# Head Coach

## Dusty May

### Second Season

### Indiana '00

Dusty May accepted the challenge of building Florida Atlantic University's men's basketball program into a team that will consistently compete on the national stage when he assumed the helm as FAU's Head Men's Basketball Coach after signing a five-year contract in late March of 2018.

"Dusty was my number one choice, and I am thrilled to have him lead our men's basketball program," said Brian White. "This hire is a clear demonstration of the ambition we have for our basketball program, our athletic department and our university. Dusty will bring tremendous passion, determination and work ethic to this position. The future of the FAU men's basketball program is bright."

May joined FAU after three years as an assistant coach at the University of Florida, where he helped the Gators compile a 69-37 record, including back-to-back NCAA Tournament appearances. The Gators reached the second round of this year's tournament after advancing to the Elite Eight in 2017. As a full-time assistant, May's teams compiled a 274-166 record (.623 winning percentage).

May, who is FAU's ninth head men's basketball coach, spent the previous seven seasons on the coaching staffs of Florida coach Mike White, first at Louisiana Tech University for four seasons and then with the Gators. White is the older brother of Brian White, who was named FAU's vice president and director of athletics on March 3, 2018.

In his first season at the helm, May led the Owls to a winning record for the first time since 2011 and an appearance in the College Insider Tournament (CIT), just the third postseason appearance in school history. Graduate forward Xavian Stapleton was named Conference USA Co-Sixth Man of the Year and senior guard Anthony Adger made the All C-USA Third Team. For his efforts, May was a finalist for the Joe B. Hall Award, given to the best first year coach in Division I. As a team, the Owls set records for rebounds, rebounds per game, 3-pointers made, and free throw percentage. The Owls also scored 2,322 points, the second highest single season total in school history.

May was retained as an assistant at Louisiana Tech when Mike White took over the program entering the 2011-12 season, and the Bulldogs won three straight conference championships – the Western Athletic Conference title in 2013 and Conference USA crowns in 2014 and 2015. In their first season in Gainesville, the Gators rebounded from a sub-.500 record to finish 21-15 and advance to the quarterfinals of the National Invitation Tournament.

"The opportunity to recruit in such a fertile region, the momentum this university is enjoying and the enormous potential here are ideal starting points," said May. "We will be winners here, and we will play with tremendous passion and energy. The vision of President John Kelly, the board of trustees and the athletic department under the leadership of Brian White made this move an easy decision. I can't wait to get started."

May served six seasons (2009-15) as assistant coach and associate head coach at Louisiana Tech. In his final season with the Bulldogs, the team went 27-9, including 15-3 in Conference USA to win the regular season championship by two games, and went 17-0 on its home court. Louisiana Tech won 49 of 50 home games from February 2012 through the end of the 2014-15 season.

May was a student manager for the University of Indiana men's basketball team and after graduating began his professional career as an administrative assistant/video coordinator at USC from 2000-02. He returned to Indiana in an administrative role for three seasons before taking his first step as an assistant coach with Eastern Michigan (2005-06). He has also served as an assistant at Murray State (2006-07) and the University of Alabama at Birmingham (2007-09).

May and his wife, Anna, have three sons, Jack, Charlie and Eli.
