

Badqabka Kursiga Gaariga

Car Seat Safety

Car crashes are a top cause of death and serious injury for children. Using a car or booster seat the right way can save your child's life.

In the United States, there are laws that require car seat and booster seat use with children. Check your state's law. When you are traveling with children, follow the laws of the state in which you are driving.

Included are some general rules, but there is more to know. Always read and follow the instructions in your car seat manual.

Choosing a Seat

There are different kinds of seats to choose from. Knowing which seat to use and when to change to another can be hard. There are often experts in your community that can help and many have interpreters if you need one.

If your baby is premature or your child has special needs, talk to your doctor about the safest way to travel with your child.

Burburka gawaariga ayaa ah waxa sababa dhimashada ugu badan iyo inay carruurta la kulmaan dhaawac halis ah. Adeegsashada kursiga gaariga ama suunka gaariga isla markiiba ayaa ah habka ugu wanaagsan ee ilmaha lagu badbaadin karo.

Maraykanka, waxaa jira sharci dhigaaya in ilmaha lagu xiro suunka gaariga ama kursiga gaariga. Fiiri sharciga gobalkaaga. Marka aad la socdaalayo carruur, raac sharciga gobalka aad markaas mareyso.

Oo ay kujiraan qaar sharchiyada guud, laakiin waxaa jira waxyaabo badan oo ay tahay inaad oggaato. Mar kasta akhri raacna tilmaamaha ku salaysan kursiga gaarigaaga.

Doorashada Kursiga

Safety Tips

Riding in Back is Best

- The back seat is the safest place for children under 12 years to ride.
- Never place a child in the front seat of a car or truck that has a passenger air bag.
- If a child is old enough to use an adult seat belt and must ride in the front seat, use a lap and shoulder seat belt the right way and move the front seat as far back as you can from the dashboard.

Car Seat Tips

- Not all car seats fit in all vehicles. When installed the right way, the car seat should not move more than one inch from side to side.
- Attend a car seat safety check in your community. These may be offered by your local health department.
- Harness straps come over the shoulders and fasten in two places - over the chest and between the legs. You must fasten both!
- For small babies, a rolled up baby blanket can be placed on either side of the head or the body for support. **Do not** place anything behind the baby's back or under the baby.
- Coats, snow suits or bulky clothing should not be worn under the car seat harness. Tuck a blanket over your baby after they are strapped in, if needed.

Tilmaamaha badbaadada ah

Inaad gaariga gadaal ka fuusho ayaa ah Habka ugu Wanaagsan
