About

South India Linen Manufacturers, a company established in 1995 with the motto to promote soft and comfortable cotton fabric for the hospitality sector, has been creating perfect experiences for hotel guests through its diverse and luxurious linen products.

The company offers an eclectic range of products including but not limited to room linens, bath linen, F&B linen, and uniforms. We do not limit our customer's range to what we have, instead we welcome and encourage creativity by offering customization to maximize customer satisfaction.

The organization, being a consumer-friendly conglomerate, has a strong R & D teams to understand and cater to their clientele's needs. The products are crafted out of 100% cotton and provide authenticity in the finished product.

Being a value driven organization, emphasis is laid on quality followed by comfort, design and style. Every member of the company values these qualities and works to achieve that personally.

Speaking about the brand logo, it beautifully represents the core idea and functionality of the brand. The color purple signifies the royal charm whereas the letter 'O' is designed to resemble the bud of a linum plant the fibers of which are weaved together to form linen.

Amoda India, is a part of South India linen Manufacture Private Limited, a company established in 1990 with the policy of best product, service & pricing. Amoda India aims to further the cause while improving quality and increasing comfort, one product at a time
