Every Action Brings Us Closer to a Cure

Ways to Get Involved

Volunteer with HealthTree

Join the HealthTree Volunteer Community to help spread awareness, connect patients and caregivers to valuable resources, and host events that bring people together while building lasting friendships.

To learn more, email **Mary@healthtree.org**

Fundraise for a Cure:

Turn your passion into purpose. Join Team HealthTree for marathons, hikes, wellness challenges, and personal campaigns. HealthTree will support you every step of the way.

Get started today at **htree.org/fundraise**

Put Your Data to Work:

By connecting your health records in HealthTree, you'll unlock powerful tools, track your health, and join surveys and studies that speed discoveries. All data remains anonymous, secure, and fully under your control.

Create your free account at **htree.org/data**

Make a Gift:

If HealthTree has made a difference in your journey, we invite you to show your support through a gift. 100% of every dollar you give goes directly to research, fueling breakthroughs for our patient community.

Donate today at **htree.org/donate**
