

Resume of Football Season

COACH "Cub" Buck called together a group of "green" football players for the first time about two weeks before the opening of the University of Miami and began to mold together a football machine which was to become the UNDEFEATED HURRICANES. The enthusiastic youngsters that turned out were possessed of little more than an exceptional fighting spirit, which was to become the spirit of the University itself, and was to carry the team as well as the University to great heights. Coach Buck soon gained the confidence of all the men that reported and before the season was half over there wasn't a man who would not have died fighting for his Coach.

The first appearance of the Hurricanes was on October 23, one short week after school had begun. Rollins College of Winter Park, Fla., furnished the opposition, and, although the Hurricanes' play was somewhat ragged, they were able to defeat Rollins by completing a long pass late in the first half. The score was 7-0.

The second week of practice, in preparation for the invasion of the much heavier Southern College team, ironed out several of the rough spots in both the offense and defense. As was true of the first game, the wonderful generalship of Cliff Courtney was the deciding factor in the UNDEFEATED HURRICANES' victory. Miami scored twice but failed to kick either try for point after touchdown. Score 12-0.

The third game was with Mercer College Freshmen of Macon, Ga. Through two penalties coming at an inopportune time, the Bear Cubs were able to cross the Hurricanes' goal line for the first time. Miami showed marked improvement over their previous encounters, both in offense and defense. The backs provided much better interference than before and the line lead by Bill Kimbrough was a bulwark of strength. Mercer's line was crossed three times, Miami 22, Mercer 6.

The UNDEFEATED HURRICANES were not hard pressed to defeat the Stetson Freshmen, 20-0. Coach Buck used several of his reserves in this game. On two occasions, Toby Lyons, right end for the Hurricanes, scooped up the ball and ran for touchdowns. Bill Horton also scored. The defensive play of the team had developed to such an extent that it was almost impossible for the opponents to make any appreciable gains.

The Loyola game proved beyond a doubt that the University of Miami had a team to be proud of. Loyola had a smooth working team that knew football from start to finish and they unleashed a baffling attack on the Hurricanes that would have spelled defeat for a less resolute outfit. That University spirit that had been so dominant in the previous games appeared to best advan-

tage in this game. Unable to cross Loyola's goal, Toby Lyons in the first quarter booted a beautiful drop kick that was duplicated by Cliff Courtney in the second quarter. The defensive play of the Hurricanes turned back the wonderful end running attack of the visitors, and Miami was the victor by a 6-0 score.

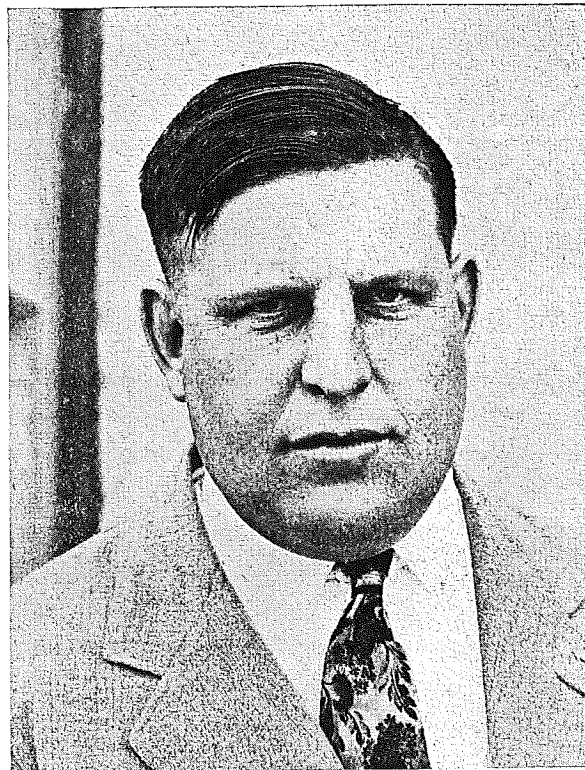

The sixth game was played before a monster crowd on Thanksgiving Day, with Miami's Latin-American rival, the University of Havana. This was the first game of the year for the Cuban boys and they offered little resistance, Miami winning handily, 23-0. On December 24, a squad of 20 men and the coaches sailed for Havana for a return game, which was won by the Hurricanes with the same score as was made in America.

The eighth game and final one for the UNDEFEATED HURRICANES came on New Year's Day when they met and defeated the Howard College Freshmen of Birmingham, Ala. Beyond a doubt Howard had the best team that had appeared against the University and it was only after a very determined and grim fight that the Hurricanes were able to win. Brilliant line plunging by Bill Horton in the first quarter resulted in a well earned touchdown for Miami. Cliff Courtney drop-kicked in the third quarter for the other three points. The final result was Miami 9, Howard 7.

The Undefeated Hurricanes

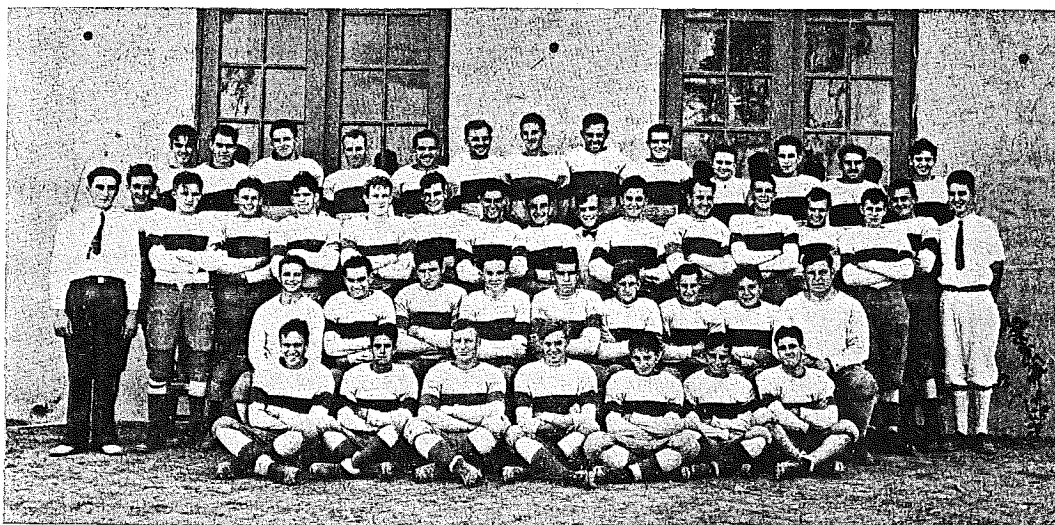

COACH HOWARD "CUB" BUCK

Coach "Cub" Buck took upon himself the task of organizing the first University of Miami football team. Many of the candidates for the eleven had to be taught the first fundamentals of the game, and much praise and honor goes to the Coach for his successful efforts. He instilled into his men the fighting spirit that spread to everyone in the University. His men loved him and would die fighting for him. Through his untiring efforts, they were able to play the season's schedule of eight games and finish, the UNDEFEATED HURRICANES. Coach Buck came to Miami from the University of Wisconsin, where he was selected by the late Walter Camp as a member of the mythical All-American football team for two successive years.

ASSISTANT COACH ERNEST E. BRETT

Coach Buck had an able assistant in Coach Ernie Brett, instructor in Physical Education, who came from Washington and Lee, where he coached boxing and wrestling teams. In college at Springfield, Mass., he was All-Connecticut Valley fullback.
