Dear Hamilton City Council,

Hi there, I see you have mentioned a spreadsheet for ANPR cameras in your response, however I cannot see a spreadsheet attached.

Could you please provide this spreadsheet.

Yours faithfully,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

- 1. What are the locations of the currently installed ANPR cameras + install dates if possible.
- 2. What are the locations of the future, planned installed ANPR cameras.
- 3. What system is being used to run the ANPR cameras (axis, milestone, Rekor or other ANPR softwares).
- 4. How long are license plate data stored for.
- 5. Was the office of the privacy commissioner consulted before installation.
- 6. How does the ANPR system get its plate alert data (NZTA, carjam API, police, manual plate entry)
- 7. Does the ANPR system check for expired rego, wof, etc or is it only for stolen vehicles.
- 8. What is the city's plans for ANPR (covering all entrances to the city, hotspots for stolen vehicles etc)
- 9. Do police have a direct access to view plate data or is it only accessible by City Cameras/city safe.
- 10. How many alerts for stolen cars have the HCC had since installations.
- 11. Can you provide a cost breakdown of the installation of cameras on a "per camera" basis.
- 12. Does the HCC plan to have the city fully covered by ANPR (all the way to te rapa, down the south hamilton).

Our response:

- What are the locations of the currently installed ANPR cameras + install dates if possible?
 Please see the spreadsheet attached that provides the current Licence Plate Recognition Camera's
- 2. What are the locations of the future, planned installed ANPR cameras?

 As the above there are future locations but installation dates have not been confirmed.
- 3. What system is being used to run the ANPR cameras (axis, milestone, Rekor or other ANPR softwares).

Axis ANPR software and Milestone

4. <u>How long are license plate data stored for.</u> Our footage is only held for 30 days.

- 5. Was the office of the privacy commissioner consulted before installation?

 The Privacy commissioner was not consulted before installing ANPR as licence plates are not considered private information, please see here the Privacy Commissioner website.
- 6. <u>How does the ANPR system get its plate alert data (NZTA, carjam API, police, manual plate entry)</u>

Police – updated every 15 minutes.

- 7. <u>Does the ANPR system check for expired rego, wof, etc or is it only for stolen vehicles.</u>

 The fixed ANPR check for stolen vehicles and number plates. HCC Transportation ANPR vehicles will be used to improve the safe working environment of Parking Wardens. This will be done to deliver existing compliance routines and to improve the safety of road users around the city in support of Access Hamilton and City Transportation initiatives.
- 8. What is the city's plans for ANPR (covering all entrances to the city, hotspots for stolen vehicles etc)

The Spreadsheet attached provided covers the intended installations.

9. <u>Do police have a direct access to view plate data or is it only accessible by City Cameras/city safe.</u>

Police have direct access to the data via the secure vGRID SaferCity Platform.

- 10. How many alerts for stolen cars have the HCC had since installations.
 - We do not keep records beyond 30 days and the recent data we have does not separate number plate alerts and stolen vehicles. Only the stolen vehicle data is responded to.
- 11. <u>Can you provide a cost breakdown of the installation of cameras on a "per camera" basis.</u>

 No, this information is sensitive to the successful tender.
- 12. . <u>Does the HCC plan to have the city fully covered by ANPR (all the way to Te Rapa, down the south Hamilton).</u>

The Spreadsheet provides the intended installations.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Subject: [Mass email/Possible SPAM] Official Information request - ANPR Cameras

Dear Hamilton City Council,

I have recently seen a number of Axis ANPR cameras dotted around the city and would like to request the following.

- 1. What are the locations of the currently installed ANPR cameras + install dates if possible.
- 2. What are the locations of the future, planned installed ANPR cameras.
- 3. What system is being used to run the ANPR cameras (axis, milestone, Rekor or other ANPR softwares)
- 4. How long are license plate data stored for.
- 5. Was the office of the privacy commissioner consulted before installation
- 6. How does the ANPR system get its plate alert data (NZTA, carjam API, police, manual plate entry)
- 7. Does the ANPR system check for expired rego, wof, etc or is it only for stolen vehicles
- 8. What is the city's plans for ANPR (covering all entrances to the city, hotspots for stolen vehicles etc)
- 9. Do police have a direct access to view plate data, or is it only accessible by City Cameras/city safe
- 10. How many alerts for stolen cars have the HCC had since installations

- 11. Can you provide a cost breakdown of the installation of cameras on a "per camera" basis.
- 12. Does the HCC plan to have the city fully covered by ANPR (all the way to te rapa, down the south hamilton)

Thank you,

Yours faithfully,
