Fact Sheet

Vienna Throw

Design by Arthur Arbesser

Fashion designer Arthur Arbesser has a particular skill with pattern and color. His bold graphic prints are frequently inspired by the architecture and design heritage of his home city, Vienna. For Hem he has applied his skills to a series of rugs and throws. Each features a distinctive stylized pattern in an appealingly unconventional color palette. The Vienna Throw is a nod to the graphic motifs of Wiener Werkstätte and the repetitive patterns that Arbesser finds so inspiring in Vienna's industrial architecture. This especially thick and warm throw is made from fine New Zealand lambswool using traditional weaving techniques. Perfect for colder climates or chilly days.
