

Can we help you?

- ◇ Do you have a **lonely patient** who could do with some company?
We have volunteers who are specially trained to support End Of Life Care.
- ◇ Do you need support during **busy periods**?
Our volunteers can give out refreshments, chat to patients and provide general support during busy periods.
- ◇ Did you know our volunteers are able to **collect TTA's** for patients?
- ◇ Do you have a patient you would like to be **accompanied** to pop outside for some fresh air?
