This follows Charlotte, a maid for Emma. Lord Darcy courts Emma who hopes he will marry her, but he's more interested in pleasuring Charlotte. Charlotte learns the scoundrel is about to marry Emma and puts a sneaky plan into action. Readers will love how this turns out along with the hot activities. Highly recommended!0 of 0 people found the following review helpful. Fun and oh so sexy story!By Shaun PutaineThis story is set in the Victorian era. Charlotte is Lady Emma's lady maid and has ben for a short time after having to leave her last employment under dubious circumstances. Lord Darcy has come courting Lady Emma with matrimonial hopes, but he is not above taking advantage of his station and using Charlotte for his pleasure. When Charlotte learns that Lady Emma has accepted Lord Darcy's proposal she hatches a plan to deter the Lord's advances. As Charlotte puts her plan to action she is caught in the act by Lady Emma and must tell her the truth of what Lord Darcy has been up to. Things just get better, and hotter, from there.Wow, did I love this story. The writing is first rate and the narration is fabulous. The whole story (and it was a real story with an actual plot; a beginning, middle, and end) just oozed sexy hotness and there was a bit of humor thrown in that made it a really fun book to listen, one I'm sure I'll listen to many more times.I loved the characters, they're well developed, likable, and fun. The scenes are well set inviting the reader to a front row seat for all the delectable activities.It's fun, it's sexy, and I highly recommend it.0 of 0 people found the following review helpful. The Good LadyBy AngelaThis was a short quick hot read that I liked. Charlotte has been Lady Emma's maid and companion for only a few months when Lord Darcy begins to court her mistress. Lord Darcy takes is sexual frustration out on Charlotte by taking her bum. When she finds out that he plans to propose to Lady Emma she feels bad and tells her of course she doesn't tell her that she enjoys it. Lady Emma demands that she tell her everything and gets turn on by it. This book was very descriptive Devi writes some very hot sex scenes. This was my first time
