

A student-athlete may compete during the period between June 15 and August 31 or the institution's opening day of classes whichever comes earlier, on a team in a certified league (certified leagues can be found at www.ncaa.org/basketballcertification), provided the student-athlete has received written permission from the institution's athletics director (or the director's official representative) prior to participation in the league.

If the student-athlete is transferring and has been officially accepted for enrollment in a second institution, and if the previous institution certifies that the student has withdrawn and does not intend to return to that institution for the next term, this written permission is to be obtained from the member institution to which the student-athlete is transferring. Under such circumstances, the student-athlete does not count on the summer-league roster as a representative of either institution.

The student-athlete must submit this form to the Compliance Office prior to the student-athlete's participation in the summer league.
