

Community Transition Volunteer

A NEW VOLUNTEER ROLE

Community Transition Volunteers help our service users to transition back into the community

This unique opportunity allows our volunteers to gain valuable experience both on the ward and in the community

This brand new role will set you apart!

HOW DOES IT WORK?

You will meet with your service user on the ward and find an activity in the community that they would like to attend once they're discharged.

You will meet with your service user to attend their chosen activity for up to 4 sessions

WHAT HELP WILL I GET?

- Regular Supervision
- Support to find activities
- Safeguarding and lone working training.
- Experience of working within an NHS trust & a reference after 6 months.

You can contact the Volunteer Coordinator below for more information on how to apply.
