ADDENDUM NO. 1

Video Rendering Services

RFP Issued: June 5, 2024

Addendum Issued: June 7, 2024

RFP Bid Submittal Deadline: June 26, 2024 by 5:00 p.m.

The Town has received requests for example projects which may require video rendering services to aid in the development of a preliminary fee schedule.

Addendum No. 1 to the RFP for Video Rendering Services is hereby made a part of the RFP, and as indicated, the Proposer shall acknowledge receipt thereof in their proposal.

Notice is hereby given that the following information will provide examples of projects in the Town of Los Gatos that may utilize video rendering services:

The Town currently has nine (9) active formal development applications that include multi-family or mixed-use buildings and therefore may use video rendering services to illustrate the future building form as an alternative to installation of physical story poles and netting.
