

2019 MIAMI HURRICANES

# SOCCER CAMPS

AT THE UNIVERSITY OF MIAMI

Sarah Barnes' Soccer Camps at the University of Miami provide players and teams with a competitive and educational experience. Our goal is to teach the game and develop a solid foundation for players at all levels. Campers will be run through Division I sessions designed to develop skills, learn about the tactical side and competency. All activities at camp are specifically geared to prepare each camper for competition at the highest level. Campers will work with our experienced coaching staff, with the sessions being a balance of skilled instruction, small sided games and full sided games. Each camper will get to interact with all the coaches in a fun learning environment designed to teach the game.
