

# JIRAH AND THE ROAD OUT OF COPPERHEAD

THIS SUMMER we will be looking at the character of God through the eyes of Moses, the man who spoke to God "face to face." Moses understood that God's love for His people cannot be separated from His holiness, nor His holiness from His justice, and that His sovereignty cannot be divorced from His goodness and eternity. Cultural relativism today often influences us to define God using our own imaginations; we create a god according to our image, rather than recognizing that God made us in His. But the one true God who "is the same yesterday, today, and forever" reveals to us the beauty of His character within His word.

## HUME NEW ENGLAND OVERVIEW

Hume New England, a summer camp for middle school and high school students, provides an incredible opportunity to get away from the busyness and distractions that young people face on a daily basis to make memories at camp. When you come to Hume New England, not only will you engage in high-energy recreation and activities, but you will experience God through chapel sessions, worship through music, small group breakouts, and spending time in His creation. Recreation teams are awarded points throughout the week, and on Super Spirit Day, themed costumes multiply your points to give your team the chance to win! All campers receive a free Rec shirt, but only the winning team gets the coveted "Champion" Rec shirt. If you allow Him, the Lord can use a week at Hume New England to change your life forever. We look forward to seeing you this summer!
