

Last Stool

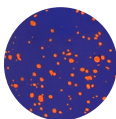

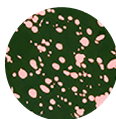

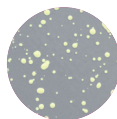

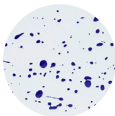

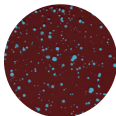

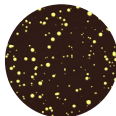

Fact Sheet

Last Stool

Design by Max Lamb

The Last Stool is one of our most beloved and most enduring products. Designer Max Lamb set out to make the “last” stool—the most durable, most elemental, most functional, most definitive object. The stool is spun from a single sheet of metal, making it incredibly strong, and each has a wide indentation for easy lifting and movement. The Last Stool is for sitting—it works around every type of table and in every kind of interior—but consider it as a handsome occasional table, too. Choose between beautiful copper or brass, whose surface will elegantly patina over time; single-color enamel for an immediate chromatic punctuation mark; or a hand-splattered enamel finish, where each stool is unique.

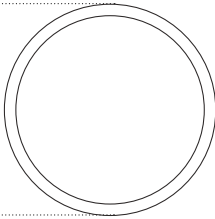

Material Steel Enamelled High Gloss Copper Polished Brass Polished Country of origin Enameled: Poland Polished Brass & Copper: Italy Tests & certifications ANSI/BIFMA X5.1-2017 American National Standard For Office Furnishings – General Purpose Office Chairs EN 16139:2013, Furniture - Strength, durability and safety - Requirements for non domestic seating Test severity L2: Extreme use: E.g. in night-clubs, police stations, transport terminals, sport changing rooms, prisons, barracks (non-controlled areas). Last Stool with felt strips for stacking

Stackability

Last Stool
1 – 10

Approximately
135 cm / 53.1 in

The Last Stools can only be stacked by using the custom felt strips you receive in your package. You can also order the felt strips on our website. Please only stack a maximum of 10 Last Stools and never stack them without the felt strips. Do not sit on the stools when they are stacked.

With proper care, the high quality of Hem furniture can be maintained for years to come. If you want to learn more or have any questions about our care & maintenance recommendations, please write to info@hem.com.
