Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

I had sent a message via HCC website last week however for some reason no one has responded to that.

I recently came across an article which said that a bus stop on Anglesea St is due to be moved.

The article mentioned that some councillors approved the move while others were opposed to the move. The article does not mention the name of any of councillors.

Are you able to share the names of the councillors who were for the move and the names of the councillors who were against the move. Please also advise if any councillors had a neutral view for the move or didn't vote of the move and their names too.

Our response:

The Anglesea Street public transport improvements went to the Infrastructure and Transport Committee meeting on 7 March 2023 as part of a report on the Low-Cost Low Risk Transport Improvement Programme. The agenda, minutes and livestream recording of the meeting can be found [here](#).

The resolution was as follows:

That the Infrastructure Operations Committee:

- receives the report;
- notes the progress being made on the 2022/23 Low Cost Low Risk Transport Improvement Programme;
- approves the proposed Low Cost Low Risk Transport Improvement Programme (attachment 1 of the staff report) for the 2023/24 financial year; and
- notes that progress of the final design and consultation of the projects to be delivered in the Low Cost Low Risk Transport Improvement Programme 2023/24 will be communicated to Members via the Executive Updates and future Infrastructure and Transport Committee meetings.

Those who voted for: Councillors Casey-Cox, O'Leary, Hutt, Southgate, Thomson, van Oosten and Tauariki

In Attendance: Mayor Southgate, Cr Hamilton, Cr Tauariki, Cr Wilson, Cr Donovan, Cr Hutt, Cr Naidoo-Rauf, Cr Bydder, Cr Taylor, Cr Thomson, Cr Huaki, Cr Casey-Cox.

Apologies: for lateness from Cr Hauki and Cr Taylor, and for absence from Cr Pike

Not present at the vote: Cr Bydder, Cr Huaki

The project also went before the Traffic Speed Limit and Road Closure Hearings Panel for approval on 5 December 2023. You can view the agenda and minutes from the meeting [here](#).
