Kendo Swivel Chair

The Kendo Chair’s soft, wrap-around upper offers an appealingly ergonomic seating experience. Simultaneously protective and inviting, this design by LucidiPevere offers a shielding shape combined with a gentle embrace. The generous seat is wide and comfortable, allowing you to move freely, shift position, express yourself. Whether around a boardroom or a dining table, Kendo keeps you comfortable for long periods of time. Its sturdy welded frame makes this chair built to last. Both Kendo Swivel leg bases are 360° rotational. The 4-star leg base incorporates a return function to keep the chairs perfectly aligned around a table when not in use, while the 5-star leg base has a height adjustable mechanism. All variants are available in powder-coated or polished aluminum.

Please use this assembly instruction for the Kendo Swivel Chair 4-star Return, as well as the Kendo Swivel Chair 5-star Castors.
