## **PRE-REGISTERING** (Up to 48 Hours Before Camp)

1. Group Leaders can sign up their campers for all activities before they arrive at camp.
2. Simply choose the activity you would like your camper to participate in and block out the number of slots.
3. You will need to fill in the individual slots with camper names by the time pre-registration closes for your week of camp.

### *What if I need to Switch My Camper's Session Time?*

You will be able to switch your camper to another session based on availability.

### *What If My Camper Wants to Cancel the Activity or No Longer Wants to Participate?*

You can make adjustments until Pre-Registration closes. Our policy is no refunds once Pre-Registration closes. The only exception is a cancellation due to weather, illness, or injury once at camp.

### *Is it Better to Pre-Register or Wait for Walk-Ups?*

It is better to pre-register campers! With the system described above, your campers should all get in the same session and avoid lines!

## **AT CHECK-IN**

### *How Does the Camper Know Which Session His Youth Leader Pre-Registered Him For?*

Youth Pastors will receive a packet at check-in with a list of all the pre-registered spots they reserved, including the days and times for their group. From there, they will be responsible for letting their counselors and campers know who is signed up for each session.

### *What if the Camper Forgets What They are Signed Up For?*

No problem. If anyone has any questions about what they signed up for, they can connect with their Youth Pastor or Counselor, or stop by the Activities Center to get answers.

## **WALK-UP SIGN UPS** (For those who did not pre-register)

### *If Someone Didn't Sign-up, Can She Still Get on a Session?*

Absolutely. We have set aside Friday for walk-up only sessions. There may also be open spots in the other sessions. These spots can be filled after check-in on Sunday at the Activities Center.

### *Can Campers Sign-Up in the Same Session as Their Friends Who Pre-Registered?*

Yes! The counselor will ask Activities staff at walk-up sign-ups if there are any openings in the specific session. If there are openings, they will sign them up!
