

Summer Registration To-Do List

We're looking forward to your arrival for Hume New England Summer Camp 2019! We are excited yet again for God to move in the lives of your students through this year's summer theme, our speakers, and the countless conversations you will have with your students here at Hume.

First, we need to take care of the important details for registration. Please thoroughly read through and respond to the following information.

The To-Do List

Please download or complete each section below. The sections are in order by due date, just work your way down! Of course, completing any section before the due date is highly encouraged.

Campership Applications - New Process for 2019!

Required: Optional, only for students in need.

Due: 3 weeks before camp

This process has been integrated into the Online Registration workflow. When your students accept their Request Codes, they will have the opportunity to fill in a Campership Application. There are no additional steps required on your part.

Online Roster

Required: Yes

Due: 2 weeks before camp

Follow our [instructions](#) for the smoothest process.

DIRECTIONS

Note: Most online mapping services will suggest you turn onto Chestnut Hill Rd. from MA-23.

We recommend you do not take this route because it is steep, unstable, and closed during the winter.

Please let us know if you have any questions or if there is anything we can do for you!
