

# Certified Access Specialist (CASP) Exam Preparation Course

April 21 – 25, 2025

8:00 AM–12:00 PM PST Daily

Online Zoom Course

Are you ready to take the next step in your career journey? Enroll in our comprehensive Certified Access Specialist (CASP) exam preparation course and become equipped to be a leader in accessibility compliance. This five-day virtual training is designed to review the topics covered on the CASp exam and apply accessibility standards to real-world scenarios.

## What is a CASp?

A Certified Access Specialist (CASP) is a professional certified by California's Division of the State Architect to ensure facilities meet state and federal construction-related accessibility codes.

This course covers federal and California-specific laws, the Americans with Disabilities Act (ADA), and other critical federal disability laws.

## Who Should Take This Course?

**This course is perfect for:**

- Professionals responsible for facility accessibility in California.
- Individuals preparing to take the CASp exam.
- Anyone looking to deepen their understanding of accessibility compliance.
