Dear Fraser

WESTON LEA LIMITED: APPLICATION FOR SUBDIVISION AND LAND USE CONSENTS FOR THE AMBERFIELD DEVELOPMENT, PEACOCKE, HAMILTON

Weston Lea Limited has much pleasure in presenting this application for subdivision and land use consents to Hamilton City Council.

The application comprises three hard copies of the application in Volumes 1 to 7, and one electronic copy. Application forms are contained in Volume 1 following the Assessment of Environmental Effects. An electronic copy of the complete Sub-Catchment Integrated Catchment Management Plan is also provided separately as requested by Council.

The application culminates twelve months of intensive design and assessment by Weston Lea's consultant team. We have appreciated the constructive assistance of the Council during that period and we look forward to working with you to achieve a successful result for the Amberfield development.

Payment for the lodgement fee will be made by electronic transfer following receipt of an invoice from Council. We have been advised that receipt of payment will not hold up the start of the working days for processing the application.

We look forward to receiving confirmation of acceptance of the application in due course.

Yours sincerely
