Care instruction

WARNING!
Never leave a lit candle unattended.
Ensure that the candelabra is stable before using it.
Blow out the candle before the flame reaches the candelabra.
Do not have anything flammable close to the fire.
If any damages occur to the product, stop using it directly.
Never use candles taller than 30 cm / 12 inches.
With proper care, the high quality of Hem furniture can be maintained for years to come. If you want to learn more or have any questions about our care & maintenance recommendations, please write to info@hem.com.
