Miami Hurricanes Conclude Regular Season with Duke Blue Devils...

No. 15 Miami baseball concludes the 2011 regular season this week, hosting Atlantic Coast Conference opponent Duke for a three-game series, May 19-21, at Alex Rodriguez Park in Coral Gables, Fla. Times for the series will be 7 p.m. (Thursday), 7 p.m. (Friday) and 1 p.m. (Saturday).

Miami (32-19, 17-9 Atlantic Coast Conference) will celebrate Senior Appreciation Night on Friday, honoring pitcher Michael Rudman and outfielder Chris Pelaez (recently earning his degree on Thursday, May 12). The senior celebration will take place prior to Friday night's contest.

The Hurricanes will be looking to snap a two-game home skid, as well as looking for a chance to finish the ACC regular season third in the Coastal Division – and fourth overall heading into next week's ACC Tournament in Durham, N.C.

The Hurricanes have dropped three consecutive games – including four of the last five – as they welcome Duke (25-28, 6-21 ACC) who enters 11th in the ACC standings and last in the Coastal Division. As it relates to the upcoming ACC Tournament, the Blue Devils have been eliminated from postseason play, while the Canes look to solidify a spot as high as fourth. The series will be key for the Hurricanes as they still look to host a possible NCAA Regional in early June, now owning an RPI of 21 (0.584) as of Wednesday morning. UMiami will need to sweep this weekend's series and have a good showing in next week's ACC Tournament to increase the chances of a Coral Gables Regional in back-to-back years.

Miami is led offensively by junior outfielders Nathan Melendres and Rony Rodriguez each hitting above a .300 clip, while Melendres leads the team with a .327 average. He is tied for the team lead in doubles (12) and second in steals (20). As for Rodriguez, the Hurricanes' best hitter from the fall season has continued that trend throughout the spring season, leading the Canes in home runs (9) and slugging percentage (.558) – all while batting .307 overall on the year. Freshman third baseman Brad Fieger is batting .291, and owns just 19 strikeouts in 189 official at-bats on the year – giving him a ratio of 0.11:1 for AB-to-K.

The Blue Devils of Duke are led at the dish by Jeff Kremer with a .354 average, and leading the team in hits (67) and walks (38). Anthony D'Alessandro bats .307 for the Blue Devils and sits fourth on the squad in RBI (26), using eight steals in nine attempts. Chris Marconcini leads the team in homers (4) and slugging percentage (.503).

Duke has won four of its last six contests with wins coming against Wake Forest, The Citadel and Mount St. Mary's, respectively. The Blue Devils have won just one conference series all year – that being a 2-1 series victory over in-state rival NC State (March 11-13) in Durham. Another notable win for Duke was a 4-3 decision over sixth-ranked Georgia Tech (April 2), also in Durham.

- Duke took the first two meetings back in 1966 before Miami rolled off 17 consecutive wins from March 29, 1967 through March 13, 2009. Duke took one-of-three in the 2009 season series, but UMiami has not lost since.
- The Canes are 8-0 lifetime in Durham, sweeping the series last year at the Durham Bulls Athletic Park.

Now You See Them, Now You Don't...

- Sophomore **Zeke DeVoss** and junior **Nathan Melendres** not only flash brilliance at the plate, but they are bringing it on the base paths as well. DeVoss leads the Hurricanes and the league in stolen bases (28), while teammate Melendres is second on the squad and seventh in the ACC with 20.

UNIVERSITY OF MIAMI HEAD COACH JIM MORRIS - 18TH SEASON

2001, 1999, & 1994 National Coach of the Year • 2008 ACC COACH OF THE YEAR

In his 18th season at Miami, no other program, nor head coach, has qualified for the College World Series as much as Morris and his Hurricanes. Miami, which has qualified for the NCAA Tournament a NCAA-record 38 consecutive years, has made it to Omaha in 11 of Morris' 17 seasons in Coral Gables. Morris set an NCAA record for guiding a program to the CWS in each of his first six years at UM. In addition, Morris won a record 13 consecutive NCAA Regionals from 1994-2006. His teams have qualified for NCAA Regionals for the last 26 years, 17 at Miami and nine at Georgia Tech.

Morris has directed the Hurricanes to a 808-317-3 (.716) mark since arriving in 1994. Including his 12 seasons at Georgia Tech (1982-93), Morris has forged a 1,312-561-4 (.699) Division I record in 29 years as a head coach. Overall, Morris has been the head coach at the collegiate level for 32 seasons, spending the first four at DeKalb (Ga.) C.C. (now Georgia Perimeter College) from 1976-79, and has recorded a 1,443-602-4 (.704) mark.

In addition to carrying on Miami's great baseball reputation in the last 18 years, Morris has personally led the charge in the construction of Alex Rodriguez Park, and has logged hundreds of hours raising funds for the new stadium project.

MORRIS IS A REGIONAL REGULAR

Jim Morris earned his 26th consecutive NCAA regional bid in 2010 when he guided the 'Canes to the NCAA Coral Gables Regional. He has led Miami to a regional in each of his 17 seasons (1994-2010), winning 15 of his last 17 appearances. The 13 consecutive regional championships (94-06) was an NCAA record. He also went to nine straight regionals from 1985-93 with Georgia Tech. Additionally, Miami has advanced to nine Super Regionals under Morris.

Affectionately known as "3" by those surrounding the UM program, Morris has led the 2010 Hurricanes to their 38th-straight NCAA Tournament. Five players from the 2010 team were selected in last year's Major League Baseball Draft. In 2008, the 'Canes reached the College World Series after winning the Atlantic Coast Conference, widely considered one of the toughest - if not the toughest - collegiate baseball conference in the country.

MORRIS IN HIS 33RD SEASON AS A COLLEGE COACH

Morris currently has a 1,312-561-4 (.699) record at the Division I level. As a head coach overall, he has compiled a 1,443-602-4 (.704) record over 30-plus years.

Jim Morris notched his milestone 1,000th win against his former school, Georgia Tech, with a 16-13 win on April 4, 2004. Thirteen days later he notched win No. 500 at Miami with a 7-3 win against Florida State on April 17. Morris' 1,000th win as a head coach, including four years at DeKalb Junior College, came in a 5-3 win over Northeastern on March 23, 2001.

Prior to his 17 seasons in Coral Gables, Morris went 504-244-1 at Georgia Tech from 1982-1993. In his first stint as a head coach, he guided DeKalb Junior College to a 131-41 mark from 1976-79.

JIM MORRIS MAKING HISTORY

- Guided the Miami Hurricanes to College World Series National Championship in 1999 and 2001.
- The only coach in NCAA history to take a school to the College World Series in each of his first six years at a program. Morris has gone to Omaha with Miami in 11 of 17 seasons and led Miami to 13 straight NCAA Regional Championships, an NCAA record.
- Named National Coach of the Year five times while at Miami, by Baseball America in 1994 and by the ABCA and Collegiate Baseball in 1999 and 2001.

SHORTSTOPS AND JIM MORRIS

Morris, who played shortstop during college at Elon and then in the Boston Red Sox organization, has had great success developing the position while a head coach. Over the last decade Morris has taught prominent shortstops such as Nomar Garciaparra at Georgia Tech and Bobby Hill and Alex Cora at Miami.

Morris worked with Javy Rodriguez, who entered 2002 as a preseason All-American. Rodriguez led UM in just about every category as a junior in 2001, including a national-high 66 stolen bases. He currently works with sophomore Stephen Perez, a slick-fielding switch-hitter expected to bat near the upper-half of the order this year for the 'Canes.

Morris coached Hill, who played for the San Diego Padres, from 1997-99. Before Hill, it was Cora and Mike Metcalfe. Both players went on to play at the Major League level with the Los Angeles Dodgers. Cora is currently with the Nationals. Garciaparra played under Morris during the coaches' final two seasons in Atlanta and went on to become an All-Star with the Red Sox and played for the Oakland A's in 2009.

Bringing the Orlando Magic...

• Sophomore pitcher **Steven Ewing** may have come to South Florida from Orlando, but he brought the O-Town Magic with him. This season, the midweek starter for the Hurricanes has gotten increasingly better each time he takes the mound. This season, Ewing has a team-low tying ERA (2.76), leads the team in strikeouts (74), strikeout-to-walk ratio (3.7:1) and ties for second on the team in wins (7). After a loss in his first outing at Florida Atlantic and a no-decision at USF, Ewing rolled off seven consecutive wins until a loss against FAU on Tuesday, May 17.

Villasuso Out 4-to-6 Weeks with Broken Hand...

• Junior catcher **David Villasuso** is out of the lineup 4-to-6 weeks according to Hurricanes head coach **Jim Morris**. The Miami native allowed his frustrations to get the better of him during Sunday's (May 1) series finale against in-state rival Florida State during the bottom of the sixth inning.

Injuries Play the Part Less Expected...

• A total of eight players have missed games this season due to injury, including starting outfielder **Nathan Melendres**, starting shortstop **Stephen Perez** and senior outfielder **Chris Pelaez**.
 • Three Hurricanes have suffered season-ending injuries – Joey Porro (fractured foot), Julian Santos (ACL) and Scott Wiebel (ACL/MCL). Catcher Corey Janson continues to rehab from the fall where he was sidelined for the entire campaign due to injury.

Canes in the Weekly Polls...

• The University of Miami jumped a spot to No. 15 in the Collegiate Baseball Newspaper poll this week after taking a game in a three-game tilt with top-ranked University of Virginia over the weekend in Charlottesville, Va. The Hurricanes also jumped a spot to No. 22 in the NCBWA poll. UMiami stayed at No. 16 in the Baseball America poll, and hopped a spot to No. 22 in the USA Today/ESPN Coaches Poll.

win Sunday and a series sweep over Duke at the Durham Bulls Athletic Park.

Frankie Ratcliff started the rally in the ninth, singling up the middle to lead off the inning. Stephen Perez proceeded to move him to second on a sacrifice bunt and after a Scott Lawson strikeout, Grandal hit the double down the line in right to bring Ratcliff home.

Ratcliff had the best day at the plate for the Canes, finishing a single short of the cycle in a 3-for-5 performance. Ratcliff scored three of Miami's seven runs on the day. Michael Broad, Stephen Perez and Nathan Melendres all finished with two hits. Melendres drove in a pair of runs while Broad scored two.

Six of UM's 11 hits were extra-base hits, including two doubles by Perez and Ratcliff's first career homer.

The Canes improved to 14-5 overall and 5-1 in Atlantic Coast Conference play with the win while the Blue Devils dropped to 12-7 and 2-4 in league play.

Left-hander Eric Erickson allowed six runs - only three of which were earned however - on seven hits while striking out three in five innings. Eric Whaley came on in relief of Erickson and tossed 2 2/3 scoreless while

allowing just one hit. Sam Robinson (1-0) got the final batter of the eighth out and earned his first win before David Gutierrez tossed a scoreless ninth to earn his fourth save of the year.

Duke's starter Dennis O'Grady allowed five runs - two earned - on six hits while walking two and striking out four in six innings of work. Marcus

Stroman (2-1) suffered the loss in relief of O'Grady, allowing two earned over the final three innings.

Jeremy Gould, O'Grady and Ryan McCurdy finished with two hits for Duke.

UM went up 1-0 in the third when, after reaching second on a single and a wild pitch, Michael Broad came around to score on a bunt single by Melendres followed by a throwing error by third baseman Eric Brady.

The Blue Devils tied it up in the bottom of the third with a Brady sacrifice fly to right that scored Joe Pedevillano.

Duke took its first lead in the fourth, scoring four runs to go up 2-1. After Gould doubled to lead off the inning and advanced to third on a grounder, he was brought in by a Brian Litwin RBI single through the left side to give the Blue Devils the lead. From there, a fielder's choice grounder followed by an error by Grandal allowed two runners to score before a sacrifice bunt scored the fourth run of the frame.

Miami responded quickly however, scoring three runs in the fifth on four hits. Broad led off with an infield single and after stealing second, scored on a Melendres double off the "Blue Monster" in left-center. Two batters later, Ratcliff's homer to left brought Miami to within one, 5-4.

Back-to-back doubles to left by Gould and O'Grady with two outs in the fifth put the Blue Devils back up by two.

With runners on second and third with one out in UM's sixth, Melendres brought home Harold Martinez for the Hurricanes' fifth run with a sacrifice fly to right.

Ratcliff led off the third with a triple to center and immediately scored the tying run on a double by Perez off the wall in left. Lawson followed that up with a single to left, putting runners on the corners with no outs.

Duke put runners on first and second with one out in the ninth but Gutierrez was able to induce a 1-6-3 double play to secure the sweep.

Last Time Out... Miami Unable to Produce Against FAU Owls (May 17, 2011)

Florida Atlantic University started strong and never looked back as the No. 15 University of Miami Hurricanes were unable to complete a late rally attempt, falling 7-4 to the Owls in a non-conference contest played at Alex Rodriguez Park on Tuesday evening. The game was the final non-conference game of the regular season for the Hurricanes.

Starting sophomore pitcher Steven Ewing (7-2, 2.76 ERA) was credited with the loss - just his second of the season - while FAU's Jake Meiers (4-5) earned the win. Ewing got off to a strong start, striking out two of the first four batters he faced. He later struggled, however, giving up two home runs and hitting two batters before being relieved by freshman Javi Salas.

Ewing had won seven in a row coming into tonight's game. His only other loss of the season, coincidentally, came against FAU in Boca Raton on February 23 - his first start of the 2011 campaign.

Errors by Miami (32-19) pitchers became somewhat of a theme of the night for Miami. On the game, UM pitchers hit two batters, walked four, threw one wild pitch and had three failed pickoff attempts in throws over to first base.

FAU (31-20) scored the game's first run in the second inning when shortstop Nick Delguidice hit a hanging curve ball off the left field foul pole for a solo homerun. FAU continued to grind away as designated hitter Eddie Cassidy reached first base on a walk and third baseman Sean Bukovich hit a single to center to advance Cassidy to second. Catcher Mike Albaladejo also walked to load the bases, and right fielder Andy Mee's sac fly was deep enough to score Cassidy for the Owls' second run, giving the visitors a 2-0 advantage.

The Hurricanes failed to respond in the bottom of the inning as junior first baseman Harold Martinez struck out; freshman third baseman Brad Fieger grounded out; Dale Carey reached first on balls and senior Chris Pelaez grounded out to second.

The hot bats continued for the Owls in the third inning as second baseman Raymond Church went yard to left field for the Owls' second homer - his fourth of the year - and third run of the night as a team.

A scary moment came in the third for the Canes as a bad hop ricocheted off the face of Brad Fieger at third, temporarily stunning the Naples freshman. He continued to play, and UM went on to a more productive fourth inning.

After an error by FAU's Raymond loaded the bases for the Canes, Carey singled down the left field line to score both Rodriguez and Martinez in the home half of the frame. That brought the score to within 3-2 in favor of FAU.

The Owls stretched the lead at 4-2 in the fifth when Cassidy singled to right to plate Dan Scheffler.

One batter later, a throwing error on a pick-off attempt to first base scored Delguidice from third and brought the score to 5-2.

Rodriguez doubled in the fifth and charted his 12th two-bagger of the season, and tied him with Martinez and Fieger for the most doubles on the year.

Then started the trade-off between UM and FAU pitchers in terms of hit batters.

The Canes hit two – Alex Hudak and Raymond Church – while the Owls plunked junior Nathan Melendres. The latter, in the sixth, paved the way for a Miami comeback by putting sophomore Stephen Perez in scoring position. The following batter, Rodriguez, reached base on balls as well. A sac fly by junior Harold Martinez scored the Canes' third run, but Fieger then flied out to first base squashing the rally.

Yet another failed pick-off attempt by Salas in the eighth put FAU's Bukovich in scoring position. An ensuing bunt single to the left side moved him to third, and the next batter, Mee, doubled to left to drive in Bukovich. Later in the same inning, a sac fly by Church scored Albaladejo from third bringing the score to 7-3 in favor of the Owls.

One positive note on the evening came in the eighth when UM freshman catcher Corey Janson recorded his first-ever hit as a Hurricane with a single to right field.

In the ninth inning, for the third consecutive game Miami attempted a late rally that fell just short in the end.

Fieger's single drove in Perez for the Canes' fourth run, but it was all Miami could muster as Cade Kreuter grounded out to end the game with the bases loaded – representing the winning run at the plate. With a final score of 7-4 the Hurricanes lost for the 18th time this season and dropped the series against FAU, 2-1 – dropping two-of-three against the Owls in a season for the first time since 1984.

- Rodriguez, who started all three games last week for the Hurricanes at first base, led Miami in batting average with a .750 clip, producing six hits in eight official at-bats – including two walks and scoring seven runs. His 80.0 percent on-base percentage is the best for any Hurricanes performer in a week at this point on the campaign.
- The Sunset High alum and former Miami Dade College product, now in his second year as a UMiami student-athlete, helped keep the Hurricanes perfect on the road in ACC play at 5-0 – using a doubleheader sweep of Boston College on Sunday in 19-4 and 7-6 (5 innings) wins in Chestnut Hill, Mass. His slugging percentage for the week was 1.125, and he was perfect defensively with 14 putouts and an assist, all coming at the first base position.
- Against Boston College, Rodriguez was 2-for-2 with three runs scored and two walks in the doubleheader opener, only to follow with a 2-for-3 performance in the nightcap – registering a solo home run in the fifth, which proved to be the game-winning RBI for the 7-6 decision in the curfew rule enforced five inning affair.

ALEX RODRIGUEZ PARK INFORMATION

Renovations to Alex Rodriguez Park are thanks in large part to a \$3.9 million contribution by New York Yankees third baseman and 11-time MLB All-Star Alex Rodriguez. The gift - the largest ever to the University of Miami baseball program - has assisted the program in continuing to develop first-class facilities. The official announcement of his gift was made on Oct. 10, 2002.

Alex Rodriguez Park has taken form in a three-phase process:

- Phase I called for seating modifications, new dugouts, new stadium lighting and utility infrastructure and new rest rooms.
- Phase II entailed renovating below the grand stand area in addition to adding new concession areas.
- The final phase included adding a new clubhouse, weight room, training room, meeting room, video room and academic area. In addition, a new press box – along with four VIP suites – have been built atop the grandstand. This past offseason, addition seating was added down both lines while a new scoreboard was constructed in left field.

The ACC and the RPI – Best of the Best...

• The RPI formula is based on a team's winning percentage, its opponents winning percentage, and its opponent's opponents winning percentage, which are weighted to determine their RPI score. Baseball weights its RPI as .25 for winning percentage, .50 for opponents' winning percentage, and .25 for the opponents' opponents' winning percentage. The weighted values of these three categories are then added together to obtain a raw RPI score. The teams are then rank ordered based on this score, a ranking that is imperfect in its current form.

NCAA Tournament Recap...

- Miami made its 38th consecutive NCAA Tournament appearance last season, hosting two rounds of postseason action at Alex Rodriguez Park, where the club registered a 28-9 (.757) mark. The Hurricanes went 3-1 in the NCAA Coral Gables Regional, downing Dartmouth (12-8) and Texas A&M (14-1), before falling to the Texas A&M Aggies a day later (11-7). The Canes then overpowered the Aggies (10-3) to advance to the NCAA Super Regional. The Hurricanes fell to the Gators in consecutive games (7-2) and (4-3 - 10 innings) to end the season with a record of 43-20.

How About a Switch...

- Head coach **Jim Morris** is known for making the best changes possible for the team to win. Mid-season, the veteran skipper made the switch with **Brad Fieger** and **Harold Martinez** to opposite corners along the infield; switched sophomore **Zeke DeVoss** to more time at second base in place of **Michael Broad**; and has switched the pitching rotation with **Eric Whaley** and **E.J. Encinosa** – with Whaley now pitching in the second game of a weekend series.

Miami in the ACC...

- The 2011 season marks the seventh season the Canes have played in the Atlantic Coast Conference, and last year's 20-10 regular season mark in league play was the program's second-best behind the 2008 ACC championship squad that won 23 regular season league games.

New Era Behind the Plate...

- Three catchers will be battling for playing time behind the plate this year, including junior **David Villasuso**. A season ago, Villasuso batted .245 with 20 RBI and five home runs while serving as a backup to MLB First Round Draft selection and 2010 ACC Player of the Year, Yasmani Grandal.
- Others battling for playing time this season will be freshmen **Corey Janson** and **Shane Rowland**. After the fall season, Villasuso will probably make the start to begin the season, but don't be surprised if and when Rowland takes the spot behind the dish with improved confidence and skill.

Fresh Faces In the Dugout...

- This season, head coach **Jim Morris** has one of his youngest teams in recent memory. UMiami has 13 newcomers on this year's roster (12 freshman and one sophomore transfer). The 'Canes lost 2010 ACC Player of the Year, Yasmani Grandal, to the MLB Draft—Grandal was selected 12th overall in the Draft.

Canes In the Classroom...

• During the fall semester of 2010, the University of Miami baseball team recorded its highest team GPA ever. Freshman catcher **Corey Janson** collected a 4.0 GPA last semester, giving him one of the highest GPAs in the entire UMiami Athletic Department.

Rookie Gets the Ball...

• In starting the season-opener against Rutgers, freshman pitcher **Bryan Radziewski** became the first Hurricanes rookie hurler to start an opening night game in the 18-year tenure under head coach **Jim Morris**. Radziewski, a Florida Christian School alum, was named the Florida Class 1-4A Player of the Year in 2010 as a senior in high school.

Pelaez Earns His Degree...

• Though battling injury for most of the fall and seeing limited playing time in the spring recovering, senior **Chris Pelaez** has not been injured in the classroom. The Miami native earned his degree on Thursday, May 12, walking down the aisle of the BankUnited Center on the UMiami campus.

You've Gotta Start Somewhere...

• Sophomore **Joey Porro** made his first collegiate start (second base) on Feb. 26 against Appalachian State; followed by another start against Illinois State (shortstop) on March 9. Porro was a student-manager for UM in 2010, only to earn two starts and post a .286 average with two hits, three runs driven in and one score thus far in 2011.

Jerseys On the Wall...

• One of the numbers on the outfield wall is that of assistant head coach/pitching coach J.D. Arteaga – still the all-time wins leader in UM history.

Up Next...

• After hosting the Duke Blue Devils, the Hurricanes will travel to the ACC Tournament in Durham, N.C. for the annual event being housed at the Durham Bulls Athletic Park.
