Hurricanes Earn Fifth Seed for ACC Baseball Tournament…

The fifth seed University of Miami, ranked No. 16 in the national polls, begins its Atlantic Coast Conference (ACC) Tournament run on Thursday, May 26, facing the University of North Carolina at Durham Bulls Athletic Park in Durham, N.C., at 11 a.m.

Miami (34-20) is the fifth seed after going 2-1 last weekend against Duke, and the University of North Carolina (44-12) earned the fourth seed by sweeping the top-seeded Virginia Cavaliers (45-9). The Hurricanes will open with North Carolina at 11 a.m., before taking on Virginia (May 27 – 11 a.m.) and closing pool play with No. 8 seed Wake Forest (May 28 – 3 p.m.). The Demon Deacons of Wake Forest (25-28) got into the tournament after getting hot towards the latter stages of the season.

Junior outfielder Nathan Melendres leads the Hurricanes at the plate, now hitting .321 on 53 hits (12 doubles, two triples, two home runs). The Miami native earned his first all-conference honors on Monday, named to the All-ACC Second Team as an outfielder, finishing the year in the top five for stolen bases in the league. Melendres is second on the team with 22 steals in 25 attempts. Sophomore second baseman Zeke DeVoss leads the team and ACC with 29 steals.

Fellow junior outfielder Rony Rodriguez is hitting at a team second-best .314 clip, leading the Canes in home runs (10) – tied for fourth in the ACC – and slugging at a .587 average. The left fielder, who also sees time as a designated hitter, also leads UMiami in doubles (15) and is second in RBI (36).

Junior first baseman Harold Martinez leads the team in RBI (38) as he bats just below .300, taking a .299 average into the ACC Tournament and third on the team in hits (36). DeVoss is the third of three players to hit above the .300 line for average, now staking a .311 batting average – leading the Hurricanes in hits (59), stolen bases (29), runs (53), walks (50) and ties for second in doubles (12). The speedster from Mims, Fla., has led the league for the last half of the season in stolen bases.

Miami will use the "Usual Suspects" on the mound as the rotation for this weekend, beginning its pool play against UNC with freshman left-hander Bryan Radziewski (9-2, 2.94 ERA). Radziewski has served as the ace for the Hurricanes all season, and leads the team in appearances (14) and wins (9). His 80 strikeouts on the campaign is also a team-high in 79 2/3 innings tossed. Radziewski failed to factor into the decision against the Tar Heels in the series-opener earlier this year, while UM took an extra-inning win in the first game of a double-header affair.

The second game against Virginia will see sophomore right-hander Eric Whaley start for the Hurricanes. Whaley is the team leader in ERA (2.61) as he carries a 7-5 record into the tournament. He is tied for the team lead in starts (14) and leads the team in innings pitched (86 1/3), while sitting second in strikeouts (79). Against Virginia this season, Whaley took the loss in the second game of the series with six frames pitched, allowing two unearned runs on four hits and striking out five.

In the final game of pool play, the Hurricanes will use sophomore righty E.J. Encinosa, one of the hardest-throwing pitchers on the staff. The tall Miami native has a record of 4-5 on the campaign with an earned run average of 3.00. He has started 13 games – playing in 14 altogether – and tossed an even 78 innings. He has an average against of just .192, allowing just 52 hits and striking out 64 batters on the campaign.

The counterparts for the Hurricanes – North Carolina, Virginia and Wake Forest – will use a slew of right-handers and a final game day lefty against UMiami. The Tar Heels will use RHP Greg Holt (7-1, 2.90 ERA), while Virginia will throw right-hander Will Roberts (10-1, 1.67 ERA), with Wake Forest using lefty Austin Stadler (2-8, 8.56 ERA) in the final game. The only pitcher Miami has seen from the opposition is Will Roberts, earning a win against Whaley in Charlottesville in a true pitchers' duel. Greg Holt came on in relief action against UM in the second game of the Saturday doubleheader.

Miami in the ACC Tournament…

• Since joining the league in 2004-05, the University of Miami has claimed just one Atlantic Coast Conference Tournament title – UMiami baseball in 2008. The Canes used a 4-0 mark in that stretch run, defeating Virginia in the title game, before heading to the College World Series in Omaha.
• Overall in ACC Baseball Tournament play, the Canes hold an 8-10 record – including a 1-2 mark last year with a win over Florida State, before falling in extra innings to Boston College and a loss to Virginia.

UM Against the Field in the ACC Tournament…

• In the ACC Tournament, Miami is 2-2 all-time against the field for its three-game slate in pool play. The Canes are 1-1 with Wake Forest and Virginia, respectively. UM dropped the last meeting tournament meeting with Virginia

UNIVERSITY OF MIAMI HEAD COACH JIM MORRIS - 18TH SEASON
2001, 1999, & 1994 National Coach of the Year • 2008 ACC COACH OF THE YEAR

In his 18th season at Miami, no other program, nor head coach, has qualified for the College World Series as much as Morris and his Hurricanes. Miami, which has qualified for the NCAA Tournament a NCAA-record 38 consecutive years, has made it to Omaha in 11 of Morris' 17 seasons in Coral Gables. Morris set an NCAA record for guiding a program to the CWS in each of his first six years at UM. In addition, Morris won a record 13 consecutive NCAA Regionals from 1994-2006. His teams have qualified for NCAA Regionals for the last 26 years, 17 at Miami and nine at Georgia Tech.

Morris has directed the Hurricanes to a 810-318-3 (.716) mark since arriving in 1994. Including his 12 seasons at Georgia Tech (1982-93), Morris has forged a 1,314-562-4 (.699) Division I record in 29 years as a head coach. Overall, Morris has been the head coach at the collegiate level for 32 seasons, spending the first four at DeKalb (Ga.) C.C. (now Georgia Perimeter College) from 1976-79, and has recorded a 1,445-603-4 (.704) mark.

In addition to carrying on Miami's great baseball reputation in the last 18 years, Morris has personally led the charge in the construction of Alex Rodriguez Park, and has logged hundreds of hours raising funds for the new stadium project.

MORRIS IS A REGIONAL REGULAR

Jim Morris earned his 26th consecutive NCAA regional bid in 2010 when he guided the 'Canes to the NCAA Coral Gables Regional. He has led Miami to a regional in each of his 17 seasons (1994-2010), winning 15 of his last 17 appearances. The 13 consecutive regional championships (94-06) was an NCAA record. He also went to nine straight regionals from 1985-93 with Georgia Tech. Additionally, Miami has advanced to nine Super Regionals under Morris.

Affectionately known as "3" by those surrounding the UM program, Morris has led the 2010 Hurricanes to their 38th-straight NCAA Tournament. Five players from the 2010 team were selected in last year's Major League Baseball Draft. In 2008, the 'Canes reached the College World Series after winning the Atlantic Coast Conference, widely considered one of the toughest - if not the toughest - collegiate baseball conference in the country.

MORRIS IN HIS 33RD SEASON AS A COLLEGE COACH

Morris currently has a 1,314-562-4 (.699) record at the Division I level. As a head coach overall, he has compiled a 1,445-603-4 (.704) record over 30-plus years.

Jim Morris notched his milestone 1,000th win against his former school, Georgia Tech, with a 16-13 win on April 4, 2004. Thirteen days later he notched win No. 500 at Miami with a 7-3 win against Florida State on April 17. Morris' 1,000th win as a head coach, including four years at DeKalb Junior College, came in a 5-3 win over Northeastern on March 23, 2001.

Prior to his 17 seasons in Coral Gables, Morris went 504-244-1 at Georgia Tech from 1982-1993. In his first stint as a head coach, he guided DeKalb Junior College to a 131-41 mark from 1976-79.

JIM MORRIS MAKING HISTORY

• Guided the Miami Hurricanes to College World Series National Championship in 1999 and 2001.
• The only coach in NCAA history to take a school to the College World Series in each of his first six years at a program. Morris has gone to Omaha with Miami in 11 of 17 seasons and led Miami to 13 straight NCAA Regional Championships, an NCAA record.
• Named National Coach of the Year five times while at Miami, by Baseball America in 1994 and by the ABCA and Collegiate Baseball in 1999 and 2001.

• Sent 150 players to the Pro's, including Yonder Alonso (Reds), Pat Burrell (Giants), Ryan Braun (Brewers), Kevin Brown (Yankees), Alex Cora (Nationals), Danny Graves (Astros), Aubrey Huff (Giants), Nomar Garciaparra (Red Sox), Jon Jay (Cardinals), Jason Michaels (Astros), Chris Perez (Indians), Gabby Sanchez (Marlins), Danny Valencia (Twins) and Jason Varitek (Red Sox).
• Has served three stints with the U.S. National Team: Assistant Coach for 1987 Pan American Games (Silver), Head Coach for 1989 Presidential Cup (Silver) and Head Coach for 1990 Goodwill Games (Bronze).

SHORTSTOPS AND JIM MORRIS

Morris, who played shortstop during college at Elon and then in the Boston Red Sox organization, has had great success developing the position while a head coach. Over the last decade Morris has taught prominent shortstops such as Nomar Garciaparra at Georgia Tech and Bobby Hill and Alex Cora at Miami.

Morris worked with Javy Rodriguez, who entered 2002 as a preseason All-American. Rodriguez led UM in just about every category as a junior in 2001, including a national-high 66 stolen bases. He currently works with sophomore Stephen Perez, a slick-fielding switch-hitter expected to bat near the upper-half of the order this year for the 'Canes.

Morris coached Hill, who played for the San Diego Padres, from 1997-99. Before Hill, it was Cora and Mike Metcalfe. Both players went on to play at the Major League level with the Los Angeles Dodgers. Cora is currently with the Nationals. Garciaparra played under Morris during the coaches' final two seasons in Atlanta and went on to become an All-Star with the Red Sox and played for the Oakland A's in 2009.

a season ago in Greensboro, N.C. (12-8), while defeating Wake Forest, 7-3, in Jacksonville back in 2007.

Noting the North Carolina Tar Heels…
• North Carolina is one of the few teams in the country with a break scheduled in the season due to the UNC exam schedule that runs through the weekend.
• Senior right-hander Greg Holt will make appearance number 29 on Thursday when he takes the mound against Miami but it will be the first time this season that the Clemmons, N.C., native will do it to begin a game.

Miami Against North Carolina…
• The University of Miami leads the all-time series against the North Carolina Tar Heels by a margin of 24-21-1. Since arriving into the ACC in 2004-05, Miami just 9-11-1 against the Tar Heels.
• The Canes won this year's series in Chapel Hill, 2-1, on the strength of a Saturday doubleheader sweep of the Tar Heels after Friday's game was postponed due to rain.

Noting the Virginia Cavaliers…
• Virginia has won a pair of ACC tournament titles - both came at Durham Bulls Athletic Park, in 1996 and 2009.
• Tyler Wilson will earn the start on the mound for the Cavaliers against Wake Forest. Will Roberts will get the starting nod against Miami, while Danny Hultzen is slated to start Saturday for the second straight week against UNC.
• Virginia is the tournament's No. 1 seed for the third time (1985, 2010, 2011); UVa now has played in each of the 38 ACC tournaments. In the last tournament at DBAP, the Cavaliers won four games in four days to claim the crown, defeating Clemson, UNC, Duke and Florida State. UVa was the lowest seed ever to win the title (No. 6).
• Virginia is 45-63 all-time at the ACC Baseball Championship. Under head coach Brian O'Connor (since 2004), Virginia is 14-9 in the tournament.
• Seven Cavaliers were named to the All-ACC team on Monday, the most all-conference honorees of any schools in the league. It also tied the UVa record for All-ACC honorees, matching the 2010 team's standard. For the second-consecutive season, Hultzen was tabbed the ACC Pitcher of the Year and O'Connor was named the ACC Coach of the Year.

Miami Against Virginia…
• The Miami Hurricanes hold a 19-14 edge in the all-time series against the Virginia Cavaliers. However, it has been the Cavs that have taken four of the last five games, respectively, including a 12-8 decision in the ACC Tournament a season ago in Greensboro, N.C.
• UMiami opened the 2011 series with the Cavaliers on the strength of five runs in the opening inning off ACC Pitcher of the Year, Danny Hultzen. Miami took the series-opener, while UVa bounced back to take the final two games of the series in Charlottesville with back-to-back saves from All-ACC selection Branden Kline.

Noting the Wake Forest Demon Deacons…
• The late season surge pushed the Deacs' record to 15-15 in conference play, marking the first time that Wake Forest has finished .500 or better in the ACC since 2006 (16-13).
• A big reason for the recent success has been the rotation of left-handed starting pitchers in Brian Holmes, Tim Cooney and Austin Stadler. The trio has combined to post a 1.87 ERA in 57.2 innings during the nine-game stretch.
• Michael Dimock has appeared six times in relief in the last three series, posting a 1.93 ERA in 9.1 innings and holding opponents to a .176 batting average while striking out 10.
• The offense has also improved of late, hitting .260 over its last nine ACC contests. Pat Blair has led the way with a .378 average during that span and has a .521 on-base percentage.
• Matt Conway has been hot at the plate and is riding a season-high 15 game hitting streak. He is no stranger to a lengthy hitting streak, as he recorded a hit in 20 straight games from the end of his freshman campaign to the beginning of this season.

Miami Against Wake Forest…
• Miami owns a commanding 25-5 advantage in the series against Wake Forest. The Hurricanes swept the Demon Deacons last year in Coral Gables, before doing the same on the road in Winston-Salem in the first league road series of the season for UMiami.
• Miami has won 11 in a row in the series dating back to March 21, 2008. The 'Canes last loss to the Deacs was a 7-3 decision in the ACC Championships on May 26, 2007 in Jacksonville.

Nathan Melendres Named to All-ACC Second Team…
• University of Miami junior outfielder Nathan Melendres has been named to the All-Atlantic Coast Conference Baseball Second Team, announced Monday by Commissioner John Swofford. For Melendres, the honor is his first recognition to the all-conference team.

• Melendres, a junior center fielder from Miami, finished the regular season leading the Hurricanes in batting average (.321) with 53 hits, 12 doubles and 23 RBI. He ended with a slugging percentage of .455, and second on the squad with 22 stolen bases in 25 attempts.
• Against league opponents, Melendres ended the regular season with a .330 average – leading the team in hits (35), doubles (10) and third in RBI (16). He played and started all 29 games for the Hurricanes, swiping 15-of-16 stolen base attempts on the base paths.

Now You See Them, Now You Don't…
• Sophomore **Zeke DeVoss** and junior **Nathan Melendres** not only flash brilliance at the plate, but they are bringing it on the base paths as well. DeVoss leads the Hurricanes and the league in stolen bases (28), while teammate Melendres is second on the squad and seventh in the ACC with 20.

Bringing the Orlando Magic…
• Sophomore pitcher **Steven Ewing** may have come to South Florida from Orlando, but he brought the O-Town Magic with him. This season, the midweek starter for the Hurricanes has gotten increasingly better each time he takes the mound. This season, Ewing hs a team-low tying ERA (2.76), leads the team in strikeouts (74), strikeout-to-walk ratio (3.7:1) and ties for second on the team in wins (7). After a loss in his first outing at Florida Atlantic and a no-decision at USF, Ewing rolled off seven consecutive wins until a loss against FAU on Tuesday, May 17.

Villasuso Out 4-to-6 Weeks with Broken Hand…
• Junior catcher **David Villasuso** is out of the lineup 4-to-6 weeks according to Hurricanes head coach **Jim Morris**. The Miami native allowed his frustrations to get the better of him during Sunday's (May 1) series finale against in-state rival Florida State during the bottom of the sixth inning.

Injuries Play the Part Less Expected…
• A total of eight players have missed games this season due to injury, including starting outfielder **Nathan Melendres**, starting shortstop **Stephen Perez** and senior outfielder **Chris Pelaez**.
• Three Hurricanes have suffered season-ending injuries – Joey Porro (fractured foot), Julian Santos (ACL) and Scott Wiebel (ACL/MCL). Catcher Corey Janson continues to rehab from the fall where he was sidelined for the entire campaign due to injury.

Canes in the Weekly Polls…
• The University of Miami moved to 16 in the Collegiate Baseball Newspaper poll this week, while slipping to 17 in the Baseball America Poll. The Canes are 18 in the Perfect Game USA poll, and sit 21 in the USA Today/ESPN Coaches poll - followed by 23 in the NCBWA poll.

Last Time Out... Hurricanes Take Series from Duke Blue Devils (May 21, 2011)
The 15th-ranked Miami Hurricanes rebounded from a tough loss on Friday night to take the regular season finale, 5-2, from Duke on a beautiful Saturday afternoon at Alex Rodriguez Park.

Rony Rodriguez (three extra-base hits and three runs batted in) and Zeke DeVoss (four hits) led the Canes offensively, and the pitching staff allowed only three hits on the afternoon en route to the series clinching win on Fan Appreciation Day.

The Hurricanes finish the regular season at 34-20 (19-10 Atlantic Coast Conference), while Duke ends the year at 26-30 (7-23 ACC).

After allowing an unearned run to Duke in the top of the first, Rodriguez responded with a two-run homer to left field to give the Canes a lead they would not relinquish in the bottom of the inning. It was the team-leading 10th home run on the year for Rodriguez, who ranks tied for fourth in the ACC in long balls.

Miami would add their third run in the third inning on an RBI single from senior Chris Pelaez to score Rodriguez, who had doubled to start the inning.

Saturday marked the final home regular season game for Pelaez, who went 2-for-4 as the designated hitter, and Michael Rudman, who made an appearance on the mound in the eighth inning.

Rodriguez would go on to knock in his third run of the game in the fourth inning with his second double to give Miami the 4-1 advantage. He leads the Canes with 15 two-baggers on the season.

The Hurricanes tacked on another insurance run in the bottom of the sixth inning with some help from the Blue Devils. With DeVoss on third and Harold Martinez on first, Martinez left early towards second. However, Duke pitcher Ben Grisz threw the ball into center field, allowing DeVoss to score the final run of the game for Miami.

Travis Miller (2-0, 1.42 ERA) earned the win in relief for the Canes, not allowing a hit in two innings of work. Daniel Miranda earned his 12th save of the year.

Starter E.J. Encinosa pitched four effective innings, allowing only one hit, but was limited due to the upcoming ACC tournament.

Miami will be back in action next week at the Atlantic Coast Conference Baseball Tournament. The Hurricanes finish the regular season fifth in the league standings, and will likely play North Carolina – who finished fourth overall – in the opener. The official seeding and brackets will be announced by the ACC Office on Sunday.

ALEX RODRIGUEZ PARK INFORMATION
Renovations to Alex Rodriguez Park are thanks in large part to a $3.9 million contribution by New York Yankees third baseman and 11-time MLB All-Star Alex Rodriguez. The gift - the largest ever to the University of Miami baseball program - has assisted the program in continuing to develop first-class facilities. The official announcement of his gift was made on Oct. 10, 2002.

Alex Rodriguez Park has taken form in a three-phase process:

• Phase I called for seating modifications, new dugouts, new stadium lighting and utility infrastructure and new rest rooms.

• Phase II entailed renovating below the grand stand area in addition to adding new concession areas.

• The final phase included adding a new clubhouse, weight room, training room, meeting room, video room and academic area. In addition, a new press box – along with four VIP suites – have been built atop the grandstand. This past offseason, addition seating was added down both lines while a new scoreboard was constructed in left field.

MARK LIGHT FIELD
In 1971, former Miami Coach Ron Fraser had a dream of building a state-of-the-art college baseball field and Hurricane supporter George Light came forward with the funding. The field, dedicated in 1977, is named for Light's son, Mark, who died of muscular dystrophy.

Radziewski Honored by Perfect Game USA...
• Freshman left-hander **Bryan Radziewski's** victory at top-ranked Virginia on Friday, May 13, allowed him to be honored by Perfect Game USA... Virginia stud pitcher and top prospect Danny Hultzen was the headliner entering Friday's contest, but Miami freshman **Bryan Radziewski** outdueled him on the way to an impressive 6-2 triumph...Radziewski struck out seven and allowed just two runs on four hits in seven innings...Hultzen, meanwhile, was touched up for five runs the first two innings and finished the game striking out nine and allowing five run son six hits in seven innings.

Rodriguez Is Burnt Orange and Money Green…
• After a blistering fall campaign, leading the Hurricanes in batting average and hits, junior infielder/outfielder **Rony Rodriguez** has burst out of the gates quickly as a team leader in the spring as well. Rodriguez was selected as the ACC Co-Player of the Week (April 4-10), and is second on the Hurricanes team in batting average (.316) while leading the Canes in home runs (6) and slugging percentage (.579).

Position Change…

One Whale of a Game…
• Sophomore pitcher **Eric Whaley** picked up his team-best third win of the year in Miami's series finale win (and series sweep) of Virginia Tech on Sunday, March 13, going a season-long tying seven innings — allowing just three hits and striking out three with zero walks issued to the Hokies. The Pompano Beach native has earned wins in all three home series finales on the campaign.

The ACC and the RPI – Best of the Best…
• The RPI formula is based on a team's winning percentage, its opponents winning percentage, and its opponent's opponents winning percentage, which are weighted to determine their RPI score. Baseball weights its RPI as .25 for winning percentage, .50 for opponents' winning percentage, and .25 for the opponents' opponents' winning percentage. The weighted values of these three categories are then added together to obtain a raw RPI score. The teams are then rank ordered based on this score, a ranking that is imperfect in its current form.
• The Atlantic Coast Conference not only has several teams rated amongst the top 15 in the latest RPI ranking, but as a conference, the ACC is second in 2011, behind only the SEC.

The previous high was 10 against Appalachian State in the series finale on February 26...Sunday's Starters — Six of today's starters collected hits, while all nine starters reached base safely. **Harold Martinez** posted multiple hits for the second time in as many games (third time this year), knocking in a season-high four RBI...**Nathan Melendres** registered a season-high three hits, adding a RBI and scoring twice...**Rony Rodriguez** and **Stephen Perez** both tallied multiple RBI in the series finale...Sophomore right-hander **Eric Whaley** had another solid production in his fourth start of the year...Whaley went seven innings on the hill, spreading out three hits with no runs, no walks and striking out eight batters...Whaley has a team second-best 23 strikeouts on the year...Scoring 11 runs on nine hits meant Miami scored runs with guys on base, moving them over with bunts and driving them in with timely hits...Miami began the game with three consecutive bunt singles...UMiami has tallied five-plus hits in each of the last six games, including 14 against Illinois State (March 8)...The Canes showed great plate awareness on Sunday, drawing 10 walks from six Virginia Tech pitchers...The 10 walks taken was a season-high for UM.

Top-Ranked Gators Bite Back in Tough Gainesville Series (March 4-6)…
• Sophomore **E.J. Encinosa** came into Gainesville and pitched the game of his life...Facing the number one team in the country on the road, Encinosa went 7+ innings, allowing just five hits and one run to go along with three K's...Encinosa was the tough luck loser, as the Canes were unable to push a run across...**Sam Abrams**, a walk-on, saw his first action of the season when he came in the game in the bottom of the fourth after relieving freshman **Bryan Radziewski**...Abrams went 3 2/3 innings without giving up a run, giving a Miami a chance to claw their way back into the game...**Dale Carey** was the only man to reach base for the Hurricanes in game two of the series, as reached twice with a hit and hit by pitch...He also stole his first base of he season, but no 'Cane was able to drive him home...Despite the 'Canes struggles offensively, **Shane Rowland** quietly had himself a nice series against the Gators... Although just batting at a .222 average, Rowland posted an impressive .400 on base percentage, and had one of the six RBI's for the Hurricanes...Yet again, **Sam Robinson** pitched brilliantly out of the 'pen...In 2 2/3 innings, Robinson did not yield a run, while giving up three hits...On the season, he has not allowed a run in 7.2 innings pitched, and those three hits are the only three hits he's allowed...As the rest of the Hurricanes struggle to find their groove

TheUBaseball Blog…
• The University of Miami baseball team has its very own blog dedicated to giving fans the freshest and most up-to-date information, featuring behind-the-scenes videos, press conferences and photo sets about the Hurricanes from an inside point of view. To view the website, simply visit TheUBaseball.com.

Jerseys On the Wall…
• At UNC, they have jerseys in the rafters honoring the retired numbers/jerseys in basketball. For UMiami baseball, they have the numbers on the outfield wall. The names and numbers of retired jerseys are few, but they are known nationally around the collegiate baseball community and beyond.
• One of the numbers on the outfield wall is that of assistant head coach/pitching coach J.D. Arteaga – still the all-time wins leader in UM history.

Up Next…
• Upon returning to Coral Gables from the Atlantic Coast Conference Tournament, the University of Miami will wait and see what opponent(s) they will draw for the 2011 NCAA Baseball Tournament, and a shot at making it to Omaha for the annual College World Series. The selection show is on Monday, May 30, at 12:30 p.m., on ESPN.
