## DR. JULIO FRENK

**UNIVERSITY PRESIDENT**  
UNIVERSIDAD NACIONAL AUTÓNOMA DE MÉXICO, 1979

Dr. Julio Frenk, a noted leader in global public health and a renowned scholar and academic, was named the sixth president of the University of Miami in April 2015. He assumed his leadership post on August 16, 2015.

Prior to joining the University of Miami, Dr. Frenk was Dean of the Faculty at the Harvard T.H. Chan School of Public Health since January 2009. While at Harvard, he was also the T & G Angelopoulos Professor of Public Health and International Development, a joint appointment with the Harvard Kennedy School of Government.

Dr. Frenk served as the Minister of Health of Mexico from 2000 to 2006. He pursued an ambitious agenda to reform the nation's health system and introduced a program of comprehensive universal health insurance, known as Seguro Popular, which expanded access to health care for tens of millions of uninsured Mexicans.

Dr. Frenk was the founding director-general of the National Institute of Public Health in Mexico, one of the leading institutions of health education and research in the developing world. In 1998 Dr. Frenk joined the World Health Organization (WHO) as executive director in charge of Evidence and Information for Policy, WHO's first-ever unit explicitly charged with developing a scientific foundation for health policy to achieve better outcomes.

He also served as a senior fellow in the global health program of the Bill & Melinda Gates Foundation and as president of the Carso Health Institute in Mexico City. He is the founding chair of the board of the Institute for Health Metrics and Evaluation at the University of Washington. He also co-chaired the Commission on the Education of Health Professionals for the 21st Century, which published its influential report in the leading journal *The Lancet* in 2010, triggering a large number of follow-up initiatives throughout the world.

Dr. Frenk holds a medical degree from the National Autonomous University of Mexico, as well as a master of public health and a joint doctorate in Medical Care Organization and in Sociology from the University of Michigan, Ann Arbor. He has been awarded honorary doctorates from several institutions of higher learning. He is a member of the U.S. Institute of Medicine, American Academy of Arts and Sciences, and National Academy of Medicine of Mexico.

In addition to his scholarly works, which include more than 140 articles in academic journals, as well as many books and book chapters, he has written two best-selling novels for youngsters explaining the functions of the human body.

EDWARD WATERS COLLEGE, 1970

Dr. Marvin Dawkins, a distinguished professor in the Department of Sociology at the University of Miami, is in his fifth year as the Faculty Athletics Representative. He was named to the post in April 2012, replacing Clyde McCoy after his 17 years of service in that role.

In his FAR post, Dawkins is responsible for ensuring the academic integrity of students participating in University athletic programs and helping to oversee institutional control of the Department of Athletics. The Faculty Athletics Representative serves as a liaison between the University and the athletic department. This individual is the University's voting delegate to the ACC and represents UM with the NCAA and ACC.

Dawkins received his doctorate from Florida State and completed his postdoctoral research fellowships at Howard University and The Johns Hopkins University. He previously served on the faculties of the University of Maryland, Old Dominion University and the University of Wisconsin-Parkside.

His research focuses on issues of race and social equity in such areas as education, career aspirations and mobility, substance abuse prevention, and sports. He has published widely in these areas, including his most recent article titled "Race and Pathways to Power in the National Football League" (with Jomills H. Braddock and Erica Smith), which appears in *American Behavioral Scientist* (2012). His research on golf includes book chapters, scholarly articles, and the book *African American Golfers During the Jim Crow Era* (Praeger 2000), coauthored with Graham C. Kinloch. ## ATHLETICS ADMINISTRATION

### BLAKE JAMES

**DIRECTOR OF ATHLETICS**  
MINNESOTA STATE-MANKATO, 1992

Since taking over as the University of Miami's Director of Athletics in 2013, Blake James has led a transformation at Miami on the field, in student-athlete support, in facilities and in student academic achievement.

In 2015-2016, Miami was the only school in NCAA Division I athletics to have its football team play in a bowl game, men's and women's basketball teams reach the NCAA tournament and baseball team advance to the College World Series. Overall, Miami had 10 sports programs advance to postseason competition to secure its highest finish in the Learfield Directors' Cup standings in twelve years, an indication of broad-based athletic department success.

Miami sold out its entire men's basketball season ticket allotment in 2015-2016, marking the first time in Hurricane athletics history that a team has sold out on a season-ticket basis. For fans who chose to watch the Canes on media platforms, the Hurricanes' live streaming video platform took a giant leap, as Miami aired more than 115 live events on ESPN3 – a figure that ranked first among all ACC schools.

In the classroom, three Miami teams were honored nationally for being among the top 10 percent in the Academic Progress Rates (APR) during the 2015-2016 academic year. In addition, eight Hurricane teams scored 990 or better out of a possible 1,000 points - men's cross country (1000), men's diving (1000), men's tennis (991), golf (1000), soccer (991) and women's swimming (996), women's tennis (992) and women's track and field (994).

In the department's continuing efforts to better support student-athletes and coaches, the Miami Hurricane Club set an all-time annual fund record of \$12 million raised for the Student-Athlete Excellence Fund—an increase of 21 percent over the prior year. The Hurricane Club also announced a record 8,100 active members in May 2016, an 80 percent increase in active membership since 2010.

Under James' leadership, Miami has completed several facility enhancements, beginning with the opening of the Schwartz Center for Athletic Excellence, the completion of the student-athlete training table, fueling station, dining hall, new artificial and natural playing surfaces and lights on the Greentree Practice Fields and a center-hung scoreboard inside the Hurricanes' basketball arena. Prior to the 2015 athletics season, James was instrumental in helping Miami strike one of the largest apparel deals in the country with adidas.

Prior to being named AD, James served Miami athletics in the roles of Interim AD and Senior Associate AD for Development and Ticket Operations, where he oversaw the day-to-day operations of development, ticket sales and ticket operations. He also was a member of the Hurricanes' senior staff and provided sport supervision.

James came to UM after spending seven years the University of Maine, where he first served as Senior Associate Athletic Director before serving as Director of Athletics from 2005 to 2010. During his tenure at Maine, athletics experienced tremendous success, including three trips to the Frozen Four for the men's ice hockey program and NCAA playoff berths for football, baseball (two), women's basketball and softball. Additionally, James implemented a comprehensive \$17 million facility improvement plan, which included an indoor practice facility and numerous other facility upgrades and renovations. Academically, the program flourished, earning the conference academic cup twice and student-athletes maintaining better than a 3.0 GPA.

Prior to his stint at Maine, James worked in athletic development at Providence College, where he established the "Friars Forever" campaign and the Friar Athletic Fund.

James is no stranger to South Florida, beginning his athletic career with the University of Miami, working in ticket sales, corporate sales and athletic development. In 1995, he was hired as Miami's Director of Ticket Sales, serving in that capacity until 1997, when he was named an athletic development officer at the University of Nebraska. He returned to Miami in 1998 as the Director of Major Gifts and Corporate Sales and was promoted to the Director of Athletic Development at Miami in 2000 before moving on to Providence in 2002.

James graduated from Minnesota State University - Mankato with a Bachelor's Degree in Marketing in 1992 and later received his Master's degree in Sports Administration from St. Thomas University in 1994.

He and his wife, Kelly, have two children: daughter, Haley, and son, Ryan.

### JENNIFER STRAWLEY

**SENIOR WOMAN ADMINISTRATOR**  
PENNSYLVANIA, 1998

Jennifer Strawley joined the University of Miami on June 18, 2012 and currently serves as Deputy Director of Athletics and Senior Women's Administrator.

Prior to UM, Strawley concluded her second tour with the NCAA as the Director of Academic and Membership Affairs. In this role, Strawley was instrumental in providing leadership in the areas of academic governance and development of academic policy. She was the staff liaison to the NCAA Division I Committee on Academic Performance and the NCAA Division I Academic Cabinet. Strawley served on the senior management team and was involved in a variety of other internal operations, including coordinating the internal operations for the department's senior management team.

Strawley rejoined the NCAA after serving as the Associate Athletics Director for Intercollegiate Sport Programs and Senior Woman Administrator at Columbia University from 2007-10. While at Columbia, she oversaw numerous varsity sport programs including football and was the athletics program liaison for gender equity and diversity initiatives. Strawley was a member of the department's Executive Management Team.

Prior to her tenure at Columbia, Strawley was the Director of Membership Services and Student-Athlete Reinstatement at the NCAA. In this role, she provided oversight of the student-athlete reinstatement process and was instrumental in the implementation of the student first philosophy. Strawley served as a liaison to numerous NCAA committees and task forces, including the NCAA Divisions I, II and III Student-Athlete Reinstatement Committees, the NCAA Olympic Sports Liaison Committee, and the working group appointed to review trends in initial eligibility.

Strawley first joined the NCAA in 1998 as an enforcement services intern. She is a 1998 graduate of the University of Pennsylvania where she earned her Bachelor of Arts degree in history. During her time at Pennsylvania, she was a two-year captain for the Quakers' softball team. Strawley was inducted into the William Tennent High School Athletics Hall of Fame in January of 2014.

## JASON LAYTON

**SENIOR ASSOCIATE AD  
COMMUNICATIONS & SALES**  
SAINT LEO, 1999

Jason Layton joined the University of Miami in December of 2014 as the department's Senior Associate Athletics Director for Communications and Sales.

In his current position, Layton is responsible for managing the department's ticket sales, marketing, communication, website and social/digital media areas.

Layton's primary focus centers on generating revenue through ticket sales, marketing, corporate sponsorships, promotions and licensing and multi-media rights.

Since his arrival, Miami has already seen exceptional growth in ticket sales and digital streaming with ESPN3.

Under his watch, Miami has seen an increased level of season ticket sales in football and men's basketball, while transitioning to a new ticketing system in Paciolan.

Under Layton's guidance, Miami sold out its entire 2015-16 men's basketball season ticket allotment, marking the first time in Hurricane athletics history that a team has sold out its entire season ticket allotment.

Layton also serves as the primary point of contact with ESPN in establishing the department's new digital network. During the 2015-16 athletics campaign, Miami aired over 115 live events on ESPN3 – a figure that ranked first among all ACC schools.

Layton, a Florida native, arrives in Miami after spending the previous two years at Colorado State University where he served as the department's Senior Associate Athletics Director for Sales and Marketing.

During his time in Fort Collins, Colorado, Layton's ticket sales plans drove double-digit increases in football, volleyball, men's basketball and women's basketball revenue and tickets sold.

In addition, Layton managed the implementation of the Mountain West Digital Network for CSU online streams, which achieved more than 70,000 views during its first year.

His oversight of CSURams.com saw a complete redesign. Under Layton's redesign, CSURams.com included a fan loyalty rewards program that rewarded fans for social activity, ticketing attendance and sponsorship engagement.

Before his arrival at Colorado State, Layton spent 13 years with the Tampa Bay Buccaneers. In his 13 years with the club, he handled a variety of responsibilities from ticketing and luxury suite operations to advertising and business management.

Layton began his career with the Buccaneers as a customer service representative in 1999 before elevating to the role of Senior Director of Business Administration in 2011.

A native of Florida, Layton received his bachelor's and master's degrees from Saint Leo University in Saint Leo, Fla.

# HEAD COACH MARY-FRANCES MONROE

FIFTH SEASON | UCLA, 2003

**Hometown: Northport, N.Y. | Head Coach: Miami (2013-present) and Albany (2006-12)**

Mary-Frances Monroe completed her fourth season at the helm of a rising Atlantic Coast Conference soccer power in Coral Gables, Fla., in 2016.

The Hurricanes have tallied a trio of top-five victories with Monroe at the helm, defeating third-ranked Notre Dame, 2-0, in 2013, downing No. 14/4 Notre Dame, 1-0, in double overtime in 2015 and knocking off second-ranked Virginia, 2-1, in 2016.

Miami posted a 10-8-1 mark in 2016, marking the seventh time in program history the team won double-digit games, including the fourth time in a 15-year span. The Hurricanes also went 5-5 in ACC play, setting a new program record for conference victories and winning three ACC matches in a row for the first time. Led by goalkeeper Phallon Tullis-Joyce, one of three Hurricanes to earn NSCAA College Player of the Week during the season, Miami set new program records for fewest goals against (16) and lowest goals against average (0.82).

The 2016 season saw the Hurricanes defeat multiple ranked teams (No. 2 Virginia and No. 25 Virginia Tech) for the first time since 2012. Miami, picked last in the ACC preseason poll, finished in the top half of the conference and earned the No. 7 seed in the ACC Championship, where it played to a 1-1 road tie at No. 14 Clemson, the second seed, before falling in penalty kicks. In addition, of the 332 Division I teams, Miami was one of just 30 to win at least five more games in 2016 than it did in 2015.

Also in 2016, Gracie Lachowecki became the second Hurricane to earn First Team All-ACC recognition and the second to garner NSCAA Second Team All-Region distinction. Kristina Fisher became the second Hurricane to make the ACC All-Freshman Team and Emily Auld was the fifth Hurricane tabbed to the CoSIDA Academic All-District Team.

In 2015, Monroe helped guide Lachowecki to Second Team All-ACC honors. The junior forward ranked second in the ACC and No. 13 nationally in goals per game, en route to becoming the sixth Hurricane to garner all-conference recognition since Miami joined the ACC.

Miami closed the 2014 campaign by winning two of its final three games, including registering a 3-1 road victory at NC State behind a hat trick from Natalie Moik.

The Hurricanes finished 9-8-1 in 2013, Monroe's first season, ending with a perfect 5-0-0 mark through their non-conference slate and putting forth an impressive season in a challenging ACC schedule.

Monroe joined Miami after seven years as the head coach of the University of Albany in the America East Conference. A well-respected player and instructor, Monroe competed on the field with the Boston Breakers of the WPSL Elite League as recently as the 2012 season.

Charged with building the Great Danes program from the ground up, Monroe and her coaching staff won 2009 America East Co-Coaching Staff of the Year honors in just her fourth year at the helm. During that season, the Great Danes earned the first Division I postseason berth in program history.

Just one year later in 2010, the Great Danes finished with a 10-8-2 record under Monroe's direction – the first winning season for the program since 1988. Albany would win its first postseason tournament match in program history that season, advancing to the America East semifinals.

# HEAD COACH MARY-FRANCES MONROE

Her success would continue in 2011, as the Great Danes won seven consecutive games heading into their first-ever appearance in the America East Conference Championship game. Four of Monroe's players were selected all-conference, among 13 who earned that recognition over her seven years as leader of the Danes.
