

Back to Health

Unlocking the power of
volunteering across
health and social care

We are looking for partners who share our ambition

- To tackle the current health and care challenges through volunteering at scale
- Who have leadership support
- Who are prepared to capture and share impact data
- Find out more at:
help@helpforce.community

Grow

Evaluate

Helpforce Network

- Community - access to peer-to-peer & Helpforce support
- Improve - sharing & learning webinars; professional development
- Connect website – resources, best practice, discussion forums

Business Case support

- Make the leadership case for growing volunteering
- Help you develop financial case for increased investment
- Support identifying & approaching donors

Innovation

- Project support for developing new volunteering roles & interventions
- Within hospitals, across healthcare pathways and into communities

Adopt & Adapt Service

- Structured programme to help organisations adopt high-impact roles
- Accelerates organisational capabilities to deliver volunteer services

Insight & Impact Service

- Evaluation service to deliver ‘hard’ evidence of volunteering impact
- Supports continuous service improvement
- Accessible & simple to use - with monthly training
- Strengthens case for investment

623 members, representing 299 organisations across NHS, VCSE, and integrated care

Codesign workshops to tackle major issues, e.g. returning volunteers, waiting lists

Helped George Eliot with successful **business case for £90k**

22 NHS Trusts running innovation projects: Volunteer to Career, Point of Diagnosis, ICS and Community Projects

12 NHS Trusts adopting roles including Active Responders & Discharge roles.

28 evidenced outcomes produced to date across beneficiaries: patients, staff, volunteers, & organisations

Actively working on **25 I&I projects**

Volunteers are ready to help your staff and patients
