President Edward T. Foote II

Edward T. "Tad" Foote II became the fourth president of the University of Miami in 1981.

After graduating from Yale in 1959, President Foote served three years in the U.S. Marine Corps. In the early 1960s, he was a journalist for the Washington Star and, while in law school, he worked for the Washington Daily News and later was assistant to the chairman of the Pennsylvania Avenue Commission in Washington, D.C.

Following graduation from Georgetown University Law Center in 1966, President Foote practiced trial, appellate, and labor law at the firm of Bryan, Cave, McPheeters & McRoberts in St. Louis, Missouri.

In 1970 President Foote became vice-chancellor, general counsel, and secretary to the Board of Trustees for Washington University in St. Louis. He then served from 1973-1980 as dean of the Washington University School of Law, where he taught constitutional law and legal ethics. In 1980-1981, President Foote was special advisor to the chancellor and Board of Trustees for Washington University, during which time he also chaired two federal court-appointed citizens' committees which helped design and implement desegregation plans for schools in greater St. Louis.

Upon his arrival at the University of Miami in 1981, President Foote introduced corporate-style strategic planning, leading to reducing the number of students while increasing the number of faculty.

Approximately three-quarters of the current faculty have been hired during President Foote's tenure. High quality teaching is a top priority, and the University's research productivity has expanded dramatically.

President Foote serves on the Board of Directors of Ryder System, Inc. He has served on the Board of Directors and Executive Committee of the American Council on Education in Washington, D.C., and is a member of the Council on Foreign Relations.

Athletic Director Paul Dee

Paul Dee was named the University of Miami Director of Athletics on June 25, 1993. Dee had served as general counsel for the University since 1981, building a reputatio among his peers for his strong leadership, integrity, fairness and ability to get along with people.

Dee is committed to gender equity issues, and the need for an on-campus convocation center for Hurricane basketball.

In his first four years as athletic director, Dee was active in the NCAA and the BIG EAS Conference. Presently, he is a member of the Executive Committee of th Conference and serves as chair of the BIG EAST Conference.

Dee believes intensifying fund raising efforts and developing stronger interest in women's sports are vital to ensuring the future success of the Hurricane program.

Before joining the University, Dee was with the Miami law firm of Mershon, Sawyer, Johnston, Dunwoody & Cole and was a law clerk for Chief U.S. District Judge Charles Fulton in Miami. He received his bach elor of arts degree from the University of Florida in 1970 and his master's of education and juris doctor degrees with honors from the University of Miami in 1973 and 1977, respectively.

Dee was Athletic Director at Glades Central High School in Belle Glade, Florida from 1971-74.

Dee was raised in West Palm Beach. Married to the former Elizabeth Hall, he and his wife have a son, Terrance, a recent Harvard graduate who is in his second year of law school at the University of Miami.

1996-97 BIG EAST Academic All-Star Team

University of Miami student-athletes continue to maintain a tradition of excellence both in the classroom and on the playing fields. This past year, a total of 48 (28 male, 20 female) UM student-athletes were selected to the BIG EAST Academic All-Star team, which requires a GPA of 3.0 or higher either cumulatively or over the past academic year. (UM student-athletes from the sports of baseball, crew, and women's golf are not represented on the all-star team due to independent status. The BIG EAST Football Academic Honor Roll applies for football.)

Swimmers Lee Nessel (class of 1997) and Paul Klepchick (class of 1997) led this heralded group of student-athletes. Each was selected as BIG EAST Scholar-Athletes of the Year and received $2,000 to be applied toward graduate studies.

Hurricane News and Notes

- The Hurricanes have won 46 games since the beginning of the 1994-95 season. That total of 46 victories is Miami's largest in a three-year span since the Hurricanes won 49 times between the 1987-88 season through the 1989-90 campaign. However during the three seasons from 1987-90 the Hurricanes had a .544 winning percentage (49-41) while Miami has recorded a .548 winning percentage (46-38) in this current three-year cycle.
- Miami's 61-59 win at Villanova (#7 *USA Today*/CNN, #8 AP) on Jan. 11 represented the highest ranked team the Hurricanes have beaten since bringing the basketball program back in 1985. The win at Villanova was also significant because it was Miami's first against a ranked opponent on the road since the program's rebirth.
- With its 67-63 victory over Syracuse (#18 *USA Today*/CNN, #19 AP) on Dec. 7, Miami extended its streak of knocking off a ranked opponent in the Miami Arena to three straight seasons.
- Since January of 1995 UM has compiled a 26-25 record in its last 51 BIG EAST regular season games. Only Villanova, Connecticut, Georgetown and Syracuse have a better conference record over the last 51 league games.
- The Hurricanes are one of just six BIG EAST schools to post a winning overall record each of the past three seasons. Joining the Hurricanes are Villanova, Georgetown, Syracuse, Connecticut and Providence.
- In their sixth season as a member of the BIG EAST Conference the Hurricanes continued to make progress. UM recorded wins last season over Georgetown (2), Syracuse, Villanova and Connecticut, the first, second, third and fifth winningest programs in the history of the BIG EAST.
- Last season UM defeated both Georgetown and Villanova on the road. In the process the 'Canes snapped Georgetown's 24-game home winning streak and Villanova's 23-game campus winning streak. The 'Canes became just the 10th team in the 18-year history of the BIG EAST to record wins at both Georgetown and Villanova in the same season and became just the sixth team to record their win over Villanova on campus.
- Since the beginning of the 1994-95 season the Hurricanes have compiled a 21-8 (.724) record in BIG EAST games in which they have held their opponent to under 70 points.
- There were 30 BIG EAST games decided by four points or less last season. Miami was involved in 12 of those games registering a 6-6 record.
- With their overtime victory over Georgetown on Jan. 18, the Hurricanes completed their first series sweep against the Hoyas. The sweep was just the 12th suffered by Georgetown in BIG EAST play in 134 two-game series.
- Since allowing Clemson to connect on 50.9 percent (29-57) of its field goal attempts on Dec. 20, 1994, the 'Canes have allowed only nine teams (Villanova-three times, Providence, Georgetown, FAU, Tennessee, Connecticut and Michigan) to shoot at least 50% from the floor in the last 79 games.
- One of the biggest factors in the resurgence of the Hurricanes is a commitment to defense. Last season the 'Canes held the opposition to just 62.8 points per game, the lowest average against the 'Canes since the 1948-49 season when opponents averaged 56.1 points per game.
- The Hurricanes sported a 12-3 record at home this season, tying the school record for home victories since the revival of the program.
- The Hurricanes ranked sixth nationally in field goal percentage defense holding opponents to 38.0 percent shooting. The 'Canes, trailed only Marquette (.362), Wake Forest (.364), Wisconsin-Green Bay (.365), Wisconsin (.378) and Georgetown (.379).
- Miami's 15-6 start last season was its best since opening the 1964-65 season with a 17-4 record en route to a 22-4 season. That 1964-65 squad, which was led by senior All-American Rick Barry, won its last 11 games.
- A major reason for Miami's regular season success in 1996-97 was the play of its defense. In particular, UM's interior defense was outstanding. In only five regular season games last season did the 'Canes allow an opposing center to post double figures in scoring and only one opposing center grabbed double-figure rebounds. Overall, opposing centers averaged 6.6 points and 5.4 rebounds against the 'Canes. In BIG EAST play, opposing centers tallied 7.8 points and 6.0 rebounds.
- Last season the 'Canes averaged 6.0 blocks to rank second in the BIG EAST and set a UM single season team record for blocks per game. UM's previous team-high from average blocks per game was 5.6 set in the 1987-88 campaign.
- UM's 69-46 victory over Connecticut on Jan. 22 set a school record for margin of victory in a BIG EAST game. The 23-point victory bettered UM's previous high of 15 (80-65) also against Connecticut (Jan. 26, 1993).
- The 'Canes have won the last 15 games in which they have scored at least 80 points. UM's last loss when scoring 80 points was vs. Pitt (86-84) on Jan. 23, 1993.
- The Hurricanes are the only team in the state of Florida to register a winning record in each of the last three seasons. Additionally, the Hurricanes' 46-39 (.541) mark since the beginning of the 1994-95 season gives the Hurricanes the top winning percentage among the state's 11 Division I programs and its 46 wins over that period are the most by any of the state's Division I teams.
- Since becoming the 10th member of The BIG EAST Conference beginning with the 1991-92 season, the Hurricanes have compiled a 34-19 record (.642) against non-conference opponents, including a 26-9 mark (.743) at the Miami Arena.
- Kevin Norris is only the second player at UM to record at least 100 assists in each of his first three seasons, joining Thomas Hocker (1987-90) who did it each of his three years as a Hurricane. Norris, who ranks third on the school's all-time assist list with 355, looks to become the only Hurricane to record at least 100 assists in four straight seasons.
- In nine seasons at Miami Arena the 'Canes have compiled an 85-53 (.616) overall record. Last year UM was 12-3 at home. The 12 victories tied the school single-season record in the Miami Arena and the .800 home winning percentage was the best since the rebirth of the program in 1985.
- Over the last three seasons the Hurricanes have the fifth best home winning percentage in the BIG EAST behind only Georgetown, Villanova, Connecticut, and Syracuse. Miami, which finished with a 12-3 home record last season, has posted a 35-11 (.761) home record over the last three seasons.
- The Hurricanes enter the 1997-98 season having hit at least one three-point field goal in each of the past 165 games, setting a school record.
- Last season's NIT berth was the second postseason appearance by the Hurricanes in the last three seasons. Prior to its 1995 NIT appearance, Miami had gone 31 years between post-season appearances.
- Kevin Norris enters the 1997-98 season having started in 80 consecutive games, the longest streak in school history. Norris has been in the starting line-up every game since Dec. 20, 1994 at Clemson, the sixth game of his collegiate career.
- Last season Tim James was named second-team All-BIG EAST becoming the first Hurricane to earn second-team honors.

1997-98 Season Outlook

The University of Miami men's basketball team enters the 1997-98 season with high hopes and lofty ambitions. With nine letterwinners including three starters returning from last season's squad that finished with a record of 16-13 and advanced to postseason competition for the second time in three years, the Hurricanes dreams of an NCAA Tournament bid could become a reality.

The Defense Leads the Way

Miami, the only Division I school in the state of Florida to post a winning record in each of the last three seasons, has long been known for its stingy defense and last season was no different. The Hurricanes ranked sixth in the nation in field goal percentage defense holding opponents to a mere 38 percent shooting from the floor.

In fact, since allowing Clemson to connect on 50.9 percent of its field goals on Dec. 20, 1994, the Hurricanes have allowed just nine teams to shoot (Villanova-three times, Providence, Georgetown, Florida Atlantic, Tennessee, Connecticut and Michigan) to shoot at least 50 percent from the floor in the last 79 games.

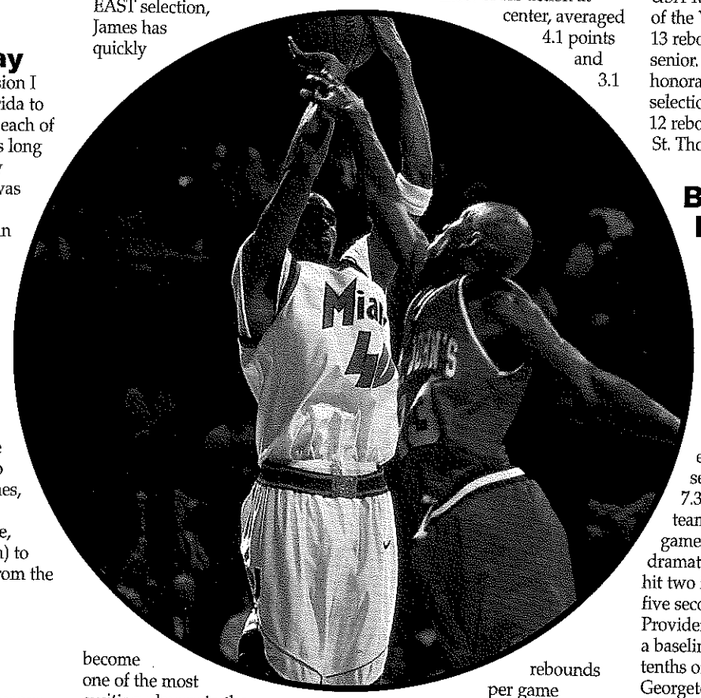

Home Sweet Home

Over the last several seasons opponents have discovered that traveling to Miami to take on the Hurricanes is no day at the beach. Over the last three seasons Miami has the fifth-best home winning percentage (.761) in the BIG EAST trailing only Georgetown (.884), Villanova (.884), Connecticut (.837) and Syracuse (.776).

Last season the Hurricanes knocked off the likes of Syracuse, Providence, Georgetown, Connecticut, Pittsburgh and St. John's in posting a 12-3 mark at the Miami Arena. The 12 victories tied the UM record for home victories in a season.

James Heads Frontcourt Talent

Speed and athleticism have become Miami trademarks, and when you talk about athleticism you need to start with 6-7 junior forward Tim James.1996-97 second-team All-BIG EAST selection, James has quickly become one of the most exciting players in the BIG EAST.

James, who often made plays others would consider super human, led the Hurricanes in scoring (14.0 ppg), rebounding (6.8 rpg) and blocked shots (64) last season. His 64 blocked shots ranks in a tie for third on UM's all-time single season list while his 114 career blocks places him in fourth-place on Miami's all-time list.

"Tim James has made a lot of progress and we are pleased with his improvement," said Hamilton. "He spent a lot of time working on his game in the off season improving his ball handling and perimeter shooting. He is a much more confident player and I think he will start to emerge as one of the premier players in our league."

Joining James in the frontcourt is Mario Bland. Bland, a 6-6 sophomore forward, saw action in all 29 games last season making seven starts. Bland, who saw most of his action at center, averaged 4.1 points and 3.1 rebounds per game despite playing against taller opponents almost every night.

"Mario has the body of a center but he may be the third best ball handler on our basketball team," said Hamilton. "He's a nice perimeter shooter who can drive to the basket and use either hand. His size and ball handling skills help make up for his lack of height."

Junior 6-11 center/forward Nick Donovan returns to Miami following a summer in which helped his native England finish sixth at the World University Games in Italy. Donovan played in 35 career games for Miami including 27 games last season. Donovan, who made seven starts, averaged 1.7 points and 1.2 rebounds.

Also pushing for quality minutes up front will be 6-9 freshmen Elton Tyler (Dorcester, MA) and Dwayne Wimbley (Fort Lauderdale, FL). Tyler, named *USA Today* Massachusetts Player of the Year, averaged 22 points, 13 rebounds and nine assists as a senior. Wimbley, a *USA Today* honorable mention All-Florida selection, averaged 21 points and 12 rebounds last season for St. Thomas Aquinas.

Backcourt Depth Led by Norris

Competition in the backcourt will be fierce this season as Miami finds nine guards on its current roster. Heading the list is senior point guard Kevin Norris.

Norris, who has started a school-record 80 consecutive games, averaged 7.3 points, 2.9 rebounds and team best 4.9 assists per game. Norris had a flair for the dramatic last season as he twice hit two free throws with less than five seconds remaining to beat Providence and Villanova and hit a baseline jumper with four-tenths of a second left to knock of Georgetown.

He currently ranks third on Miami's career assists list (355) and barring injury should become the Hurricanes' all-time leader in assists this season.

Norris will be pushed for playing time by sophomore Vernon Jennings and freshman Mike Byars-Dawson.

Jennings, who is expected to miss the first six to eight weeks with a broken bone in his left foot, saw considerable action last season as a freshman playing in all 29 games and averaging 3.0 points and 2.1 rebounds in 15 minutes per contest. Jennings is equally adept at running the point or playing of the ball at the shooting guard spot and should give coach Hamilton more versatility in the backcourt upon his return.

"Jennings could be our most versatile player," said Hamilton. "He can play three different positions and he's a very heady player who improved his perimeter shooting. We're counting on him to be a major contributor to our team."

With Jennings out for the early part of the season, Coach Hamilton will look to freshman Mike Byars-Dawson, a 5-10 guard from Fort Worth, TX, to back up Norris at the point. Byars-Dawson earned All-State honors as a senior last season after averaged 23.9 points, 6.7 rebounds and 5.5 assists per game

At shooting guard the Hurricanes will look to Steve Frazier, Lucas Barnes, Johnny Hemsley to replace the 13.4 points per game and tough perimeter defense left by the graduation of Clifton Clark.

Frazier returns to Miami after being granted an extra season of eligibility. Frazier, who's outside shooting ability will help the Hurricanes' perimeter game, missed all of last season with a torn anterior cruciate ligament in his left knee.

Sophomores Barnes and Hemsley are both talented swingmen who will also see time at small forward. Barnes played in 27 games last season averaging 3.9 points and 2.4 rebounds per game. Barnes came on at the end of the season scoring in double figures three time in the final six games while shooting 54 percent (20-37) from the field. Hemsley saw action in 24 games a year ago and averaged 3.5 points and 1.5 rebounds in 12.4 minutes per game.

One of Miami's weaknesses last season was three-point shooting. This season Hamilton will look to sophomore Charles Wiseman (Fort Lauderdale) to supply a consistent three-point threat.

Wiseman, who has sophomore eligibility, hit 106 of 241 (.440) three-point attempts for Independence (KS) Community College last season.

"We've given Wiseman total freedom to shoot when he's open," said Hamilton. "We've been reluctant to give a lot of people that type of freedom, but he has that type of potential."

The Schedule

The 1997-98 University of Miami men's basketball schedule features 16 games against teams selected for post-season play last year, including six versus teams that advanced to at least the second round of the 1997 NCAA Tournament.

The Hurricanes will open their BIG EAST schedule at the Miami Arena on Dec. 2 against Rutgers. In addition to hosting the Scarlet Knights, the 'Canes will host 1997 NCAA Tournament participant Georgetown (Dec. 6) and NIT Final Four participant Connecticut (Jan. 6) and play at Pittsburgh (Jan. 3), St. John's (Jan. 13) and Boston College (Jan. 28). Miami will also play home and away games with Notre Dame, Providence, Seton Hall, Syracuse, Villanova and West Virginia.

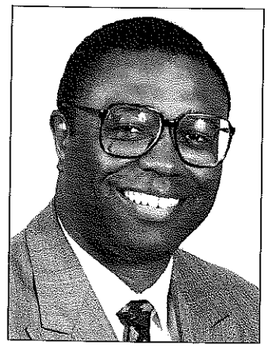

Highlighting the non-conference opponents are three highly successful basketball programs, including UNC-Charlotte, Georgia Tech and Memphis. UNC-Charlotte, which lost to Utah in the second round of the 1997 NCAA Tournament after defeating Georgetown in the opening round, will make its first Miami Arena appearance on Nov. 21. The 49ers, co-winners of the Conference USA White Division last season with Memphis, return their top two scorers from last season's 22-9 squad. UNC-Charlotte has also had its 1997-98 recruiting class rated as high as seventh nationally. Georgia Tech, which has averaged 19.6 victories the past 10 season despite facing a grueling ACC schedule, will take on Miami in the fourth annual Orange Bowl Basketball Classic (Dec. 27). The Yellow Jackets return 10 letterwinners including first-team All-ACC selection and All-America candidate Matt Harpring. The Hurricanes will play Memphis in The Pyramid where the Tigers have compiled an 80-16 all-time record on Dec. 22. Memphis returns six letterwinners from last year's NIT squad which captured a share of the Conference USA White Division championship with a 10-4 league mark.

In other non-conference action, UM will host Florida Atlantic (Nov. 16), Eastern Kentucky (Nov. 24) and Georgia State (Dec. 12) with new head coach Lefty Driesell. The Hurricanes will also open the season at Southern Illinois (Nov. 14). The Salukis have made seven post-season appearances in the last nine years. UM also travels to Jacksonville (Nov. 29) to take on the Dolphins and new coach Hugh Durham.

The 'Canes will play 14 games in the Miami Arena this season, including a Feb. 14 league contest against Notre Dame which will be UM's 150th all-time game in the Arena. Eight of the 14 contests are against opponents who advanced to post-season play a year ago.

The BIG EAST had an NCAA record 10 teams in post-season play in 1997, including four (Boston College, Georgetown, Providence and Villanova) in the NCAA Tournament, three of which advanced to at least the second round. Three BIG EAST teams were among the eight quarterfinalists in the NIT, including Connecticut which finished third.

Head Coach Leonard Hamilton

Stepping Up to the Challenge

When Leonard Hamilton was appointed the University of Miami's ninth men's head basketball coach on April 2, 1990, he knew it was a huge challenge to build a program. But everyday, step by step, Hamilton inches closer to his goal of having the finest college team in the land.

The road to the top has been a constant battle for the Hurricanes, who have had more than their fair share of injuries and setbacks. Through it all though, Hamilton has remained a focused, driving force and has the program pointed in the right direction.

Hamilton, who is entering his 27th season as a collegiate coach, knows there are no shortcuts to success. He enters the 1997-98 campaign after having led UM to three consecutive winning seasons, becoming just the third coach in school history to accomplish that feat. He has guided the Hurricanes to post-season play twice in the last three years and his current seven-year tenure is the second longest consecutive term in UM history.

Under Hamilton's leadership Miami is a program on the rise. He has nine returning letterwinners back from last year's 16-13 team and has once again produced a solid recruiting class which experts say should help continue the rapid growth at UM. In the near future he will reap the benefits of a new on-campus arena. Just as he did at Oklahoma State, Hamilton has taken a struggling program and brought it to national prominence.

Building a Winner

Hamilton's 1996-97 Hurricane squad enjoyed a stellar season and provided many highlights. He guided the 'Canes to 16 wins, a third straight winning season and a berth in the NIT where Miami was defeated by eventual champion Michigan. The season produced a pair of victories over nationally ranked teams, including a 61-59 victory over eighth-ranked Villanova in the duPont Pavilion, where the Wildcats had won 23 consecutive games. The win at Villanova marked the highest ranked opponent the Hurricanes have defeated since the rebirth of the program in 1985 and was the first time UM defeated a ranked team on the road.

Miami also became just the 10th team in the 18-year history of the BIG EAST Conference to sweep a regular-season two-game series over Georgetown. Included in the two victories over the Hoyas was a 69-67 victory in the USAir Arena where Georgetown had a 24-game winning streak.

Miami is one of just six BIG EAST teams to post a winning record in each of the last three seasons. Hamilton's program has also proven to be the best in the state of Florida over the same period. Miami is the only school among Florida's 11 Division I basketball teams to produce a winning record in each of the last three seasons and the Hurricanes have recorded the highest winning percentage and victory total in the state over the three-year period.

National Honors

Three years ago Hamilton guided the Hurricanes to one of the best seasons in school history. Picked to finish at the bottom of the extremely grueling BIG EAST Conference, Hamilton led the 'Canes to a fifth-place finish and a berth in the National Invitation Tournament—UM's first post-season appearance in 31 years.

Miami set a BIG EAST record in 1995 for the greatest single-season improvement in league history. The 'Canes' nine-win conference increase tied Louisiana Tech for the best in the nation. UM's eight-win overall improvement tied the third best single-season increase in school history.

At the conclusion of the season, Hamilton was rewarded for his patience and hard work as United Press International named him its National Coach of the Year. Hamilton was also recognized by his peers as the league coaches tabbed him BIG EAST Conference Coach of the Year.

A Player's Coach

Despite being the head coach of a Division I school in one of the country's top conferences, Hamilton has not lost sight of his number one priority: Miami's student-athletes. His number one goal is to help prepare his players for the challenges that they will encounter in society.

"Coach Hamilton is a real player's coach," stated former Hurricane guard and 1992 graduate Trevor Burton. "He's concerned about you both as a player and human being. He will push to get the best out of you both on and off the court. I've never seen anyone as dedicated as Coach Hamilton. I was really impressed with his commitment."

Hamilton displays that commitment to his program both on and off the court. In Hamilton's seven years at Miami, every senior has earned his degree or is currently playing professional basketball.

"The thing that separates Coach Hamilton from other coaches is the way he treats you," said Jake Morton, a former Hurricane guard and 1993 graduate who is now playing professionally in Israel. "He stays on top of you to get your degree and helps mold you for life. He feels it's his job to help get you ready to play in the game of life, because he understands there is life beyond basketball."

In Hamilton's seven years at Miami, every senior has earned his degree or is currently playing professional basketball.

Bringing in the Best

Hamilton knew when he arrived that in order to compete with the best, you must play the best. No one could have predicted how swiftly or emphatically the best competition would appear on the Miami schedule. After just six months at Miami, Hamilton was presented with one of the most difficult challenges a collegiate coach has ever faced—to compete in The BIG EAST Conference.

Challenges are nothing new to Hamilton though, after spending time at both Kentucky and Oklahoma State facing some of top teams in the nation. He has spent most of his career competing and succeeding against the nation's elite.

In order to raise the Hurricanes' level of competition, it was obvious that Hamilton was required to raise the level of talent flowing into the Miami program. Tremendous strides have been realized in this area during Hamilton's tenure at UM. Having long been recognized as one of the nation's finest evaluators and recruiters of high school talent, Hamilton continued to build his legacy by producing what many consider to be the finest classes in Miami history. Four of his UM recruiting classes have been ranked in the Top 20 nationally by recruiting expert Bob Gibbons and last year's class which was rated 17th, yielded three talented wing players and a power forward that will help shape the 'Canes future.

The rookie class of 1992-93 contained the most promise and was ranked fourth in the country. However, injuries took their toll and slowed the development of what could have been UM's finest class ever.

The class did make its presence known right away by helping the Hurricanes jump from one conference win in 1991-92 to seven wins in 1992-93 (the fifth-largest increase in wins in BIG EAST history). All of Miami's wins came at home in the Miami Arena as the 'Canes' 7-2 home BIG EAST record was the third best among all league teams.

Success in BIG EAST

In his first six BIG EAST seasons, Hamilton has already recorded eight victories over teams ranked in the nation's Top 25 and has defeated every league team at least once. His 80-69 victory over 10th-ranked Georgetown during the 1992-93 campaign was Miami's first over a team ranked in the nation's Top 10 since the rebirth of the Hurricanes' basketball program in 1985.

During the 1991-92 campaign, Hamilton continued his lofty expectations in the academic realm as all four Hurricane seniors earned their degrees by June of 1992. On the court, Leonard Hamilton silenced the critics who claimed he would not even come close to a victory in his inaugural BIG EAST campaign as the Hurricanes defeated St. John's in their conference home opener—a victory that would prove to cost the Redmen the outright BIG EAST championship.

Along the way, the Hurricanes surprised their opponents, fans and media as they battled every opponent with the intensity and perseverance which their head coach both demands and instills. Hamilton's Hurricanes earned the respect of the collegiate world in their first BIG EAST Tournament appearance at Madison Square Garden when they upset Pittsburgh, 83-71, in the opening round at "The World's Most Famous Arena." Miami threatened to repeat the upset in the second round of action as they led co-BIG EAST champion Georgetown, 34-33, at the half before dropping a hard-fought 77-64 decision to Alonzo Mouring and the Hoyas.

Hamilton was granted one year of coaching at UM before entering BIG EAST competition. Determined to make the most of the Hurricanes' final season as an independent, Hamilton quickly laid the groundwork for the future of the Hurricanes. Off the court, Hamilton saw to it that both seniors on his 1990-91 squad would graduate by spring. On the court, he directed the development of Joe Wylie, who was selected in the second round of the 1991 NBA Draft, and inspired his Hurricane squad to produce their absolute best at all times. The efforts paid off as Miami finished the season with what was then the highest final ranking by *USA Today* since the rebirth of the Hurricanes' program.

Breaking Records at Oklahoma State

Hamilton arrived at UM from Oklahoma State where he rebuilt the Cowboys and led them to

consecutive appearances in the National Invitational Tournament. The back-to-back post-season appearances were the first for OSU since 1953-54.

The 1989-90 OSU squad earned a No. 49 national ranking by *USA Today*, finished the year with a 17-14 record and advanced to the second round of the NIT before dropping a decision to tournament semifinalist New Mexico. Offensive firepower and the transition game were the signature of Hamilton's program which averaged more than 80 points for the second consecutive season and just the third time in team history. The Cowboys also established school records for most points and most three-point field goals.

Hamilton's last two Oklahoma State teams both won 17 games, marking only the fourth and fifth OSU squads to reach the 17-win plateau in the last 32 years. And of the 14 losses suffered during the 1989-90 campaign, seven came against teams ranked in the nation's Top 10 at the time of the game (UNLV, Oklahoma, Missouri and Kansas). The overall schedule was rated one of the toughest in the nation and included a total of 17 games against teams that went on to post-season play. The season was highlighted with wins over post-season participants Ohio State, Memphis State, New Orleans and a 2-1 record versus Kansas State (with one win coming in the Big 8 Tournament).

A Rising Star

Prior to his stint at OSU, Hamilton served at the University of Kentucky where he spent 12 seasons with one of the top programs in the country. From 1974-80, he served as an assistant coach, and in 1980 he was honored by being named the first associate head coach in Kentucky basketball history, a post he held until moving to OSU. While at Kentucky, Hamilton developed the reputation as one of the brightest young coaches in the nation and helped guide the Wildcats to the 1978 NCAA championship. In his 12-year tenure at Kentucky, seven recruiting classes were ranked among the nation's elite and 23 former Wildcat players were drafted by the NBA. Additionally, 83% of the seniors (30 of 36) earned their degrees.

His proficiency in the recruiting game carried over to Oklahoma State where his first two classes were rated 12th in the country by different services. He signed four of five Oklahoma High School Players of the Year and was involved with the recruitment of 30 high school All-Americans.

Buiding a Legacy

Hamilton's legacy extends across the nation as four of his former assistant coaches have moved on to become head coaches at Division I institutions.

The most recent Hamilton disciple to move on was Mike Jaskulski who departed this spring, after four seasons at Miami, to take over the head coaching duties at Towson University. Other Hamilton assistants now heading Division I programs include Tim Carter (Texas San Antonio), Dickey Nutt (Arkansas State) and Bill Self (Tulsa).

A Decorated College Player

Hamilton played basketball at Gaston (N.C.) Community College, where he set a school record by scoring 54 points in a game, and at the University of Tennessee-Martin where he is a charter member of the school's Hall of Fame. At each school he served as a team captain. Additionally, while at Tennessee-Martin, Hamilton received both the team Most Valuable Player Award and the Best Defensive Player Award.

His coaching career began as a graduate assistant (1971-72) and a full-time assistant (1972-74) at Austin Peay State University. He received his Master's degree from Austin Peay.

Hamilton, who is married to the former Claudette Hale, has a 27-year old son, Lenny, and a 13-year old daughter, Allison.

Making A Difference

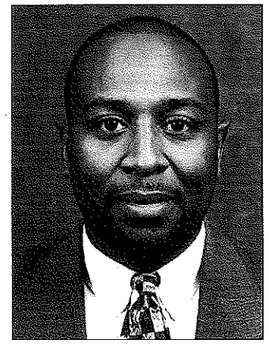

Dwight Freeman, who joined the UM staff in November of 1995, is entering his third season as a member of the Hurricane coaching staff. Freeman arrived at UM after serving one season as an assistant to Lefty Driesell at James Madison University. He is responsible for recruiting, scouting and providing on-court instruction.

In his first two years at Miami, Freeman helped lead the Hurricanes to two straight winning seasons and its second post-season appearance in the last three yearss. Known as a strong recruiter Freeman's 1996-recruiting class was ranked as high as seventh nationally.

A Proven Veteran

Freeman brings a wealth of experience with him to Coral Gables. The 38-year old native from Washington, D.C. is beginning his 15th season in the collegiate coaching ranks. In addition to nine seasons as an assistant, Freeman served as the head coach at Marshall University from 1990-94 where his teams recorded a 46-65 overall record. Freeman was Marshall's youngest head coach and the youngest head coach in the Southern Conference when he was appointed to the position at the age of 31.

He posted one winning season (16-11 in 1992-93) and one .500 season (14-14 in 1990-91) while guiding the Thundering Herd. In his first season at the helm, he led the Thundering Herd to an upset victory over 13th-ranked East Tennessee State and an emotional triumph over state rival West Virginia. Two years later he guided the Thundering Herd to a 16-11 record, the school's best finish in five years.

Climbing The Ladder

Freeman began his coaching career as an assistant coach at Moberly Junior College in Missouri during the 1983-84 season. He followed that with stints at Hutchinson Junior College in Kansas (1984-85), Delaware State University (1985-88), Colgate University (1988-89) and one year as an assistant to Dana Altman at Marshall (1989-90) before replacing him as head coach when Altman left to take the head coaching job at Kansas State.

As a student-athlete, Freeman played one season at Southeast Community College in Nebraska, two seasons at Southern Methodist University in Dallas and concluded his career with one season at Western State College in Colorado. Prior to college, Freeman was a three-year letterwinner in basketball and played baseball at Anacostia High School in Washington, D.C.

He received his bachelor's degree in marketing and management from Western State College in 1982.

Freeman and his wife, Angela, have a eight-year old son, Darrian, and a six-year old daughter, Morgan.

Assistant Coach Stan Jones

Assistant Coach Stan Jones
3rd Year at Miami

A Great Reputation

Beginning his third season as a member of the Hurricane coaching staff, Stan Jones has earned the reputation as one of the outstanding up and coming coaches in the country. Jones is a great teacher with an excellent feel for the game. He is responsible for on-court instruction, scouting and serves as the director of the UM Summer Basketball Camp.

Jones also serves as the shooting coach for the Hurricanes where he has made an immediate impact. In 1995-96, his first season with Miami, Jones helped UM to its highest shooting percentage (.423) since the 1992-93 campaign. Additionally, the 'Canes enjoyed their largest single-season improvement (+.022) since the 1987-88 campaign (+.039).

Last season Miami improved its free throw percentage from .629 in 1995-96 to .647 in 1996-97 as the Hurricanes saw several players make dramatic improvements. Under Jones' guidance Kevin Norris improved his percentage from .721 in 1995-96 to .879 last season, Nick Donovan went from shooting .400 from the line in 1995-96 to .750 in 1996-97, and Tim James jumped from .541 to .608 last year.

A Proven Winner

Jones, arrived at UM after a 14-year coaching career on the high school level where he compiled an overall record of 353-91 (.795) and captured four state championships. Additionally, Jones was a five-time coach of the year recipient and had 16 former players go on to play at the collegiate level.

Jones, who averaged more than 25 wins per season, began his coaching career at First Christian Academy in Memphis, TN in July of 1981. In nine seasons he amassed a 212-63 (.771) record and led his squad to a pair of state and district championships and five conference crowns. Jones was tabbed the Mississippi Private Schools District Coach of the Year by the coaches association three consecutive seasons (1986-87 to 1988-89), *The Commercial Appeal* Best of the Preps Class A Coach of the Year in 1990 and served as the state all-star team coach for the 1986-87 and 1988-89 campaigns. In 1989 he was listed in the Who's Who of American High School Basketball Coaches.

After his successful tenure at First Christian Academy, Jones accepted the head coaching position at Jackson Academy in Jackson, MS in June of 1990. At Jackson Academy he recorded a 141-28 (.834) record in his five seasons. His teams won three South State AAA championships and two state championships. Jones was named the Mississippi Coach of the Year in each of his last two years and coached the state's all-star team during the 1993-94 season.

Jones worked at the renowned Five-Star Camp nine of the previous 10 years before joining the UM staff and coached numerous AAU squads. He led his under-17 AAU squad to a state championship in 1995 and a trip to the AAU National Tournament in Winston-Salem, NC. In 1994 he guided his under 16-AAU team to a state championship.

A Published Author

A true student of the game, Jones has had five published writings in various coaching magazines dealing with the principles of the 1-4 zone offense, man-to-man offense and improving team free throw percentage.

Jones earned a bachelor of science degree in physical education from Memphis State University in 1984. He received his master's of education degree in physical education with an emphasis in athletic administration in August of 1990. He landed the head coaching job at Lincoln Land Community College in Springfield, IL in 1988 and after three successful seasons he took over the reigns at Wabash Valley College (IL) in 1991. The University of Miami
Someting for Everyone

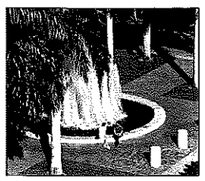

The University of Miami is the largest independent teaching and research university in the Southeast and, opened in 1926, is among the nation's youngest.

In The Heart Of Coral Gables

The Coral Gables campus, 10 miles from Miami, is the site of most of the University's undergraduate and graduate programs. The University also operates a medical center in downtown Miami, a world renowned marine and atmospheric science school on Virginia Key in Biscayne Bay and a bio-medical research and development center on its South Campus.

Following goals established in its nationally acclaimed strategic plan, the University of Miami recently completed a five-year fund raising campaign that raised $517.5 million for endowment, facilities and equipment. In 1996, the fundraising program set a new standard, raising a record-breaking $70.9 million in gifts. The University is now ranked 20th among all private universities in the country in private support.

A Diverse Student Body

Enrollment at the University of Miami has grown from a few hundred when classes were held in a remodeled Coral Gables Hotel to 13,677 credit-seeking students including 8,377 undergraduate, 3,206 graduate, 1,502 law and 592 medical students. Representing all U.S. states and 141 foreign countries, the student body is composed of 57 percent Florida residents, 33 percent from other states, and 9 percent foreign nationals.

Something For Everyone

The University offers more than 100 undergraduate and 142 graduate degree programs through schools of Architecture, Business Administration, Communication, Continuing Studies, Education, International Studies, Law, Marine and Atmospheric Sciences, Medicine, Music, Nursing, the Graduate School, and colleges of Arts and Sciences and Engineering.

Offering The Best

The Rosenstiel School of Marine and Atmospheric Science is recognized as one of the top three marine science schools in the country. The University offers graduate as well as undergraduate degree programs in marine affairs and marine sciences.

Top-Notch Medical School

Established in 1952 as Florida's first medical school, the University of Miami School of Medicine is the hub of the UM/Jackson Memorial Medical Center, the second largest such complex in the country and one of the hemisphere's major centers for teaching, research, diagnosis and patient care. The hospital was recently ranked the best in medicine based on peer review by 300 physicians across the country.

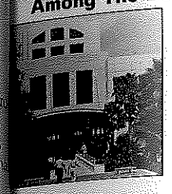

Where tomorrow's leaders come to learn and grow

Innovative Research Facilities

In addition to schools and colleges, many institutes, centers and interdisciplinary units attract national recognition for research and other programs. Among them are: Bascom Palmer Eye Institute, Innovation and Entrepreneurship Institute, Institute for Molecular and Cellular Evolution, Institute of Soviet and East European Studies, Law and Economics Center, Miami Project to Cure Paralysis, Mailman Center for Child Development, and the North-South Center.

Among The Best in Research

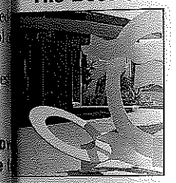

As it has for more than a decade, the University ranks among the top three percent of 2,600 universities and colleges receiving federal research and development grants. During the 1996-97 academic year, the faculty were awarded more than $214.1 million in separately budgeted grants and contracts from federal, state, local and private sources.

In addition to basic research in science, medicine, engineering and social sciences, current projects cover a wide spectrum of global concerns including climatology, oceanography, population and resource studies, spinal cord injuries, diabetes, AIDS, cancer, productivity, technology transfer and international relations.

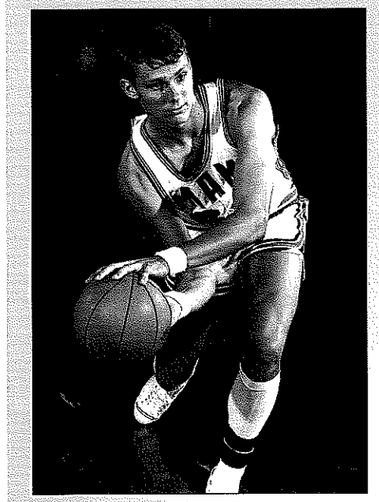

The Best Of All Worlds

A crossroads where cultures and commerce of Latin America, the Caribbean, Europe, Asia and North America merge, the greater Miami area is one of the most dynamic regions of the country. Coral Gables hosts hemispheric headquarters for many multi-national corporations but maintains the Mediterranean charm envisioned by George Merrick, the city and University founder, 70 years ago.

While Miami's athletic successes are well documented, the University's commitment to academics is second to none. Hurricane athletes have a wealth of resources and programs available to them as they work toward their degrees.

In striving to meet the challenges facing the student-athletes in today's complex society, the University of Miami Athletic Department along with UM's Developmental Services Center has established a unique academic support program that serves to enhance the life of the student-athlete. This cooperative effort reflects the commitment of the entire university to the complete development of the student-athlete.

Linda Saumell, assistant athletic director for academic/student services, administers the academic support and student services programs, which are designed to prepare students for a career after athletics.

"We want to facilitate the true personal development of the student-athlete by establishing a strong fundamental background," said Saumell. "We provide support in helping them develop the balance between academics and athletics as well as proper time management and mental attitude."

The recent results have been very impressive. The overall graduation rate exceeds 60% and the success rate of the Hurricane basketball program has been at or near 100% since its rebirth in 1985.

In order to prepare athletes for life after graduation the University of Miami has instituted a Life Skills Program which helps student-athletes conquer the challenges of life after athletics. The program originally instituted by the NCAA in 1994, focuses on five commitments viewed as critical to personal growth: academic excellence; athletic excellence; personal development; service; and career development.

Few universities can match the success in both academics and athletics that Miami has achieved and through this commitment to excellence, UM student-athletes are properly prepared for life after athletics.

Top-Notch Medical Staff

The number one priority of the athletic department at the University of Miami is a commitment to its student-athletes both on and off the court. This commitment is constantly reinforced with the medical attention that is available to Hurricane student-athletes. UM's newly renovated and expanded training room, located in the Hecht Athletic Center, contains the most modern equipment available.

Computerized testing and a wide range of aerobic conditioning equipment is available to help design individual rehabilitation programs and help reduce the risk of re-injury. The training room also contains a state-of-the-art Biodex machine to aid athletes in their rehabilitation.

The University has assembled one of the finest medical staffs in the country. Team physician and orthopaedic surgeon Dr. John Uribe heads a team which includes 15 medical doctors who serve as consultants, five full-time trainers and 10 student-trainers.

Uribe, regarded as one of the finest physicians in the southeast, is the assistant physician for the Miami Dolphins and the Florida Marlins. Additionally, he and Dr. Keith Hechtman, another member of UM's medical team, serve as team physicians for both Florida International University and St. Thomas University. Hechtman, who specializes in orthopaedics, accompanied the Hurricanes on their exhibition tour of Israel in August of 1995.

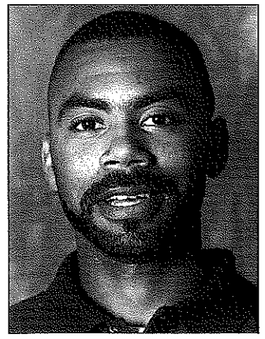

Hurricane athletes enjoy the luxury of having one of the nation's finest sports medicine facilities located right on campus. HealthSouth Doctors' Hospital features a full service health-care center specializing in sports medicine. The clinic provides preventative care, physicals, injury evaluations, special testing and referral to specialists. HealthSouth Doctors' Hospital possesses some of the most high-tech equipment in the nation and is available to treat Hurricane athletes.

The hospital includes a health and fitness center where they provide a wide range of services including nutrition counseling and cardiac rehabilitation all done with the exercise physiology department led by Dr. Jack Young, a member of UM's medical team.

Uribe and his colleagues at the sports medicine center are recognized as some of the finest in the field of sports medicine. Patients are often flown in throughout the east coast to be treated at HealthSouth Doctors' Hospital. Many doctors also fly in to learn sports medicine procedures and techniques from the hospital staff.

With all this medical expertise and equipment available to them, Hurricane athletes are among the best cared for in the nation.

Assistant trainer Carlton Anderson, in his first year with the Hurricane medical staff, works and travels with the Miami men's basketball team on a daily basis. Anderson, who received his Master's degree from UNC Charlotte in 1996, comes to Miami with extensive experience working as a trainer in collegiate and professional athletics.

Carlton Anderson, Asst. Athletic Trainer

Most recently, Anderson served as an athletic trainer with the Daytona Cubs, the Class A affiliate of the Chicago Cubs baseball team. He also was a trainer at Davidson University where he worked closely with the football and baseball squads. Additionally, Anderson served an athletic training internship with the Washington Redskins of the NFL during their 1996 training camp.

Anderson earned his bachelor's degree from the University of North Carolina in 1993.

Strength Training With the Best

Michael Bradley,
Basketball Strength Coach

A key element of the Miami basketball program is the strength and conditioning program which is designed for the specific needs of the athlete.

Michael Bradley, who joined the UM staff in September, has a bachelor's degree in chemistry from San Diego State University and a master's degree in chemistry from the University of California, Santa Barbara. He is also a member of the National Strength and Conditioning Association.

Prior to his arrival at UM, Bradley had served as an assistant strength coach at Southern Methodist University for two years, the University of South Carolina for one year and most recently he spent the previous 16 months at the United States Military Academy where he was directly responsible for training the men's basketball squad.

Under Bradley's direction, the program identifies six elements of fitness: strength training, cardiovascular conditioning, flexibility, nutrition, skill development and rest. Each element is addressed separately to insure complete development of all players.

"Getting a player stronger is not that difficult anymore," said Bradley. "The challenge and satisfaction are in the administration of the program. I believe that supervision and motivation determine the results of the conditioning program. Our system is different than others in that we do not give our players a workout to do. We put them through a workout. Consequently, we individually train our entire team. One coach instructs one player. Proper supervision ensures that the athlete is using correct technique, training at the proper intensity, and making progression in weight and repetition. Everything an athlete does is documented by the coach and stored in a computer."

The results are obvious as the Hurricanes enter the 1996-97 season stronger and healthier than ever before. Conditioning will be crucial as the Hurricanes compete in the always grueling BIG EAST Conference with some of the best athletes in the country.

"We draw a distinction between weight lifting and strength training," stated Bradley. "We are a basketball team, not a weight lifting team. The purpose of the strength and conditioning program is to prevent injuries and push back fatigue. The purpose of the conditioning program is not necessarily to develop 400-pound bench pressers. If a player has been blessed with the potential to do that, great, but we are just as concerned with the strength of his hamstrings, shoulder capsule and cardiovascular condition."

The Hurricane basketball squad receives additional assistance from Athletic Director Paul Dee who is committed to ensuring that the Hurricanes have the best equipment and facilities in their quest to excel. Head Strength Coach Dale Hulett also provides tremendous leadership and direction to the Hurricane strength and conditioning program.

No one cares more about conditioning than Leonard Hamilton who is one of the most progressive basketball coaches in the country with regards to strength training. It is his belief that strength training and conditioning is every bit as important as scrimmaging and watching film. Hamilton is committed to the health and development of his players. Along with Bradley, Hamilton will evaluate the strength and conditioning program by how the Hurricanes are doing in March. They realize that just as basketball skills must improve as the BIG EAST and NCAA Tournaments come around, so must the conditioning of their players.

"I determine the success of our conditioning program by our players attitude toward training," Bradley said. "They are a very motivated and intelligent group of young men. They take a great deal of pride in their conditioning. I look at the weight room as a part of a university education. Our players can apply fundamentals of conditioning and understand the subtleties of training. They can discuss both sides of controversial training issues and ask intelligent questions. I like to think of this as the only University of Miami class that you can take four years in a row. The things our athletes learn here will be applicable to life beyond Hurricane Basketball."

UM Athletes are Active in the Community

Rodger Bell
Asst. A.D./Community Service

Recognizing their positions as role models and community leaders, University of Miami student-athletes are extremely active in assisting with the development of the South Florida community.

During the 1996-97 school year, Hurricane basketball players will make personal appearances at numerous functions and will volunteer their time and efforts to many special projects including the "Join a Team, Not a Gang" campaign which is co-sponsored by the Metro-Dade Police and Florida Power and Light. Athletes and the children they reach are both touched by these experiences.

"It was a wonderful experience for the children to have positive role models to look up to when the athletes visited," said teacher Joyce Castro of Fairchild Elementary, after some student-athletes visited her classroom. "They are able to reach out to these children and make a difference."

"I enjoy spending time with the children and giving them a positive male role model," said Tim JAmes, who is very active in the Miami community. James believes in making a difference for the area youth and giving them someone to look up to.

"Student-athlete appearances are good for the community, the University and the athletes themselves. It's a win-win situation for eveyone involved," said Roger Bell, UM's assistant athletic director for community relations.

Bell coordinates the appearances, which include visits to schools, hospitals and special projects. In July the UM men's basketball team and coaching staff ran a free clinic for children from Charles Drew Elementary School as part of their "I Have A Dream" program. In addition to drills and tips the Hurricanes spoke to the youngsters about the power of positive choices.

"You never know what type of effect you have on youngsters," stated UM head coach Leonard Hamilton. "Every little bit helps though and hopefully you will make a difference in a young person's life. We don't do this because we want recognition, we contribute to the community because it's the right thing to do."

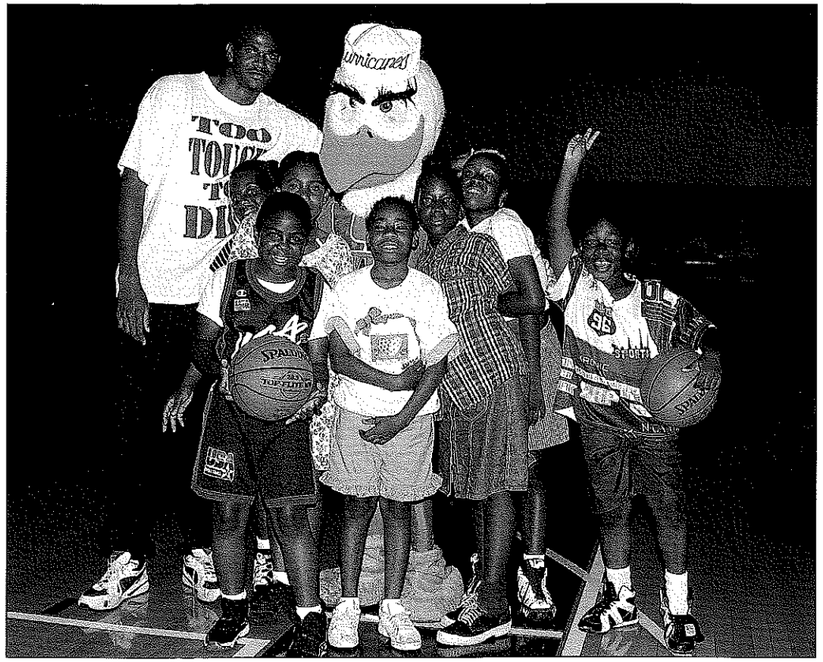

Miami players also speak to children on such topics as self-esteem, motivation, goal setting, staying in school, saying no to drugs, anti-smoking and crime prevention.

"The kids loved interacting with the student-athletes, and it was a good experience for my students to provide instruction in that type of atmosphere," said Dr. Robert Gropper, who teaches a class at Miami that gets the athletes to interact with students at local elementary schools.

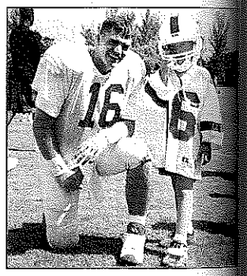

Bell also oversees programs designed to prepare Miami's student-athletes for their futures through events like "Career Day". On this day, Bell and the academic staff arrange for many prominent business leaders, in the areas of interest to the students to speak about their businesses and the skills needed to embark in their particular fields.

All these programs are designed to meet the special needs and experiences available to allow Miami's student-athletes to give back to the community.

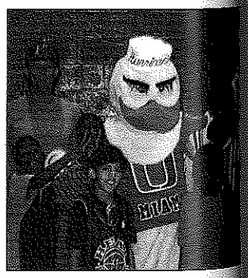

The program has been such a success, that anyone interested in scheduling appearances should contact Roger Bell at (305) 284-4609.

Hurricane Warnings

Traditions are Part of the Fun at Miami

The Hurricanes

It began in controversy. Some reports say that the '27 football team held a meeting to select the nickname Hurricanes, hoping they would sweep away opponents just as the devastating storm did on September 16, 1926. Another version holds that the *Miami News* columnist Jack Bell asked end Porter Norris in 1926 what the team should be called. Told that local University dignitaries and officials wanted to name the team for a local flora or fauna, Norris said the players wouldn't stand for it and suggested "Hurricanes" since the opening game had been postponed by such a storm. From time to time, opposition has arisen to the name that would "reinforce Miami's negative reputation as a weather-beaten community living constantly under the threat of destruction. "But as one UM official rationalized in the 60's, "Does anyone think Chicago is overrun by bears just because the town has a football team by that name?"

The U

In 1973, the UM Athletic Federation commissioned a local public relations expert to develop a distinctive logo.

In color, the left side is orange and the right is green.

School Colors

The school colors were selected in 1926 by a committee of Ruth Bryan Owens (daughter of famed attorney William Jennings Bryan), Harry Provin and Bertha Foster. Owens was a member of the board of regents and taught speech at the University. From her suggestion, the colors of the Florida orange tree were to represent UM – orange for the fruit itself, green for the leaves and white for the blossom.

Sebastian the Ibis

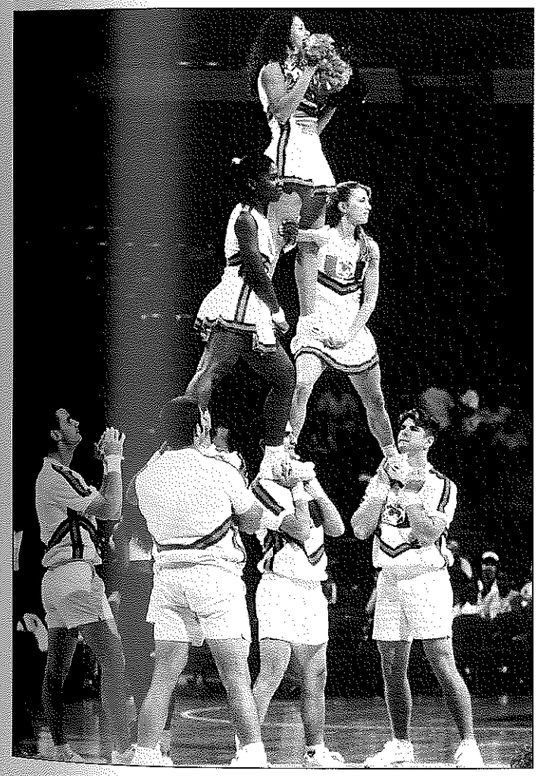

UM's yearbook adopted the name "Ibis" with its inception in 1926, and the local marsh bird was considered UM's first unofficial mascot. In 1958, student John Stormont performed at games in a glued, sewn and pinned together costume that was the forerunner of today's bird. Folklore has it that the Ibis, a symbol of knowledge found in the Everglades and Egypt, is the last sign of wildlife to take shelter before a hurricane and the first to reappear.

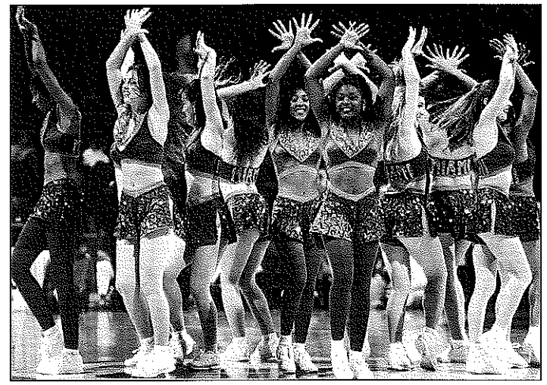

Cheerleaders

The cheerleaders perform at all home contests and The BIG EAST Tournament as well as all home and away football games. The squad also provides a valuable public relations function for the University by promoting season ticket sales, participating in recruiting events and appearing at many charity functions. The squad, which has travelled to both Japan and Europe, is under the direction of Coach Dan Reynolds and has been nationally ranked on a consistent basis.

Sunsations

Now in their tenth year of entertaining Hurricane fans, the Sunsations dance group is a squad of enthusiastic and talented performers developed specifically for basketball events. They perform at all home basketball and football games. The squad is coached by former member Natalie Latronico and has received national recognition.

Shorts in the wintertime? You bet! Located in the tropics, Miami boasts an average daily temperature of 84 degrees. With three hundred sunshine filled days a year, there is never a shortage of

time to absorb this beautiful city's natural treasures. Eighty-four miles of Atlantic coastline, wonderfully pristine beaches and more than 670 parks are here to enjoy almost every day of the year. There's no need for winter coats here!

Something for Everyone

If the warm weather and nature are not your scene, don't worry. Miami has something for everyone. Often called the city of the future, Miami's dramatic skyscrapers, ultra-modern hotels and international financial district reflect the developing dynamics of Miami's core. Known as one of America's premier international destinations, its dramatic cultural diversity, thriving economy and cosmopolitan flair are apparent throughout its distinctive neighborhoods, which offer a diversity of entertainment.

Perfect Weather for Sports

South Florida's mild climate year round makes it possible to enjoy outdoor recreational activities every month, and what a choice there is. Everything from golfing on some of the PGA's finest courses to scuba diving on some of the most beautiful reefs in the Atlantic is available in South Florida.

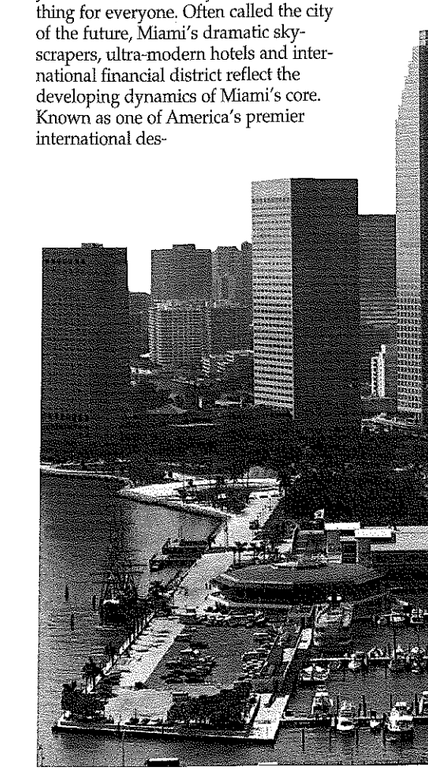

South Florida is one of only eight cities in the U.S. with a pro franchise each of the four major sports. The NFL's AFC East Dolphins thrill fans every season at Pro Player Stadium. This sports complex hosted the 1995 Super Bowl and is home to one of the newest additions to Major League Baseball, the National League's Florida Marlins. At the Miami Arena, the Hurricanes and the National Basketball Association's Miami Heat offer fast-paced action. The arena is also home to the National Hockey League's Florida Panthers. Another popular sporting event is the Miami Grand Prix in which many racing enthusiasts from all over the country flock to Miami every year to watch.

Cultural Events All Year

Finally, Miami's tranquility is most visible at its frequent outdoor celebrations and festivals. Conch fritters, arroz con pollo, soul food and bagels. Salsa, polka, jazz, jig and rumba. Bagpipes, castanets, cowbells and steel drums play the melodies of distinct cultures.

Not a month passes that the people of this wonderful city are not celebrating their cultural and ethnic diversity. Whether it's a reggae fest, Little Havana's Calle Ocho, the Sunstreet Festival or a film and book festival, it all happens here.

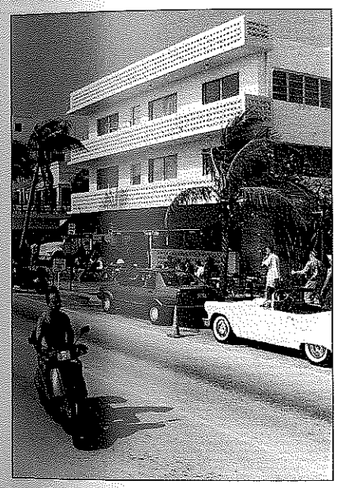

Shopping Extravaganza

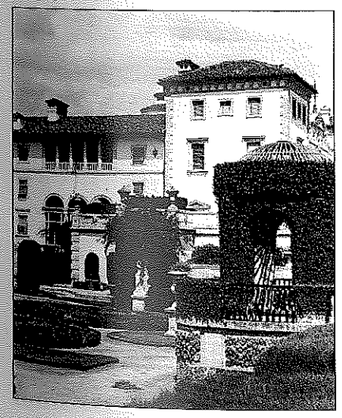

Now if shopping is your thing, bring your wallet and a good pair of walking shoes because the weather is the only thing better than the shopping in Miami.

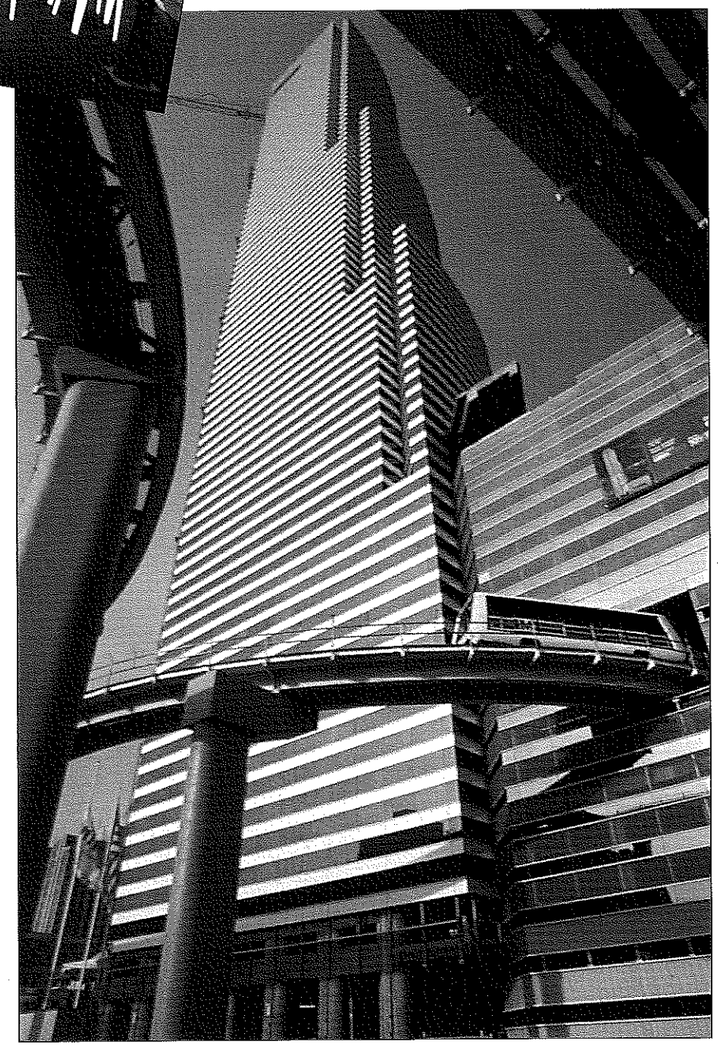

From flamboyant to the hip to the tailored, Greater Miami and the Beaches deserves an Oscar for best drama. From Aventura Mall with its more than 200 stores in the northeast corner of the county all the way to Dadeland Mall with more than 175 speciality shops, there are neighborhood shopping areas stretched along causeways, tucked around unexpected corners and plunked on city blocks just a few hundred feet shy of major thoroughfares. It's a shopper's Eden.

Miami's Got It

So, whether it's shorts or a bathing suit, Miami's got the perfect weather all year long for you to enjoy your favorite past times!

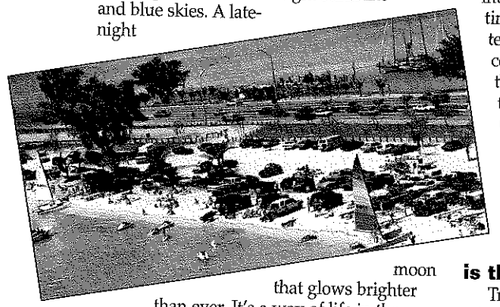

Living in a Tropical Paradise
Miami Got It All

Miami is suntans in December and warm breezes in March. The ocean. Palm trees swaying. The beaches. Bright sunshine and blue skies. A late-night

moon that glows brighter than ever. It's a way of life in the tropical heart of the United States. It's a pride in the city, it's sunsets and salty air. With limitless outdoor activities and international flavor, Miami welcomes all to its shores. You'll find a special place in the sun with a lifestyle as vibrant and endless as the neighboring ocean.

Coconut Grove has Fun Nearby

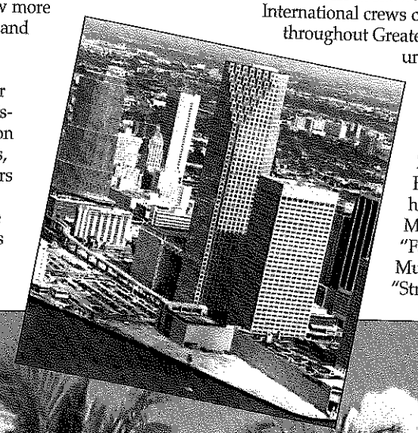

Just a short ten minute drive from the University campus, lies one of Miami's original pioneer settlements, Coconut Grove, which has evolved from a beatnik community into an upscale night life and shopping destination. Transplanted intellectuals, jet setters, artists, craftsmen and professionals converge to create an electric atmosphere that is the essence of the Grove. Located in the center of this carefree neighborhood is Coco Walk, the Grove's open-air retail and entertainment complex with shops, outdoor cafes, trendy nightclubs and a multi-screen theater, all in a European village setting.

South Beach is the New Riviera

Travel a few more minutes north and you hit world famous Miami Beach and your chance to be discovered. Fashion models, writers, movie producers and famous entertainers are the new players in Miami Beach's renaissance. Miami Beach is a community on the move with stars like Gloria Estefan, Madonna, Sylvester Stallone and many more calling it home.

Renovated Art Deco buildings and hotels host international restaurants, open-air cafes and trendy nightclubs. Throughout this Atlantic coastline community, the restaurants feature a traditional South Florida favorite, stone crabs, and also turn out succulent rack of lamb, spicy international favorites and richly sauced pasta dishes.

In the past few years, images of "SoBe" (the SoHo of the south as South Beach is often called) have filled fashion magazines, films, and television shows from all over the world. International crews can be found filming throughout Greater Miami from dawn until dusk. Such recent films as "True Lies", "Ace Ventura, Pet Detective", "The Specialist", "Drop Zone" and "The Perez Family" were filmed here. Feature films shot in Miami this year include "Fair Game", "Two Much", "The Substitute", "Striptease", "Up Close and Personal", "Blood and Wine" and "Birds of a Feather". You just never know who you'll run into on South Beach.

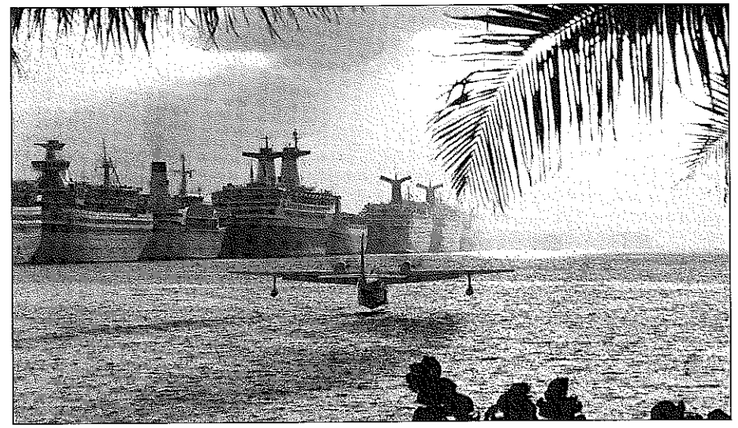

Coral Gables is the "City Beautiful"

The campus itself is located in quite beautiful Coral Gables. Founded by George Merrick 67 years ago, this "City Beautiful" hosts hemispheric headquarters for many multi-national corporations. The city's central boulevard is the famed Miracle Mile. It is here where residents and students enjoy some of the region's finest boutiques, gourmet restaurants and art galleries. In addition to its urban amenities, Coral Gables is distinguished by its natural terrain. Gracing 83 acres of the area's prime land is Fairchild Tropic Gardens, one of the largest tropical gardens in the continental United States. To the north lies the Venetian Pool. Often called the world's most beautiful swimming lagoon, it is surrounded by caves, cascading waterfalls and natural arched bridges.

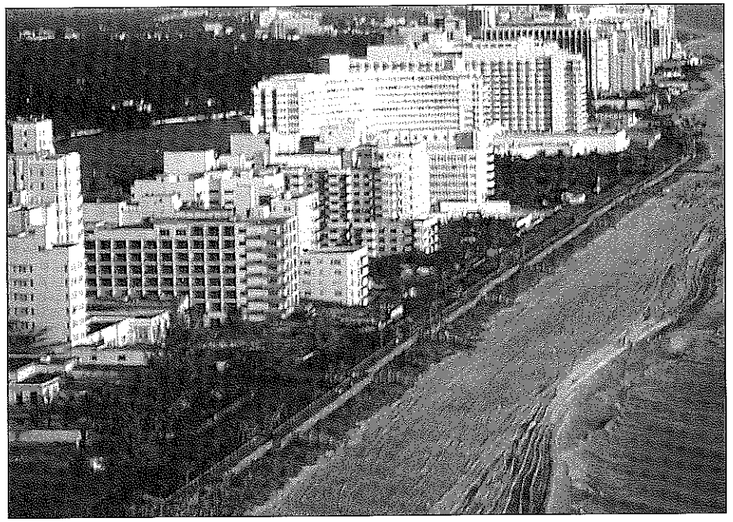

Key Biscayne Offers Natural Fun

Once a coconut plantation, Key Biscayne maintains a natural beauty rare for an area in such close proximity to an urban center. The allure of this subtropical island lies in its beaches, distinctive accomodations and recreational diversions. The sweeping curve of Rickenbacker Causeway, the Key's link to the mainland, cradles Hobie Beach, a popular public playground for windsurfers.

Over Bear Cut Bridge lies Key Biscayne itself, a haven for sports enthusiasts and sun worshippers. Three miles of sandy beaches, one of the country's finest public 18-hole golf courses and courts holding world-class tennis tournaments like the Lipton, symbols of the island's first-class resort status, are located in the 500-acre Crandon Park area.

South Florida is Sports Crazy

Miami may be best known for its lovely climate and beautiful beaches, but in recent years the city has taken its place as one of the world's greatest sports destinations. No matter what the sport, no matter what the time of year, there is never a dull moment. Miami has something for everyone. It is truly a sports fan's paradise.

Hurricanes Began the Trend

Leading the charge is the University of Miami which has set a high standard of excellence beginning with its inaugural football season in 1926. Since 1937 UM has played its home football games at the world famous Orange Bowl. This historic site has played host to 61 New Year's Day Bowl games and eight of the last 13 national championship games, including three of the University of Miami's four titles in 1983, 1987, and 1991. This past summer the Orange Bowl added the Olympics to its impressive resume as it was one of the soccer venues for the Centennial Olympic Games.

College athletics have set the standard and professional sports are keeping up the tradition. Miami is one of only eight U.S. cities that can boast a professional franchise from each of the four major sports leagues.

A Mecca for Pro Sports

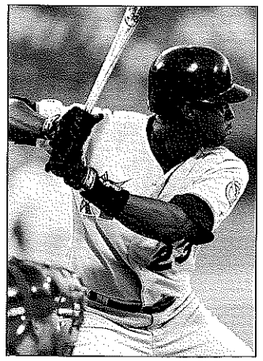

The NFL Miami Dolphins, led by head coach Jimmy Johnson, thrill fans every season at Pro Player Stadium. This sports complex has played host to two Super Bowls. Pro Player Stadium is also the home of the 1997 World Series Champion Florida Marlins.

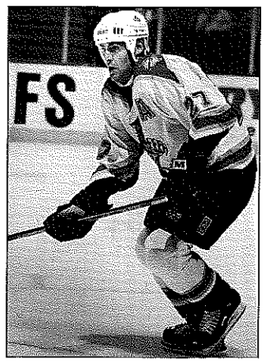

The NBA Miami Heat, led by head coach Pat Riley and all-star center Alonzo Mourning, and the Miami Hurricanes offer basketball fans fast-paced action during the winter at the Miami Arena. The Hueat and Hurricanes spend most of the summer working out together. The Arena is also home to the NHL Florida Panthers, who advanced to the Stanley Cup finals in just their third year of existance. In March of 1994 the University of Miami hosted the NCAA Men's Basketball Tournament East Regional at the Miami Arena. Other events such as professional wrestling and professional world figure skating are often scheduled there.

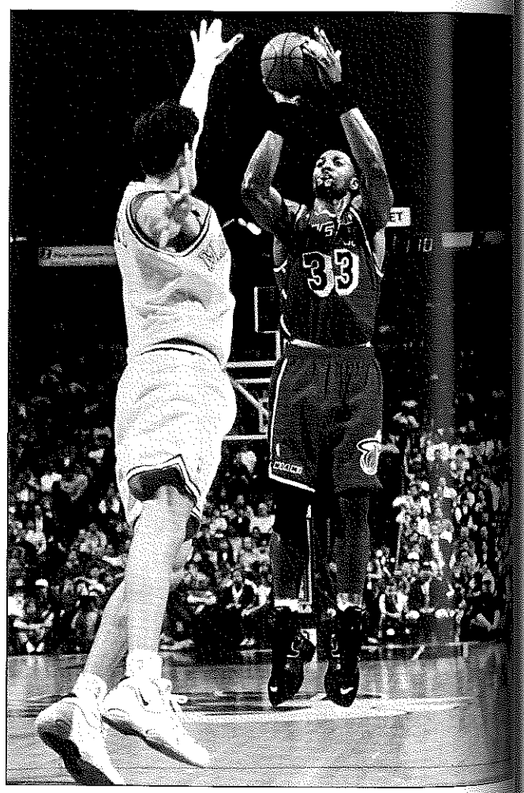

International Sporting Events

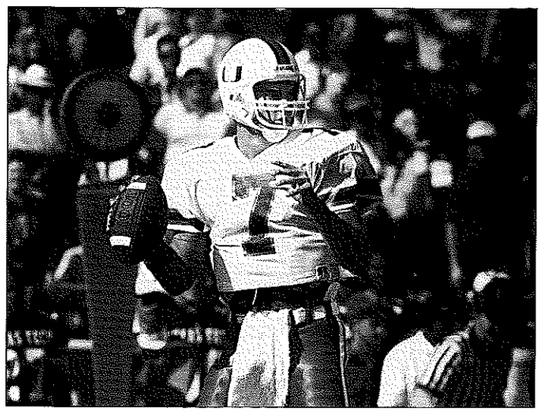

Downtown Miami isn't the only place to catch great sports action. Miami's beaches host an impressive array of sports venues. The Homestead Sports Complex is the host site of the national Olympic baseball trials and on Key Biscayne the International Tennis Center is home to the Lipton Players Championships. Greater Miami and the beaches are also the site of the Doral-Ryder Open and the Royal Caribbean Classic, two of the PGA's top tournaments, as well as the Miami Grand Prix, one of the premier events on the International Motor Sports Association's circuit.

Greater Miami and the beaches have become a hot bed of sports. Fast-paced Big League action, thrilling championship tournaments and motor sports combined with spectacular year round weather make Miami a world-class sports mecca. Even the most demanding sports enthusiasts will find Miami a perfect place.

There's No Place Like Home
'Canes Play in NBA Arena

For the tenth consecutive year the Miami Hurricanes will call the Miami Arena home. This beautiful $56 million state-of-the-art facility, which was the site of the 1994 NCAA Tournament East Regional, contains 15,508 fully upholstered seats for college basketball and 16 luxury boxes. The Miami Arena hosts approximately 150 events annually and has welcomed more than 10 million spectators since opening in 1988.

Where the Stars Take Center Court

In addition to serving as host for UM men's basketball games, the Miami Arena is one of only 11 arenas in the United States to be home to franchises from both the National Basketball Association and the National Hockey League.

Hurricanes Enjoy Home Advantage

During their previous nine seasons in the Miami Arena, the Hurricanes have compiled a 85-53 record. Included among the 85 wins are victories over defending national champion and No. 16-ranked Kansas in January of 1989, an 11-point victory over 10th-ranked Georgetown in January of 1993, a win over 13th-ranked Georgetown in February of 1995 and a victory over 11th-ranked Syracuse, the eventual NCAA Tournament runner-up, in January of 1996. The resounding victory over the Hoyas in 1993 marks the highest-ranked opponent the 'Canes have defeated since the rebirth of the program.

The Miami Arena is truly a community center which genuinely reflects the cultural, economic and civic diversity of South Florida. In addition to professional and collegiate sports, the Arena frequently hosts major concerts and family shows from Gloria Estefan to Disney On Ice.

The RYDER Center

March 6, 1995. That date will go down as one of the biggest days in University of Miami basketball history and the Hurricanes did not even play a game. That was the day University of Miami President Edward T. Foote II and M. Anthony Burns, Chairman, President and Chief Executive Officer of Ryder System, Inc. announced that Ryder System, Inc. had committed approximately $9 million to the development of The RYDER Center, an on-campus, multipurpose facility that will become the home of University of Miami basketball.

The commitment from Ryder System, Inc. is one of the top 10 gifts in the history of the University and enabled Miami to move forward and begin planning for additional fundraising, and design and construction for the facility.

Many basketball experts feel a new on-campus facility is all Miami needs to turn the rising Hurricane program into one of the finest in the nation. Only three of the 13 schools in The BIG EAST Conference (Syracuse-33,000; West Virginia-14,000; Notre Dame-11,418) will have an on-campus arena which will seat more than the 9,000 fans that The RYDER Center will accommodate.

"The RYDER Center will be a tremendous boost and guarantee us continued success."

—Leonard Hamilton

The Hurricanes are currently one of the few major Division I athletic programs in the nation that plays both basketball and football games off campus. The state-of-the-art RYDER Center will be built on the commercial side of campus, convenient to the Metro Rail, UM's new parking garage, student residences and current athletic facilities.

Many University events are currently held outdoors or off campus. The RYDER Center will provide the University of Miami and the South Florida community with new opportunities to present major indoor events while upgrading the current facilities to improve the quality of education for students.

"Having a company like Ryder make such a wonderful commitment to our University and program shows the amount of support there is for the University and its athletic department," said head men's basketball coach Leonard Hamilton. "The RYDER Center will be a tremendous boast and guarantee us continued success. We are happy to have a home on campus and appreciate the support of Ryder and everyone who will make this possible."

When completed, The RYDER Center will provide an abundance of opportunities, ranging from academic and athletic to campus and community. The list of possible events includes: NCAA Division I men's and women's basketball games, area high school basketball championships, commencement, orientation, convocation, lectures, conferences, theatrical productions, student government activities, alumni social events, class reunions, employment fairs and career days, cultural events and town meetings.

The RYDER Center will become the focal point of the U athletic department and the en University.

"The close relationship between Ryder and the University of Miami goes back many years. As we look ahead the RYDER Center will be a reminder of the relationship between our two organizations but Ryder's support represents much more," said Mr. Burns. "The RYDER Center will be th largest such facility in South Dade. Beyond its obvious contr bution to the University's athle program, the Center will be us for a variety of campus activiti and conferences, and will also provide the community with a much-needed facility for a vari of other purposes."

The University of Miami wa founded in 1926 and Ryder System, Inc. was established in Miami in 1933. Over the years the two institutions have devel oped a close relationship and grown together for the betterm of the South Florida community

What they are saying about The RYDER Center

"We are greatful for this splendid gift. A campus convocation center has been a dream here for a long time. Ryder's generosity brings that dream much closer to reality. On behalf of the University, I express my deep appreciation to Tony Burns, one of our Trustees, and our other friends at Ryder."

—Edward T. Foote II, University of Miami President

"Ryder has given the University and its athletic department a tremendous boost with this generous gift, and we are extremely grateful. It enables us to begin development of The RYDER Center. As we go forward, we are going to need the help and support of our fans, alumni and boosters."

—Paul Dee, University of Miami Athletic Director

"I think it is terrific that Ryder is supporting Miami basketball. Leonard Hamilton and the Miami administration have done a great job of raising the level of the basketball program. Obviously, this announcement will help the Hurricanes reach even greater heights."

—Michael Tranghese, Commissioner of The BIG EAST Conference

"Having a company like Ryder make such a wonderful commitment to our University and program shows the amount of support there is for the University and its athletic department. The RYDER Center will be a tremendous boost and guarantee us continued success. We are happy to have a home on campus and appreciate the support of Ryder and everyone who will make this possible."

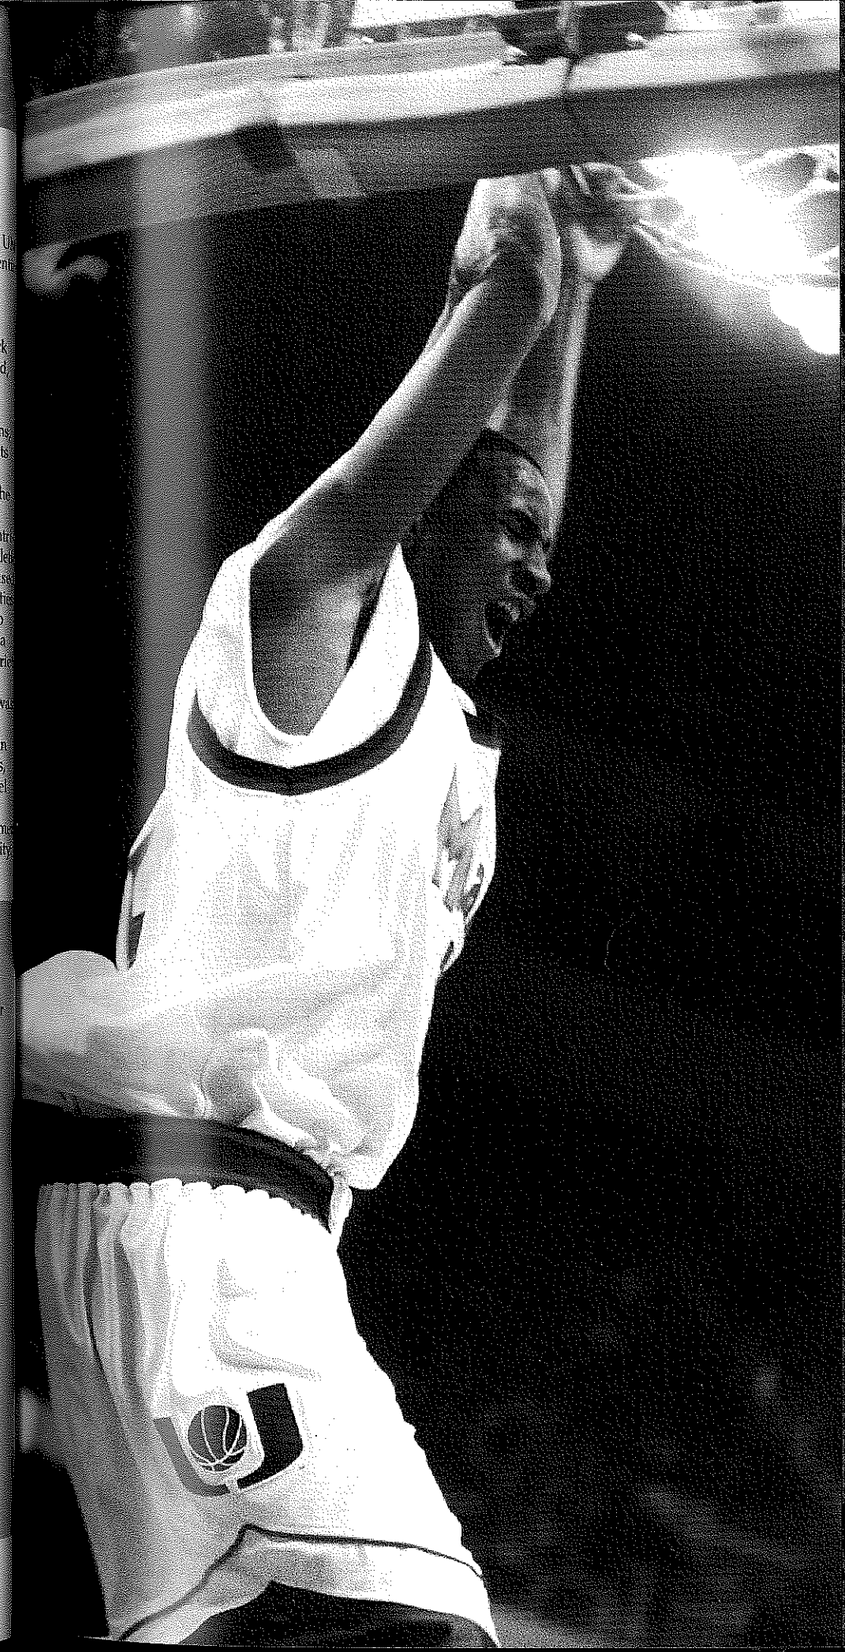

—Leonard Hamilton, Head Men's Basketball Coach at the University of Miami

"The RYDER Center is the last piece of the puzzle we need to make Miami basketball among the best in the nation. We thank Ryder because it is with their generous support combined with the unending efforts of President Foote, the UM administration and Paul Dee that our dream of a state-of-the-art, on-campus facility has come true."

—Ferne Labati, Head Women's Basketball Coach at the University of Miami

"In 27 years of association with the University of Miami, first as a student and now as a member of the Board of Trustees, I have never been more excited about any announcement than I am about this gift from Ryder. It enables the University to move toward the long needed creation of a multipurpose facility where all the University's family and friends of the community can come together as one on campus."

—Ron Stone, University of Miami Board of Trustee Member Chairman, Athletic Advisory Committee

The BIG EAST Conference

Michael Tranghese
Commissioner

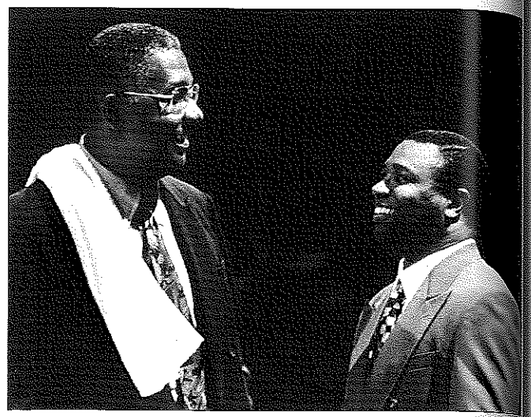

The BIG EAST Conference begins its third year with 13 members in 1997-98.

The league was an active participant in the first half of this decade when realignment amongst the major conferences seemed like a regular occurrence after decades of little change.

The BIG EAST added the University of Miami in 1990 and Rutgers University, West Virginia University, and the University of Notre Dame in 1994. The wave of changing league affiliations has slowed, however, and the BIG EAST has returned to receiving attention for the accomplishments of its student-athletes on the athletic playing fields and in the classroom.

During the 1996-97 season, the St. John's men's soccer team won its first NCAA title and six BIG EAST track & field athletes and one relay team won individual NCAA titles. Notre Dame's women's basketball team made its first Final Four appearance in 1997. The Providence women's cross country team won the 1995 NCAA Championship, breaking Villanova's record six-year hold on the title. Notre Dame captured the '95 NCAA women's soccer crown and was runner-up in '96. The BIG EAST placed men's and women's basketball teams in the Final Four in the '95-96 season.

Individually, the BIG EAST again could boast that some of its best students were also some of its best athletes. For example,

BIG EAST teams are led by some of the best coaches in the nation. Here UM's Leonard Hamilton and Georgetown's John Thompson talk before their teams tip off.

Notre Dame men's basketball standout Pat Garrity was named the 1996-97 BIG EAST Player of the Year and was a GTE First Team Academic All-American.

Since the date of its birth, May 31, 1979, The BIG EAST Conference has always pledged to be a proactive - rather than reactive - group. That credo may never have been more in evidence than in 1994 when the league added Rutgers, West Virginia and Notre Dame as full conference members in two separate expansions. In March of '94, the BIG EAST added Rutgers and West Virginia as full time members. Both schools, which boast wide-ranging, successful athletic programs, had been members of The BIG EAST Football Conference. In July, the BIG EAST, then a group of 12, added Notre Dame, one of the nation's most prestigious private institutions.

While the membership has increased, the focus of the BIG EAST remains unchanged. It is a group that reflects a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The BIG EAST Conference has enjoyed a leadership role nationally. Its student-athletes own significantly high graduation rates and their record of scholastic achievement notably reflects a balance between intercollegiate athletics and academics.

Any successful consortium enjoys outstanding leadership. Michael Tranghese, the league's first full time employee, and for 11 years the associate of Dave Gavitt, took over the Commissioner's reins in June, 1990, after Gavitt left to take a position with the Boston Celtics. The expansion in membership in the nineties is only a portion of Tranghese's achievements. In his first year at the helm, he administered the formation of The BIG EAST Football Conference. The University of Miami became the league's 10th full member on October 10, 1990. The largest private institution in the Southeast, Miami was a prized addition to a conference already noted for a successful co-existence of academics and athletics.

BIG EAST sports attract the interest of followers in the nation's largest media markets with New England, the New York metropolitan area, Washington, D.C., Pennsylvania and Florida. Innovative concepts in promotion and publicity, particularly regarding television, have resulted in unparalleled visibility for BIG EAST student-athletes. Exclusive long-range television contracts with CBS and ESPN, Inc. provide BIG EAST basketball with more television exposure than any other conference.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual BIG EAST Tournament Championship in Madison Square Garden, attendance figures also are significant at BIG EAST soccer, women's basketball and baseball games.

More than 350 BIG EAST athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well-represented in U.S. or foreign national and Olympic teams, with several athletes earning gold medals in the summer Olympiads in Atlanta in '96, Barcelona in '92, Seoul in '88 and Los Angeles in '84.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse Universities. Seton Hall, Connecticut and Boston College completed the original seven-school alliance. Further expansion included Villanova (1980-81), Pittsburgh (1982-83) and Miami (1991-92). Rutgers, West Virginia and Notre Dame began play in 1995-96.

The BIG EAST has its headquarters in Providence where the conference administers to over 5,000 athletes in 19 championship events.

Some feats of note since the inauguration of the league in 1979-80:

- 1996 NCAA men's soccer title by St. John's.
- NCAA women's soccer title by Notre Dame in 1995.
- NCAA women's cross country title by Providence in 1995.
- NCAA women's basketball title by Connecticut in 1995.

- An NCAA Women's College World Series appearance by Connecticut's 1993 softball team.
- An NCAA Woman of the Year award (Nnenna Lynch, Villanova, 1993).
- An NCAA record six straight national women's cross country titles by Villanova (1989-94).

The BIG EAST Conference

The BIG EAST Remains The Television Leader

The BIG EAST is still the most televised conference in the nation. The league has earned that label through its exposure on CBS, ESPN, espn2, NBC and its contract with ESPN Regional Television. CBS will show five conference games and five intersectional contests in 1997-98. ESPN will carry the BIG EAST in its regular Big Monday format and on other nights. espn2 will televise eight conference games and at least two non-league matchups. For the third straight year, the entire BIG EAST Tournament will be on ESPN and espn2.

TV Tidbits

BIG EAST SCHOOLS
are located in seven of the top 17 TV markets.

TV MARKETS
include one third of the nation's television homes.

NATIONAL EXPOSURE
the BIG EAST has exclusive multi-year contracts with CBS and ESPN.

CREATIVE SPORTS
produces primetime and weekend games for syndication.

THE MOST TELEVISED
96 percent of last year's BIG EAST games were televised.

In 1994, the BIG EAST assigned its non-network telecast rights to ESPN, Inc., and its subsidiary, Creative Sports. In 1997, Creative Sports changed its name to ESPN Regional Television. ESPN Regional again will produce a BIG EAST Game of the Week on weekend afternoons for stations throughout BIG EAST markets in addition to producing other games to local markets.

The BIG EAST has always earned high marks for its innovative approach to negotiating packages for the league's member schools. In 1985, it formed the BIG EAST Television Network which became a benchmark for regional television networks. It was the largest regional college basketball network in the country.

The conference was the first first to sign an exclusive agreement with a major network, CBS in 1985, and a national cable network, ESPN, also in 85.

The formative years of the BIG EAST were also the early times at ESPN. In 1979-80, the first season of play in the BIG EAST, ESPN began the Monday Night Game of the Week concept with the fledgling league.

The BIG EAST And ESPN Regional Television Virtually all BIG EAST conference games that will not be televised on a national outlet will be found on stations and cable outlets in every school's region. ESPN Regional Television, a subsidiary of ESPN, Inc., will produce and distribute a BIG EAST Game of the Week on Saturday and Sunday afternoons throughout BIG EAST markets.

The Game of the Week will reach almost 30 percent of the nation's television homes and have a total household reach of over 27 million. BIG EAST institutions are located in seven of the top 19 markets in the U.S.

In addition to the Game of the Week, ESPN Regional will produce other conference and non-conference games for local markets. Nearly all of the 117 conference games will be televised.

Every game offered by ESPN Regional Television will be distributed nationally by ESPN Full Court, the pay subscription college basketball outer market service, distributed by DIRECTV.

BIG EAST play-by-play talent will include Mike Gorman, Dave Sims, John Sanders and Gus Johnson. Some of the color analysts include Ron Perry, Jim Spanarkel, Mark Plansky and Bob Weltlich.

Mar. 13—Michigan 76, Miami 63

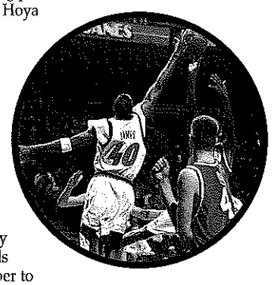

Maceo Baston poured in a team-high 19 points to lead four Wolverines in double figures as the University of Michigan defeated Miami 76-63 in the opening round of the National Invitation Tournament in Ann Arbor, Michigan. Senior Clifton Clark led Miami with a game-high 25 points.

Miami, making its second postseason appearance in three seasons, had trouble matching Michigan's athleticism as the Wolverines consistently got good looks at the basket. Michigan hit 28-of-47 (.596) from the field for the game including 17-of-27 (.630) in the second half. Miami entered the game ranked sixth in the nation in field goal percentage defense holding opponents to only 37.6 percent shooting.

Trailing 55-41 with 10:03 to play, Miami scored 11 of the next 13 points to cut the deficit to five (57-52) following two Lucas Barnes free throws at the 5:55 mark. But that would be as close as the Hurricanes would get as the Wolverines scored nine straight points to push the lead back to 14 points with 3:27 left.

Mar. 6—Georgetown 63, Miami 59:

For the third straight season and the fifth time in six years, Georgetown eliminated Miami from the BIG EAST Tournament with a 63-59 quarterfinal round victory before a crowd of 18,347 at Madison Square Garden. The Hoyas hit five of six free throw attempts in the final 20 seconds to ice the victory and improve to 20-8.

The game was tied at 7-7 in the opening half when the 'Canes scored 11 straight points to take an 18-7 lead with 12:42 left in the half. Three minutes later, trailing 22-13, West Virginia embarked on a 20-0 run and never led by fewer than nine points the remainder of the game. He hit one of two free throw attempts with 2:09 left to put Notre Dame ahead to stay and followed that with a layup at the 1:31 mark and a pair of free throws with 1:08 remaining. The Red Storm had just two field goals the final five minutes, but was 15-22 from the foul line during that period to ice the victory.

The loss extended Miami's losing streak to a season-high three games. The Hurricanes dropped to 15-9 overall and 9-7 in the BIG EAST. St. John's improved to 12-13 overall and 7-10 in the BIG EAST. The victory gave the Red Storm a sweep of the regular season series with the Hurricanes.

Feb. 15—Connecticut 72, Miami 52:

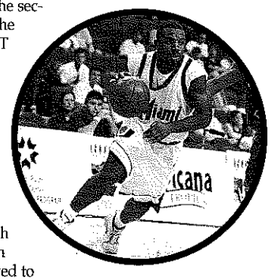

Less than a month after suffering a 23-point defeat at Miami, Connecticut responded with a 72-52 victory over the Hurricanes before a sellout crowd of 10,027 at the Harry A. Gampel Pavilion. Four Huskies scored in double figures led by Ricky Moore with 15 points. Rashamel Jones added 13 and freshman Jake Voskuhl and Richard Hamilton each tallied 12 points. The Huskies became just the third team this season to connect on at least half of the field goal attempts against UM. UConn was 28-55 (.509) from the floor and outrebounded the Hurricanes, 41-32. The victory snapped a school-record five-game home losing streak for the Huskies.

Three times in the second half Miami got as close as 11 points, the final time with 13:58 remaining (46-35), but UConn responded with a run of 17 unanswered points to finish off the Hurricanes. The Huskies improved to 14-9 overall and 7-7 in the BIG EAST.

Feb. 10—Miami 61, Seton Hall 51:

Defense was once again the key to victory as the Hurricanes recorded a 61-51 victory over Seton Hall at Continential Airlines Arena. Miami held Seton Hall to 27.6 percent (16-58) shooting from the floor for the game and 17.2 percent (5-29) in the second half. The 27.6 percent shooting for the game represents the worst any BIG EAST team has shot against UM and the 17.2 percent in the second half ties the UM BIG EAST record for best field goal percentage defense in a half of a BIG EAST game. The victory was UM's first at Seton Hall in six attempts since joining the BIG EAST. It was also Miami's ninth conference win and third on the road tying school records set during the 1994-95 season. UM, which reclaimed sole possession of first place in the BIG EAST 7 with the victory, improved to 15-6 overall and 9-4 in the BIG EAST.

UM took the lead for good when Clark hit a pair of free throws with 3:02 left in the opening half. Miami's lead reached as high as 11 points in the second half (52-41 with 8:41 remaining) and from that point on the Pirates never got closer than six points. Miami, which shot just 32.3 percent (20-62) from the floor, outrebounded the Pirates by a 55-38 margin and pulled down a season-high 22 offensive rebounds. The 55 rebounds set a UM BIG EAST single-game record for total rebounds.

Feb. 8—Miami 53, Rutgers 50:

Alex Fraser and Tim James each scored 11 points to lead the Hurricanes to a 53-50 over Rutgers in the Miami Arena. The victory was Miami's 10th in a row at home. The 'Canes, who won their sixth straight BIG EAST home game to set a school record, moved into a first place tie with Providence in the BIG EAST 7 division with identical 8-4 league records.

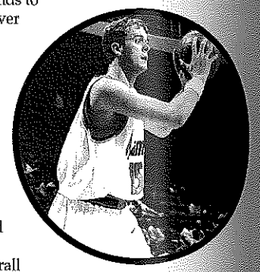

Rutgers, which had defeated UM six days earlier in New Jersey, dropped to 8-9 overall and 5-8 in BIG EAST play. The Scarlet Knights were led by the back-court duo of Geoff Billet (18 points and a career-high seven steals) and Earl Johnson (12 points, nine rebounds, six assists). Rutgers became the fifth straight opponent UM held to under 35 percent shooting from the floor as the Scarlet Knights converted 19-59 field goal attempts (.322).

Miami, which trailed for just 2:27 in the contest, outrebounded the Scarlet Knights by a whopping 52-30 margin, setting a single-game school BIG EAST record for rebound margin. Rutgers maintained a pair of one-point leads in the second half, but the 'Canes took the lead for good when Clifton Clark (eight points and a game-high nine rebounds) snapped a 41-41 tie on a three-point play with 5:37 remaining. The 'Canes held on for the win despite connecting on only three-of-seven free throw attempts in the final 1:18.

The Hurricanes improved to 14-6 overall with the victory and went four games over .500 for the first time in their six-year BIG EAST history.

Feb. 5—Miami 78, Pittsburgh 63:

Alex Fraser, playing in his 100th career game, scored 15 points and grabbed six rebounds to lead the Hurricanes to a 78-63 victory over Pittsburgh in the Miami Arena. Kevin Norris contributed 11 points, a game-high six assists and five rebounds and Tim James added 10 points and a game-high nine rebounds for the victors. Vonteego Cummings scored 24 points to lead the Panthers while Mark Blount added 17 points and Chad Varga scored 11 points. Jason Maile, who tallied 22 points last month in Pitt's 76-72 win over Miami, was held scoreless in 25 minutes.

Miami, which improved to 13-6 overall and 7-4 in the BIG EAST, used runs of 12-0 and 15-1 in the opening half to take control of the game. The Hurricanes shot 55 percent from the floor in the opening half and held Pitt to 30.8 percent shooting en route to a 41-20 halftime lead. The Hurricanes also forced the Panthers into 17 first half turnovers. The 21-point halftime margin is UM's largest in a BIG EAST home game.

Feb. 2—Rutgers 60, Miami 59:

Celebration turned to dejection for the Hurricanes as a shot at the buzzer by Tim James was ruled a two-point field goal and not a trey, allowing Rutgers to escape with a 60-59 victory over Miami at the Louis Brown Athletic Center. Referees Tim Higgins and Leroy Hendricks ruled that James' foot was on the arc as he attempted a game-tying shot.

Rutgers, which snapped Miami's school-record four-game BIG EAST winning streak, won despite shooting just 33 percent (22-66) from the floor. The Scarlet Knights were led by sophomore forward Rob Hodgson, who scored a team and career-high 19 points. Hodgson's two free throws with 17.3 seconds remaining pushed the lead to 60-57 and set the stage for the dramatic ending. Sophomore Geoff Billet added 15 points for the Scarlet Knights who improved to 9-8 overall and 5-6 in BIG EAST play.

The 'Canes opened the second half with a 12-5 run and never trailed by less than 10 points the remainder of the contest. The lead reached as high as 24 points (65-41) in the second half. The 46 points scored by the Huskies marked the second fewest points they have scored in a BIG EAST regular season game and the second fewest points scored against the Hurricanes in a BIG EAST game. Miami's bench continued its stellar play outscoring the Connecticut reserves, 22-2.

Jan. 18—Miami 68, Georgetown 65 (OT):

The Hurricanes overcame a 13-point second half deficit to record a 68-65 overtime victory over the Hoyas before the third largest home crowd in UM history (10,419). The victory gave Miami its first season sweep of the Hoyas and marked only the 12th time the Hoyas have been swept in 129 BIG EAST two-game season series. The 13-point second-half deficit overcome by the Hurricanes is the largest second-half deficit they have overcome to win a BIG EAST game.

Kevin Norris and Clifton Clark each scored 14 points to lead the Hurricanes, who moved into sole possession of first place in the BIG EAST 7 division for the first time since joining the BIG EAST in 1991. Norris added a game-high nine assists, including three in the extra session. Tim James added 12 points, including UM's final two in regulation and the first four in overtime. Alex Fraser added 11 points and three steals as UM extended its home winning streak to seven games. The Hurricanes improved to 11-5 overall, their best start since the 1964-65 season, and 5-3 in BIG EAST play.

The Hoyas, who lost their third straight game, dropped to 10-6 overall and 3-5 in BIG EAST play. Victor Page led the Hoyas with 34 points and Ya-Ya Dia recorded a double-double with 13 points and a game-high 14 rebounds.

Miami opened the game with a 12-3 run, but trailed the Hoyas, 28-24, at the half. Georgetown pushed the lead to 13 points, 49-36, when Dia hit a four-foot hook shot with 8:35 to play. Miami's defense would take over from that point and allow the Hoyas just two more field goals the rest of the half.

Torey McCormick started the UM rally when he picked off an errant Dia pass and raced the length of the floor to record his second career dunk, electrifying the crowd. After Page hit a jumper with 3:56 left Miami trailed 55-50. The Hoyas, however, would not record another field goal in the half. Miami got a jumper from Fraser, a free throw from Lucas Barnes and a six-foot jumper from James with 52.2 seconds to go to force the overtime.

Miami scored the first four points of the overtime, all by James, and never trailed in the extra session. Norris iced the victory hitting five of his six free throw attempts in the overtime.

Jan. 15—Miami 71, Providence 69:

For the third time in the last four games, Kevin Norris delivered a victory for the Hurricanes in the waning seconds of their BIG EAST game against Providence. Norris hit two free throws with five seconds remaining to break a 69-69 tie and give UM a 71-69 victory over the Friars in the Miami Arena. The win improved the 'Canes to 10-5 overall and 4-3 in the BIG EAST. The 10-5 start is Miami's best since opening the 1966-67 season with an identical record and the 4-3 mark in league play is UM's best ever. Miami also moved into a tie with Pittsburgh for first place in the BIG EAST 7 division.

Providence, which fell to 11-5 overall and 3-3 in the BIG EAST, jumped out to a 27-18 lead with 10:30 left in the opening half as Jamel Thomas had 17 of his game-high 27 points during the run. The Friars were outscored 21-6 the remainder of the half by the 'Canes, who took a 39-33 halftime lead.

Miami led the entire second half, pushing the lead as high as 12 points, 61-49, with 6:22 left. The 'Canes were still comfortably ahead when Norris hit a pair of free throws with 37.4 seconds remaining to give UM a 67-59 lead. The Friars rallied to tie the score at 69 after a pair of three-pointers from Thomas and a layup by Derrick Brown with 8.4 seconds to play. Brown, who entered the game as the second leading free throw shooter in the BIG EAST behind Norris, missed on his attempt to complete a three-point play and give PC a lead. Tim James rebounded the miss and handed off to Norris, who was fouled by Brown as he dribbled in traffic with five seconds to go. Norris then hit both free throws to put UM on top. The Friars had one last chance, but Jason Murdock missed a three-point field goal attempt from deep on the right wing as time expired.

James led UM with 17 points while teammate Clifton Clark recorded his first career double-double with 16 points and a game and career-high 10 rebounds. Alex Fraser added 15 points and tied the UM single-game BIG EAST record for field goal accuracy when he connected on all six of his field goal attempts. Norris, who finished with eight points, recorded a game-high nine assists, tying his career-high.

In addition to 27 points from Thomas, Providence received 11 points from God Shammgod. Austin Croshere, who entered the game as the Friars' leading scorer with a 19.0 scoring average, was held to seven points on 3-12 shooting. Croshere did add 10 rebounds for PC.

Jan. 11—Miami 61, Villanova 59:

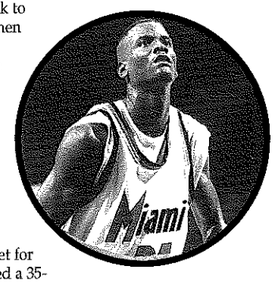

In what is probably the greatest win since the rebirth of the program. The Hurricanes recorded a 61-59 upset win at Villanova (#7 *USA Today*/CNN, #8 AP) to close out the longest road trip of the year with a 2-2 record. Kevin Norris hit a pair of free throws with eight-tenths of a second remaining after Villanova's Tim Thomas called a timeout when the Wildcats were out of timeouts. The victory was UM's first over a ranked opponent on the road since the rebirth of its program in 1985 and the victory over Villanova marked the highest ranked opponent the Hurricanes have defeated since the rebirth of the program. The Miami win also snapped Villanova's 23-game winning streak in the John E. duPont Pavilion.

Norris and freshman Johnny Hemsley each scored 11 points to lead the Hurricanes. For Hemsley the 11 points were a career-high. Tim James, who had scored in double figures in a career-high 15 consecutive games was held to eight points. Center Will Davis, making his first start since the fourth game of the season, contributed five points, six rebounds (tying his career-high) and three blocked shots in a career-high 30 minutes. Of equal importance was the defensive effort turned in by Davis as he held Villanova's Jason Lawson to eight points and six rebounds while forcing Lawson into four turnovers.

The Wildcats received 18 points from Thomas (just three in the second half) and 14 each from Alvin Williams and Chuck Kornegay.

After trailing 8-4 early in the contest, the Hurricanes scored a season-high 16 consecutive points, forcing Villanova into nine straight missed shots, to grab a 20-8 lead with 10:43 to go in the opening half. The Wildcats cut the deficit to six points (33-27) at the half.

The Hurricanes pushed the lead back to nine points (53-44) in the second half when Clifton Clark hit a 16-foot jumper with 7:28 remaining. The Wildcats scored the game's next 13 points and maintained a 57-53 lead with three minutes remaining in the contest. Miami, which outscored Villanova, 8-2, over the final three minutes, tied the score at 57-57 on a Norris trey with 1:53 left and took a 59-57 lead off a steal and slam dunk by James 26 seconds later. After Williams tied the game for Villanova with 1:02 left, the stage was set for an improbable ending. Miami committed a 35-second shot clock violation on its next possession. Villanova which received the ball with 23.3 seconds left was holding for the last shot when it lost the ball out of bounds in the final seconds. Thomas then instinctively grabbed the ball as it was going out of bounds and called the fatal timeout. Norris then hit a pair of free throws to give the Hurricanes the win.

Miami, whose bench outscored the Wildcat bench, 24-0, improved to 9-5 overall and 3-3 in the BIG EAST while Villanova dropped to 12-3 overall and 3-2 in league play. The 3-3 start tied Miami's best six-game start in conference play. The 'Canes also began the 1994-95 BIG EAST season with a split of their first six games.

Conte Forum. Tim James topped the Hurricanes with career and game-highs in both points (28) and rebounds (13). The double-double was the third of the season for James and his 28-point output was the highest by a Hurricane in a BIG EAST road game.

The first half was a series of three big runs. Miami opened the contest with a 17-6 lead and then watched BC respond with a 16-2 run of its own to take a 22-19 lead. The Hurricanes then scored the next 10 points of the half and eventually took a 29-26 halftime lead.

The Eagles took the lead for good when Andy Bedard hit a trey with 16:58 left in the contest. BC led by as many as eight points on six occasions in the second half.

Miami held BC's Danya Abrams, the 1996-97 BIG EAST Pre-Season Player of the Year, to a season-low six points. It marked the first time Abrams failed to score in double figures since UM had held him to a season-low four points last February, a span of 20 games. The Eagles, who won despite shooting 39.6 percent (21-53) from the floor, improved to 7-2 overall and 2-1 in the BIG EAST. Miami, which dropped its BIG EAST road opener for the sixth time in six tries, fell to 7-4 overall and 1-2 in league play.

Dec. 30—Miami 68, Lehigh 32:

The Hurricanes closed the 1996 calendar year with their best defensive effort of the year in a 68-32 victory over Lehigh in the Miami Arena. Freshman Mario Bland recorded team and career-highs in both points (13) and rebounds (eight) to lead the 'Canes. Torey McCormick added 11 points off the UM bench and Tim James scored 10 points in a season-low 18 minutes to extend his streak of consecutive double figure games to 12 and 15 of the past 16.

Sophomore Brett Eppehimer scored a game-high 19 points to lead the Mountain Hawks, who dropped to 0-10 on the year.

The 32 points scored by Lehigh are the fewest by a UM opponent since the 'Canes held the University of Tampa to 25 points in a 53-25 victory on Dec. 31, 1947. Miami held Lehigh to 12 points and three field goals in the opening half, both lows for a UM opponent since the rebirth of the Hurricane program in 1985. The Mountain Hawks connected on just 12.5 percent (3-24) of their first-half field goal attempts and 24.4 percent (10-41) of their attempts for the game. The 24.4 percent accuracy is the second worst by a UM opponent since the program was brought back.

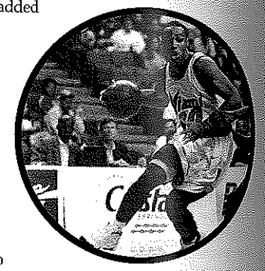

The game was the final regular-season contest for the Hurricanes. Miami finished the non-conference season with a 6-2 mark in its eight non-conference games. The win improved UM's overall record to 7-3, marking the second straight year the 'Canes won seven of their first 10 games. The seven wins allowed the 'Canes to tie their best 10-game start since the program was brought back.

Dec. 28—Miami 61, DePaul 45:

Tim James scored a game-high 18 points, grabbed a career and team-high 11 rebounds and blocked a game-high five shots to lead Miami to a 61-45 victory over DePaul at the Miami Arena in the third annual HIP Health Plan Orange Bowl Basketball Classic. James was the first unanimous MVP selection in the three-year history of the tournament.

Miami held the Blue Demons to 27.7 percent shooting (18-65) from the floor, marking the second time this season and the fifth since the revival of the program in 1985 that UM held the opposition to under 30 percent shooting. DePaul struggled on the perimeter all afternoon, making just 1-18 from behind the three-point arc. Miami's defense in the second half was outstanding, holding DePaul to 19 points on 24.2 percent (8-33) shooting. Ricardo Crumble led the Blue Demons with 14 points and a game-high 13 rebounds and Jerome "Doc" Taylor added 10 points.

The victory was the first for UM in seven tries against the Blue Demons. Clifton Clark added 10 points for the Hurricanes, who improved to 6-3 with the victory. DePaul, off to its worst start in school history, dropped to 2-7 with the loss.

Dec. 22—Tennessee 78, Miami 65:

Aaron Green came off the bench to score 20 points (14 in the second half) to spark the Volunteers to a 78-65 victory over the Hurricanes in front of 13,050 fans at the Thompson-Boling Arena. Tennessee, which shot 51 percent (25-49) from the floor, also received 17 points from DaShay Jones and 14 from Brandon Wharton. Tim James led Miami with a game-high 24 points (18 in the second half) and Kevin Norris added 11.

Tennessee scored the first four points of the game and never trailed. The Volunteers led by as many as 11 points (22-11 with 8:27 left) in the opening half before settling for a 34-24 halftime lead. Tennessee held the Hurricanes to 25 percent (7-28) shooting in the opening 20 minutes and outrebounded UM by a 26-14 margin.

The Vols pushed their lead to 13 points twice in the first four minutes of the second half, but Miami responded and cut the lead to four points on two occasions in the final couple of minutes. A Norris trey with 3:33 remaining cut the UM deficit to 60-56 and a three-point play by James, his third of the half, pulled UM to within four at 63-59 with 2:22 remaining. The Vols then proceeded to hit 11 of 12 free throw attempts in the final 2:15 and forced three Miami turnovers.

The loss snapped a three-game winning streak for the 'Canes and dropped them to 5-3. Tennessee improved to 5-2 with the victory.

Jennings led the way, setting career-highs in minutes (24), points (nine), rebounds (five) and assists (nine). The nine assists by Jennings were a game-high and represent the third highest single-game total by a UM freshman.

Miami stormed out of the gates scoring the first 10 points of the game and was leading 18-2 with 12:46 left in the opening half. The Hurricanes held a 49-25 lead at the break. The 49 first-half points were the most points UM had scored in the first half of a game since totaling 49 against Florida Atlantic on Nov. 25, 1991 and the most points UM has scored in a half this season. JU got no closer than 16 points in the second half.

Miami held JU to 31.7 percent (19-60) shooting from the floor and recorded a season-high 13 steals. The 'Canes also enjoyed a 54-31 advantage on the boards. The victory improved Miami's record to 5-2 and left JU with an 0-6 mark for the first time in its history.

Tim James scored a career-high 26 points, grabbed eight rebounds and registered six of UM's school-record 17 blocked shots en route to a 74-57 victory over Hartford in the Miami Arena. The 17 blocks by the Hurricanes (13 in the first half) set a Miami Arena collegiate record and tied for the sixth highest total in NCAA Division I history.

Miami also received 14 points from Clifton Clark and 11 rebounds from Alex Fraser. Torey McCormick, making his first start of the season, added nine points and a career-high eight assists. In addition to the 17 blocked shots, the Hurricanes registered a season-high 25 assists.

Despite 13 first-half blocks, the Hurricanes managed only a tie at the half (27-27). They didn't break the game open until midway through the second half. With the score tied at 37 and 15:16 remaining the 'Canes went on a run. Miami outscored Hartford 20-2 over the next 5:23. Miami improved to 3-2 overall and 1-1 in BIG EAST play. Syracuse dropped to 3-3 overall and 0-2 in league play for only the third time in the 17-year history of the BIG EAST and the first time since the 1992-93 campaign.

Dec. 3—St. John's 61, Miami 57:

University of Miami Hurricane

It lay silent for 14 years. Collecting dust and going unnoticed, the Miami basketball program was the Rip VanWinkle of college basketball from 1971 to 1985. Now, Hurricane Basketball is back. In a big way.

Since 1985 the Miami program has undergone such dramatic and frequent changes, it seemed that the Hurricanes were continually entering "a new era." First came the "Era of Miami Basketball" itself. Then came the "Bill Foster Era," followed by the "Tito Horford Era," "The Leonard Hamilton Era," and finally "The BIG EAST Era."

The latest step taken by the blossoming Hurricane program serves as the most dramatic in the 46 seasons and 70 years since the team's formation. With the entry into the BIG EAST Conference, the University of Miami not only shed its previous life-long status as an independent, it entered the ranks of the most competitive and successful basketball conference in the nation.

The road to conference affiliation in the BIG EAST has not been an easy one for those who have thirsted for basketball in this continually prospering section of the country. Moreover, the previous path traveled by Miami basketball players, coaches and fans was dotted by flashes of brilliance, color and sometimes disappointment.

Here is a capsule summary of the 70 years of Miami basketball that have intermittently played a part in the history of the athletic program at the University and its neighboring community.

The 1920s: Miami's First Time

- The Hurricanes fielded a freshman team in **1926-27**, finishing 7-1 under **Head Coach Art Webb**.
- In 1927-28, the first official varsity basketball team at the University of Miami posted an 8-4 mark, knocking off **Rollins, 51-15**, in the opener.

Coach Hart Morris

The 1930s: A Missing Link

- Miami records list no official results from 1932 through 1938. During that period of time, rep resentatives from the school played local AAU and church sponsored teams under **Coach Tom McCann**.
- The Hurricanes returned to intercollegiate competition in the 1938-39 season, posting a 4-6 record under **Head Coach Hart Morris**.

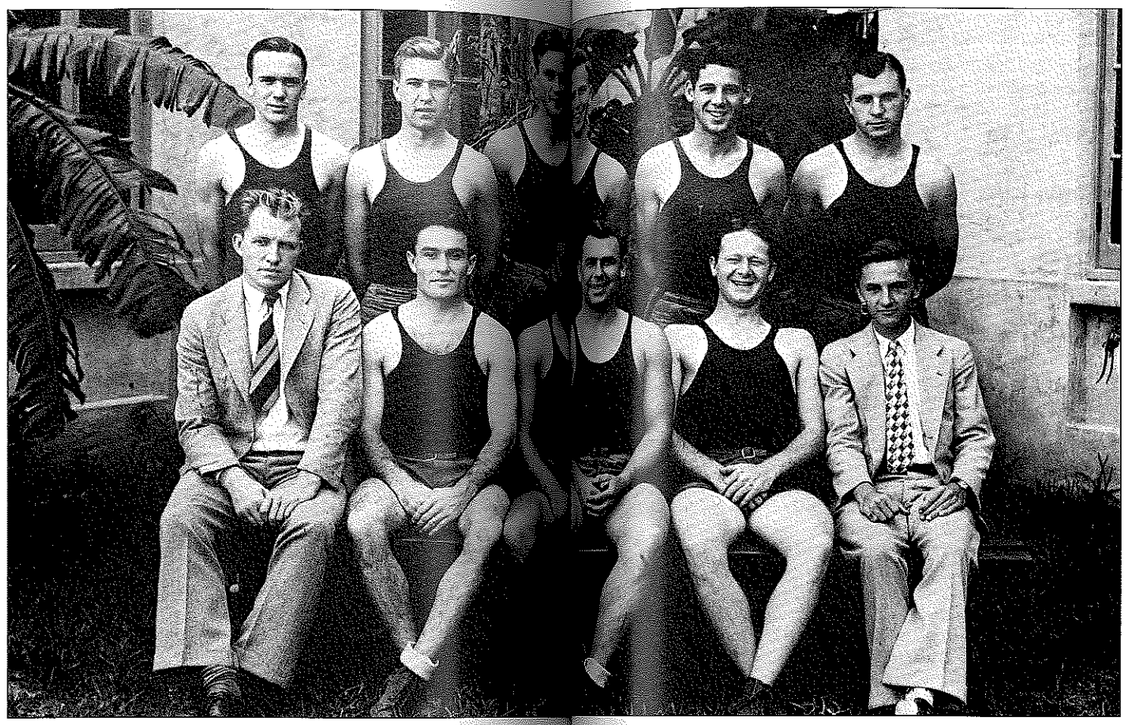

The 1940s: World War II Stops Play

- Like many other institutions across the nation, Miami dropped intercollegiate basketball during the war years of **1942-1945**.
- Morris returned as head coach along with the program in 1946 and was the UM mentor until 1952 when Dave Wike took over for a two-year stint as the UM coach.

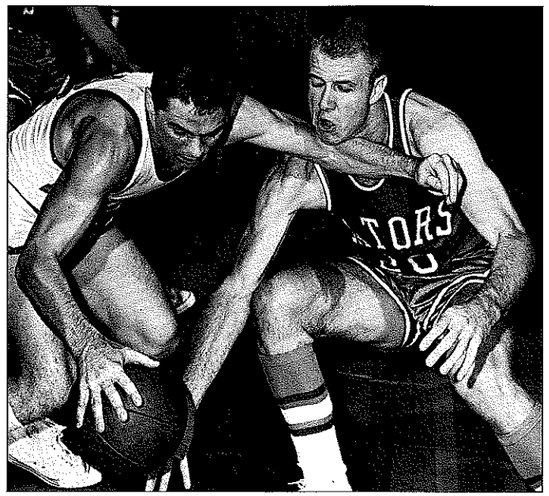

The 1950s: UM's Glory Years

- In 1954, the University named **Bruce Hale** as its head basketball coach. The retired Air Force captain and former professional basketball star held the UM head coaching post for 13 seasons, leading the Hurricane program through its glory years of intercollegiate basketball. Before the end of Hale's tenure in 1967, the Hurricanes won 220 games and lost 112 for a .663 winning percentage. Hale's first Miami team turned in a 9-11 record, but there were no other losing campaigns in the next 12 years. The streak of non-losing seasons extended through the 1968-69 season – marking 14 consecutive campaigns of .500 basketball or better for UM.
- Hale's **1959-60** club was the only UM men's basketball team to ever advance to the **NCAA Tournament and finish the season ranked in the Associated Press Top 10**. That 1959-60 edition ran its record to 23-3 before bowing to Western Kentucky, 107-84, in the first round of the tournament.
- During that historic '59-60 NCAA Tournament year, junior guard **Dick Hickox** became the first UM basketball player to earn All-America recognition. Hickox averaged 22.1 points per game during that season en route to becoming a second-team AP and UPI All-American.

Basketball History - 1926-1997

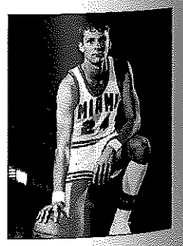

The 1928-29 Miami Hurricanes recorded a 13-6 overall record.

Dick Hickox was named UM's first All-American in 1960. He led UM to a 23-3 record, the Hurricanes' first NCAA tournament and the school's only final regular-season Associated Press Top 10 ranking.

The 1960s: Rick Barry's All-American Years

- The Dick Hickox-led Hurricanes of **1960-61** returned to post-season play — falling in the first round of the **NIT** to **St. Louis, 58-56**. The 1960-61 squad compiled a 20-7 record.
- In **1962-63**, Miami advanced to the second round of the **NIT** before falling to **Providence, 106-96**. An opening round NIT victory over **St. Francis (NY), 71-70**, marks the only Miami victory to date in post-season play.
- From **1962 through 1965**, Miami recorded three consecutive 20-win seasons, rolling up a composite record of 65-16. The star of these Hurricane glory teams was a brilliant scorer named **Rick Barry**.
- **In 1964-65, Barry** became the Hurricanes' only **consensus All-America** selection. The 6-7, 200-pound native of Roselle Park, New Jersey led the nation in scoring with a 37.4 average in his senior season. He went on to become the only player in basketball history to win single-season scoring titles in the NCAA, ABA and NBA. He was inducted into the Basketball Hall of Fame in Springfield, MA, in 1986.
- The **1964-65** Miami squad, led by Barry's scoring brilliance, established a new **NCAA scoring record** by averaging **98.4 points per game**. The 'Canes, however, were not allowed to participate in the NCAA Tournament that year — after posting a 22-4 record — because of recruiting violations.
- Bruce Hale resigned after 1966-67 and assistant **Ron Godfrey** assumed the head coaching responsibilities.

The 1970s: First Era Ends

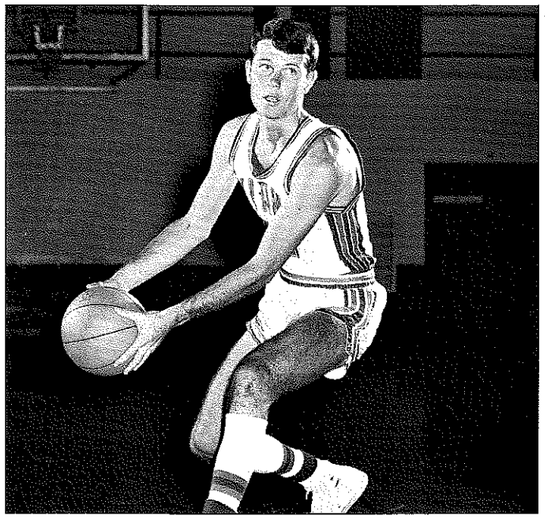

- **Don Curnutt** closed out his Miami basketball career in **1970** as the Hurricanes' third and last player to receive All-America recognition.
- **February 27, 1971 — The last victory by a University of Miami men's basketball team** came in the second to the last game of the season, a 100-94 triumph over **Florida State** at home in the **Dinner Key Auditorium.** The 'Canes shot a season-high 62.5 percent from the floor as all five Miami starters scored in double figures.
- **March 1, 1971** — After posting a four-year record of 47-56 at Miami, **Ron Godfrey resigned** his post as head basketball coach, effective following Miami's final game of the season against nationally ranked Jacksonville.
- **March 2, 1971 — The last game played by a University of Miami men's team until 1985** took place at the Dinner Key Auditorium where one of the largest UM home crowds in years turned out to see the Hurricanes host nationally ranked Jacksonville. The Dolphins handed Miami a 94-75 loss that remained as UM's last contest for the next 14 years.
- **April 22, 1971 —** The University of Miami Board of Trustees voted to drop the sport "temporarily until such time as a permanent field house can be constructed on the main campus." Sagging attendance figures and serious financial losses were also believed to contribute to the discontinuation of basketball at UM.

In 1983: UM Commits To Rebuild

- July 15, 1983 — Sam Jankovich was named athletic director at the University of Miami. Coming to UM after a successful stint as the athletic director at Washington State, Jankovich immediately announced that the resurrection of men's basketball at Miami would be his primary priority in the early months of his tenure, enabling UM to have "one of the nation's most complete and visible overall programs in the country.
- October 12, 1983 — The University of Miami Board of Trustees unanimously voted to reinstate men's basketball at the University of Miami. The Board made the decision after reviewing a report submitted by newly hired Athletic Director Sam Jankovich which stated that men's basketball can be a revenue-producing venture. Moreover, nearly $500,000 had already been raised in support of bringing basketball back to the University. It was also announced that the Hurricanes would be ready to compete on the **Division I level in the 1985-86 season**, and the downtown **James L. Knight Center** was home for the reborn program.

"This is an exciting day for the University and for the athletic program," **UM President Edward T. Foote II** said. "And we are keeping in mind the priorities of academics first and athletics second ... we are pleased that the changes in the economics of intercollegiate basketball allow the University to resurrect one of the country's most popular sports. We look forward to welcoming these Hurricanes home again."

University of Miami Hurricane

As a second-team All-American, Don Curnutt's career came to an end in the 1970s, so did Miami's first era of basketball.

In 1984: Foster Hired As Coach

- **March 21, 1984 — Bill Foster**, a 47-year-old native of Hemingway, South Carolina was named the seventh men's basketball coach at the University of Miami. Foster came to Miami after 19 years as a head coach at three different institutions: Shorter College, North Carolina-Charlotte and Clemson. Foster also announced on this day that **Clint Bryant**, a long-time assistant at Clemson, would also join the Miami staff in a similar capacity.
- **April 9, 1984 –** Bill Foster announced the hiring of a second assistant coach, **Seth Greenberg**, who was serving as an assistant coach to Terry Holland at the University of Virginia.
- **April 16, 1984 – Tim Harvey**, a 6-10, 240-pound center, became the first basketball player to commit to the University of Miami in over 14 years. The Plainfield, New Jersey native announced that he would transfer to Miami after spending two seasons in the Georgia Tech program.
- **July 1, 1984 –** A third assistant coach was hired to complete the basketball staff as Miami native **Cesar Odio** returned home after serving as an assistant coach at his alma mater, Florida Southern College.
- **October 11, 1984** – Nearly one full year after the announcement that basketball would return to the University, Athletic Director Sam Jankovich announced that a million dollar-plus practice facility would be constructed on the Coral Gables campus. The new all purpose structure – located between the Hecht Athletic Center and the Greentree Track would be funded through a gift from the **James L. Knight Charitable Trust.**
- The first phase of the 1985-86 basketball schedule was also announced on this day, and the line-up included such perennial powers as North Carolina, Georgia, Notre Dame, Marquette and Dayton.
- **October 15, 1984** – The first men's basketball practice session in over twelve years was held on the patio in the center of campus. More than 200 members of the student body participated as Foster and his assistants searched for prospects under the warm Florida sun.

In 1985: With Everything In Place, Miami Tips Off Again

- **April 25, 1985** – Foster announced that the UM's 1985-86 basketball roster would include nine freshmen, one sophomore and one junior as the spring signing period ends for NCAA basketball.
- **August 16, 1985 –** Athletic Director Sam Jankovich announced that the 1985-86 basketball schedule had been completed and that network television coverage of the Hurricane program would include two games to be broadcast by **CBS (Arizona) and ESPN (Notre Dame).**
- Jankovich also announced the completion of a local television schedule **(on WBFS-Channel 33)** that would bring all nine UM road games back to Miami by way of live local broadcasts. Channel 33 would also carry selected home games in the Knight Center.
- **WIOD Radio,** the radio voice of UM football and baseball would also carry all Hurricane basketball games with veteran Hurricane announcer **Sonny Hirsch** at the microphone.
- **October 15, 1985** – Basketball practice officially begins at the University of Miami in the Knight Sports Complex.
- **November 12, 1985 – The Knight Sports Complex** was dedicated at a gala banquet that was held on the basketball courts of the new structure. **CBS basketball analyst Billy Packer** served as the evening's guest speaker for an event which welcomed over 500 guests to the on-campus home of Hurricane basketball. The facility now serves as the practice home to the men's and women's basketball programs while also housing the men's basketball coaching staff offices. In addition, the Knight Sports Complex enabled the athletic program to more than double the size of the existing strength room, while also providing meeting rooms and lecture rooms for all of Miami's student athletes. The structure is located between the Hecht Athletic Center and the Greentree Track.
- **November 22, 1985** – The brand new era of Hurricane basketball was ushered in by a young UM squad which defeated **The Citadel, 85-77**, in front of a sellout crowd of 4,984 at the Knight Center. **Dennis Burns (24 points), Kevin Presto (22) and Eric Brown (21)** combined to lead the Miami offense, while **Bryan Hughes** enjoyed the distinction of scoring Miami's first point in 14 years (a free throw with 18:34 remaining in the first half).
- **November 30, 1985** – Miami stuns 1985 NCAA Tourney participant Georgia with a thrilling 81-78 victory to capture the first **AMI Classic Championship** at the James L. Knight Center.

Basketball History - 1926-1997

End of the 1980s: UM Moves Forward, Upsets Top 20 Teams

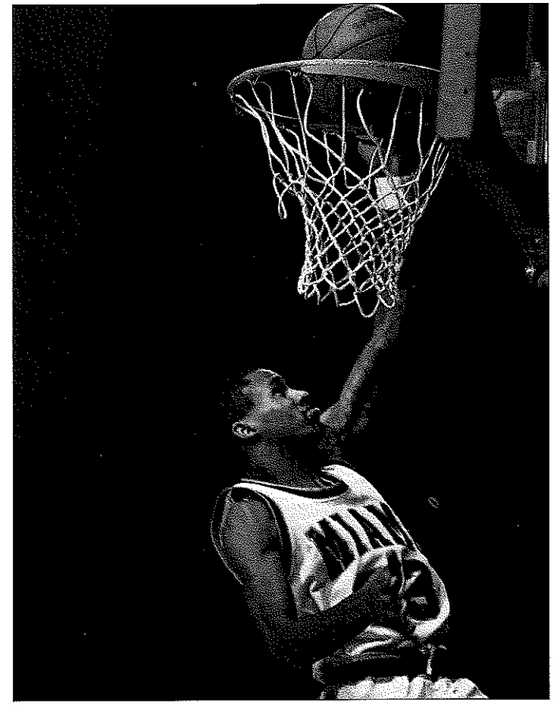

- **March 5, 1986** – An 84-62 loss to Marquette in Milwaukee closed the Hurricanes' first season since 1970-71. Miami finished the year with a 14-14 record, giving Bill Foster his 19th non-losing record in 20 years as a collegiate head coach.
- **The 1986-87 season** – Though still considered **"America's Youngest Team,"** Miami compiled a 15-16 slate – recording upset victories over Marquette, Stanford and Florida State, while losing by only four points to future BIG EAST foe Providence – a team that advanced to the NCAA Final Four.
- **The 1987-88 season –** Thrilling victories over both Providence and Virginia Commonwealth propelled the 'Canes to continued improvement with a 17-14 record. Following the season, center **Tito Horford** announced his intention to enter the NBA Draft without completing his final two seasons of eligibility. Miami was left with anything but a depleted roster as ten lettermen, including eight seniors, returned for UM's fourth season.
- **April 12, 1988** – Athletic Director Sam Jankovich announces plans to move Hurricane Basketball to the new $56 million Miami Arena. Also home to the NBA's Miami Heat, the state-of-the-art basketball facility signifies a new era in the rise of South Florida basketball.
- **December 10, 1988** – A crowd of 6,654 watches the Hurricanes run neck-and-neck for 40 minutes with ACC powerhouse Duke. Blue Devil **Danny Ferry** needs a superhuman performance to stop the 'Canes as he connects on 23 of 26 shots en route to 58 points. Ferry later calls Miami "a definite Top 40 team."
- **January 12, 1989 – Joel Warren's free throw,** his only point of the evening, with two seconds remaining clinches Miami's first victory over a Top 20 team as the **'Canes upset defending national champion** and No. 16-ranked Kansas, 87-86, at the Miami Arena.
- **March 6, 1989 –** The Hurricanes post an 89-82 win over Florida International University in the first annual Carnival Miami Cup. The win leaves Miami with a 19-12 slate, good enough for the best record in 24 years and ten seasons at Miami. **Eric Brown** ends his brilliant Miami career with 2,270 career points, just 28 back of All-America Rick Barry's Hurricane record of 2,298.
- **December 6, 1989 –** Miami hands an 87-82 loss to eventual NCAA tournament participant University of Dayton as a Hurricane squad that includes six freshmen and no seniors jumps out with three consecutive wins to start the season.

Rick Barry addressed the opening night sellout crowd of 4, 984.

In 1990: Hamilton Hired, UM Joins The BIG EAST

- **January 18, 1990** – Nearly 5,000 fans turn out to watch one of the most exciting Hurricane games ever as Miami edges Florida State in two OTs, 101-97.
- **February 19, 1990** – Miami storms back to post a 62-59 victory over the University of Florida, ending the Gators 11-game win streak over the 'Canes that began during the 1964-65 season.
- **March 6, 1990** – The Hurricanes send Head Coach Bill Foster out on a winning note as one of the most successful and respected collegiate coaches in the nation leaves Miami following an 83-55 win over Florida International. Foster's six-year rebuilding record at Miami stands at 78-71 (.523) while his overall career mark tallies up to 431-247 (.636) in 24 seasons.

Dennis Burns thrilled fans on opening night with five dunks.

- **April 2, 1990** – UM Athletic Director Sam Jankovich ends a national search for a new coach that spanned an entire season with the hiring of **Leonard Hamilton** from Oklahoma State University. "After meeting with Leonard Hamilton for just five minutes," said Jankovich, "with that smile and that enthusiasm, there was no question who I wanted as coach of the University of Miami."
- **October 10, 1990 –** On the combined recommendation of President Edward T. Foote and Athletic Director Sam Jankovich, the **University's Board of Trustees unanimously votes to accept an invitation to become the tenth member of the BIG EAST Conference.** The Hurricane Basketball program will begin BIG EAST play in the 1991-92 season.

layden throughout the year as the 'Canes were victorious in six of their final nine contests and finished ranked No. 128 in the USA Today computer rankings – Miami's highest finish since the rebirth of the program (including 1988-89 when the 'Canes produced a 19-12 record).

- **April 10, 1991 –** Leonard Hamilton's first recruiting class is completed with the signing of Ochiel Swaby of Miami, the nation's leading HS scorer with 47.1 points per game. Added to Hamilton's three signees in the Fall of 1990 – Michael Gardner of Fredericksburg, VA, Pat Lawrence of St. Petersburg and 7'3" Constantin Popa of Bucharest, Romanina – the freshmen class for the 1991-92 season is ranked in the Top 25.
- **January 2, 1992** – Miami tips off in its inaugural BIG EAST contest at the University of Connecticut's Gampel Pavilion. It is a baptism by fire for the young Hurricanes as the game at UConn is the first of four consecutive conference games in 10 days for Miami.
- **January 14, 1992 –** In the first home conference game in UM history, the Hurricanes shock the nation with a stunning 45-42 upset of perennial BIG EAST power St. John's. - **March 12, 1992 –** Miami turns the Big Apple upside down with a convincing 83-71 victory over Pittsburgh in the BIG EAST Tournament at Madison Square Garden. The Panthers had beaten Miami in the two regular-season contests by a total of 52 points, but Jerome Scott (30 points) and Trevor Burton (25 points) led a spirited Miami squad past Pitt and into the second round of the conference showcase. Earning the respect of the league and nation, Miami led Georgetown, 34-33, at the half of their quarterfinal contest before dropping a 77-64 decision to the Hoyas. The 1-1 performance in New York ended the Hurricanes' 1991-92 campaign at 8-24. For his individual performance, **Jerome Scott is honored as a member of the BIG EAST All-Tournament Team.**
- **April 28, 1992** – Head Coach Leonard Hamilton takes another giant step in the development of Miami basketball with the completion of his second recruiting class. Six prep standouts, including Steven Edwards of Miami Senior High School, make up the new Hurricane class which is ranked No. 4 in the nation.
- **January 2, 1993 –** For the second consecutive season, Miami opens its home BIG EAST schedule with a victory as the Hurricanes upset No. 10-ranked Georgetown, 80-69. The resounding victory marks the highest-ranked team the 'Canes have defeated since the rebirth of the program.

The victory gives Miami a 7-2 record in home BIG EAST games and an increase of six victories over the Hurricanes' first season in conference play (1-17 to 7-11) to mark the third-largest jump in the win column in BIG EAST history.

In 1995: UM Enjoys a Banner Year

- **February 4, 1995** – The Hurricanes prove they are one of the most improved teams in the nation with an impressive 67-61 win over 13th-ranked Georgetown in the Miami Arena. The win also assures Miami of at least a .500 overall season for the first time since the 1988-89 campaign.
- **March 4, 1995** – A record UM crowd of 11,263 pours into the Miami Arena to watch the Hurricanes take on fourth-ranked Connecticut in the regular-season finale. #24 Rick Barry

Retired Jerseys

The only basketball jersey that has been retired at the University of Miami is number 24 in honor of Rick Barry, the Hurricanes' all-time leading scorer. Barry, who is UM's lone consensus first team All-American, led the Hurricanes to a 65-16 record and a pair of post-season berths in this three years. Barry, who finished his UM career with 2,298 points and 1,274 rebounds, is the only Hurricane to top both the 2,000-point and the 1,000-rebound barrier. He still owns five UM career records and numerous single-season records. Barry was inducted into the Basketball Hall of Fame in Springfield, MA in 1986. He is the only player in basketball history to win single-season scoring titles in the NCAA, NBA and ABA.
