## PRE-REGISTERING (Up until 10 Days Before Camp)

1. Parents have the option to pre-register their child for high adventure or paintball (only).  
Escape room and archery are only walk-up sign ups.
2. They will choose a specific session to sign up for and pay ahead of time online.

### *How Does the Parent Know Which Session to Choose?*

Please communicate to the kids/parents to sign-up for the same session so your group can go together.

### *What If the Parent Chooses the Wrong Session Time and Wants to Change It?*

Parents can change their session up to 10 days before camp on their Hume account. If it's within 10 days, they can call Hume and inquire about availability.

### *What if the Pre-Registered Camper Arrives at Camp and Wants to Switch Her Timeslot?*

No problem! Activities will do their best to switch their session if there is availability. Have the camper inform her counselor, who will ask activities staff during walk up sign ups.

### *What If a Pre-Registered Camper Does Not Wish to Go Once She's at Camp?*

Our policy is no refunds. The only exception is cancellation due to weather, illness, or injury.

### *Is it Better to Pre-Register or Wait for Walk-Ups?*

It is better to pre-register campers! With the system described above, the campers should all get in the same session and avoid the lines!

## **AT CHECK-IN**

### *How Does the Camper Know Which Session His Parent Pre-Registered Him For?*

Youth Pastors will receive a packet at check-in with a list of all pre-registered campers and their timeslots. The packet has reminder tickets with the session time/location circled for each student. Pastors will give the tickets to counselors, who will distribute to their campers.

### *What if the student loses the ticket reminder?*

No sweat! Tickets serve as a reminder only and are not required for attending. If needed, campers and counselors can stop by the Activities Center anytime Monday to Friday 9am-5pm to see what time they were pre-registered for.

## **WALK-UP SIGN UPS** (For those who did not pre-register plus all archery and escape room)

### *Paintball, High Adventure, Escape Room, Archery*

Counselors will gather the names of the students in their cabins who want to sign up for activities and gather their payments. Walk-ups begin Sunday evening after chapel for Ponderosa, and Monday morning for Meadow Ranch.

### *Can Campers Sign Up in the Same Session as Their Friends Who Pre-Registered?*

Yes! The counselor will ask activities staff at walk-up sign ups if there are any openings in the specific session. If there are openings, they will sign them up!
