

# Zig Zag Shelf

**Fact Sheet**

# Zig Zag Shelf

Design by Studio deFORM

There is a pleasing visual rhythm to the Zig Zag Shelf: its grid-like frame effortlessly creates an elegant semblance of order, making whatever you choose to place on it feel instantly arranged and considered. Designers Studio deForm invented a system of construction that enables you, the end user, to assemble the Zig Zag Shelf without tools. An innovative hidden folding hinge allows the flat-packed shelves to simply stretch into shape like an accordion—ready for use in record time.
