APPLICANTS UNDERTAKING AND SIGNATURES

General undertakings for all members

1. Members agree to further the aims and objectives of the Association and to promote self-regulation (Constitution 4.4).

The objectives are:

- Strive for the highest possible standards of technology, quality, health, safety and environment with a balance of risk and cost
- Ensure endorsement of and continually improve AMSC guidelines
- Ensure endorsement of and continually develop The Association 's competence schemes
- Promote equitable contracting regimes
- Provide the framework for recruitment and training to sustain the industry
- Speak on behalf of members where there is a common interest
- Resolve industrial issues
- Provide a forum for discussion
- Publish codes of practice, guidance notes and other media
- Promote the use of common and practical industry good practice
- Promote co-operation across the industry.

2. A member will face displinary action when he/she brings the association into dispute.

3. **Guidelines**
   The Association maintains guidelines to be implemented proactively by members. To comply with competition law, the adoption of guidelines or standard terms and conditions is actively encouraged .Under the normal working of the association does not act to demand/audit/ensure compliance.
