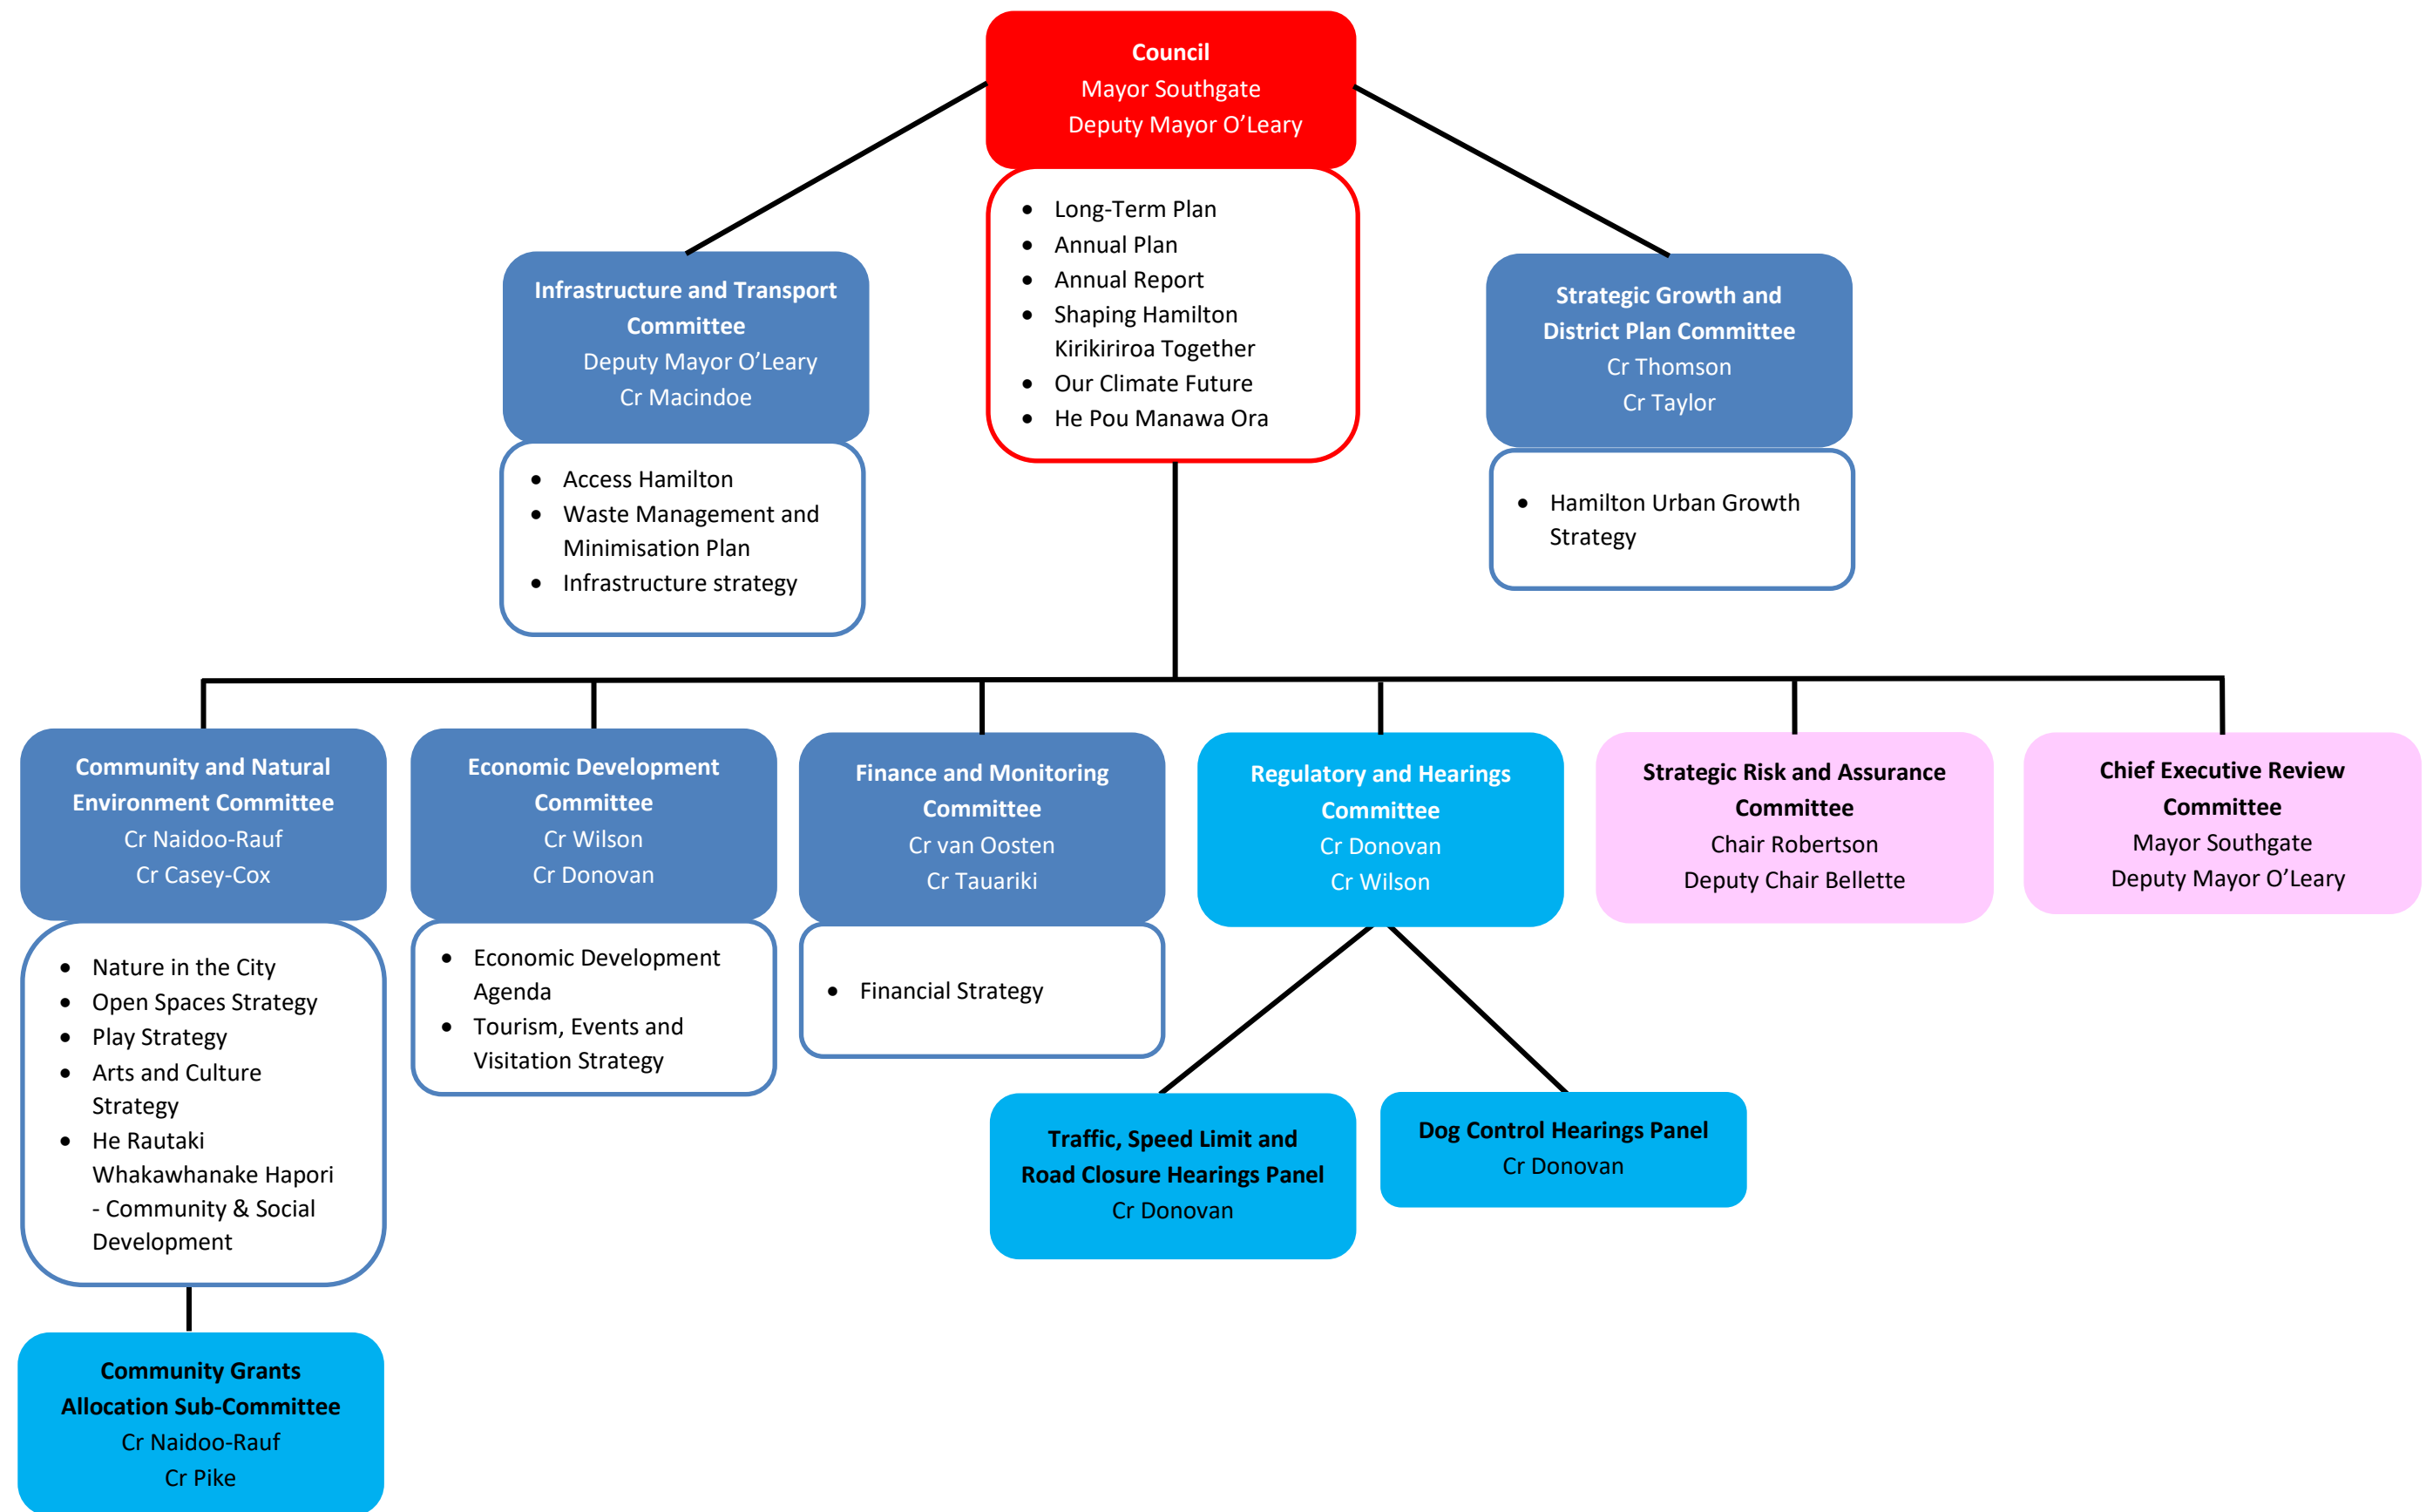

For clarity, matters that are not delegated by the Council to a committee or another subordinate decision-making body, or to the Chief Executive or other Council officer, are to be determined by the Council.

In the event of uncertainty or dispute as to which Committee is authorised to act in respect of a particular matter due to ambiguity or conflict between the provisions of the Terms of Reference, the Chief Executive will prepare a written report on the matter for Council's consideration. The decision of Council will be final and binding.

Interpretation

References to legislation in this Governance Structure include its amendments, re-enactments and substitutions, as well as any regulations made under that legislation.
