

Community Transition Activity Supporter

A NEW VOLUNTEER ROLE

Our activity supporters are here to help you transition back into the community

You can choose any activity that interests you and work with your supporter to attend a variety of groups in Croydon

HOW DOES IT WORK?

You will meet with your supporter on the ward and find an activity in the community that you would like to attend

Your supporter will meet with you to attend your chosen activity for up to 4 sessions

WHAT HELP WILL I GET?

- Support with choosing an activity that interests you and signing up to a group
- Support to visit new places
- Support with travel and planning the journey
