

RACING	Hazard/activity	Risk level	Current procedures	Actions/controls to mitigate risk	Action By	Final risk level	Reviewed date
Increasing number of people on the island	Inviting members to race will potentially cause gatherings of more than 6	High	Monitor numbers racing and on island; reminders about social distancing communicated to members and visual signage	Dependent on numbers attending may need a booking system in place (if reaching 90)	Flag Officers or otherwise delegated persons	High	
	Increased risk of transmission of COVID-19 with more people in closer proximity		Rule of 6/2 households applies onshore. Reminder to members to leave the island after racing has finished	No spectators to be on the island (except if supervising U18s or for care purposes) - where necessary to be present, supervising adults should not mix with others from outside their household or support bubble			
	Danger of pinch points - such as signing in for racing and briefings	Medium	Signing in to take place on the line by OOD/AOD and briefings (where required) to be online/by phone	No further controls required		Low	25-Mar-21
Use of changing facilities	Risk of lack of social distancing	Increased risk	Use to be minimised, members informed of increased risk, changing room to be sanitised after use, face mask to be worn unless exempted, one person/household at a time	Members to be advised of risk and use monitored. Cleaning equipment provided.		Medium Risk	12-Apr-21
	Regular cleaning required to reduce risk of infection		Advise members to change at home/in their vehicle where possible				
Sailors in boats whilst racing		Increased risk	Members must follow RYA guidance on Mixed Household sailing <a href="https://www.rya.org.uk/SiteCollectionDocuments/clubs/RYA%20Sailing%20%26%20Racing%20in%20Mixed%20Households.pdf">https://www.rya.org.uk/SiteCollectionDocuments/clubs/RYA%20Sailing%20%26%20Racing%20in%20Mixed%20Households.pdf</a>	Flag Officers or otherwise delegated persons	Medium Risk	25-Mar-21	
	Difficult to maintain social distancing in a boat if from different households/social bubble		Helms racing to be reminded to sail within their limitations				
Rescue Crew Safety	Difficult to maintain social distancing in a boat if from different households/social bubble	Increased risk	Members must follow RYA guidance on Mixed Household sailing <a href="https://www.rya.org.uk/SiteCollectionDocuments/clubs/RYA%20Sailing%20%26%20Racing%20in%20Mixed%20Households.pdf">https://www.rya.org.uk/SiteCollectionDocuments/clubs/RYA%20Sailing%20%26%20Racing%20in%20Mixed%20Households.pdf</a>	Mitigations as per RYA Guidance	Flag Officers or otherwise delegated persons	Medium Risk	
			Where not from the same household/bubble face coverings should be worn where <1m distancing cannot be achieved.				
	Risk of COVID-19 transmission in a rescue scenario	Medium risk	COVID-19 PPE kit provided, containing face shield, mask and hand sanitiser COVID-19 specific procedure developed and followed for safety boat crew Buoyancy aid, rather than life jacket required for helm and crew  For Mixed Households Helm should remain helm all day and radios to be used by one person only Clean down of safety boat at the beginning and end of the day (unless boat is not to be used for 48 hours - in line with current RYA guidance) Equipment to be placed and collected by same person and on same boat (e.g. buoys, line equipment) If helms require petrol they must clean the container before and after use (unless it will not be used for 48 hours - in line with current RYA guidance)	No further controls required		Low risk	25-Mar-21

<b>Reducing the risk of requiring rescues</b>			Monitor weather conditions - activities to be at discretion of OOD. Safety boat helm must have PBL2 certificate			Low	25-Mar-21
	Risk of COVID-19 transmission in a rescue scenario	Medium	COVID-19 Safety Boat Procedure document to cover RYA recommended recovery processes	No further controls required			
<b>OOD and timekeeper</b>	Difficult to maintain social distancing in a boat /box if from different households/social bubble		Households/social bubble only within starters box or mitigation if this is not possible, with one person inside, the other outside, and appropriate ventilation			Low	25-Mar-21
		Medium	Box to be wiped down after use unless not to be used for 48 hours Entry to starters box restricted to authorised persons only - signage in place	No further controls required			
<b>Use of Bure Magic</b>	Difficult to maintain social distancing in a boat /box if from different households/social bubble	Medium	Not in use at present	No further controls required		Low	29-Mar-21
<b>Use of Pontoon</b>	Difficult to maintain social distancing	Medium	Broad currently closed so pontoon not accessible. Communication to members requesting them to remain in boats moored on pontoon, or where needing to get off boats this is limited to six on the pontoon and social distancing maintained. Toilet on pontoon not in use	No further controls required		Low	29-Mar-21
<b>Risk assessment Completed by Will Penny &amp; Holly Hancock 12/04/21, approved by HSC Management Committee 12/04/21</b>
