# WELCOME to the HOUSTON COUGARS, JACE ABARCA

• On Oct. 4, the Cougars added their final member of the 2022-23 team with the signing of 10-year-old **Jace Abarca** in a special ceremony inside the Guy V. Lewis Development Facility.

• Sitting beside his parents, Yaneth and James, and with his two brothers, Jace signed his Cougars Letter of Intent in front of his new teammates, coaches and the University

of Houston band and cheer members and media members.

• As part of his signing, Jace will serve as the Head Ball Kid at all Houston home Men's Basketball games inside the Fertitta Center during the 20-22-23 season.

• Jace joined the Cougars as part of a partnership with Team IMPACT. He lives with lupus and kidney disorders. Lupus is an inflammatory disease in which the body's immune systems attacks its own tissues and organs.

• Jace loves to read and play video games, like Roblox and Fortnite. He also enjoys science, engineering and geography. Jace is a big fan of the TV show Chicago Med and loves to talk about medical things.

 Nine-year-old Nicholas Hickey was Houston Men's Basketball's first Team IMPACT signee in October 2017. Nicholas battled epilepsy, apraxia of speech and autism.

The University of Houston Men's and Women's Basketball programs began play in a new game arena during the 2018-19 season when the Fertitta Center officially opened with a 65-61 win over No. 18/21 Oregon on Dec. 1, 2018, in front of a sellout crowd of 7,039.

With the completion of the 2016-17 season, Hofheinz Pavilion underwent a \$60 million renovation. The renovation was made possible through a generous \$20 million donation from University of System Board of Regents Chairman Tilman J. Fertitta and his family in late August 2016.

The facility features a premium club area and a courtside club. The reconfigured bowl moved move mid-court seating locations closer to game action with floor-level seating opposite the team benches for UH students. Renovations included a new audio system, sports lighting and video boards as well as new concession stands and expanded restrooms. The facility's exterior also was refreshed.

Prominent to the center's exterior, the renovation will preserve the legacy of the Hofheinz family and its contributions to both UH and the city of Houston.

In December 2019, a statue of former Harris County Judge Roy Hofheinz was dedicated with members of his family outside the Fertitta Center Club lower entrance off Holman Street. Fans can learn more about Hofheinz and his contributions to the University, city and state at the Roy Hofheinz Wall, located on the concourse near Section 107.

The University of Houston will request that city officials rename a portion of Holman Street in front of the arena after the Hofheinz family. In addition, Roy Hofheinz's records will be permanently archived and publicly accessible as a special collection in the UH library, and the Alumni Center will house an area describing the lives and public service of Roy and Irene Hofheinz.

"This gift is personal. It represents a commitment from my family and me to support the University of Houston in its quest to strengthen our nationally competitive institution both in academics and athletics," Fertitta said. "Upgrading our athletics facilities shows we are serious about competing at the highest levels of collegiate sports for many years to come. I'm proud of where the University of Houston is today and I'm proud to make this investment in my university's future."

"I am proud and grateful that our administration recognized how important the Guy V. Lewis Development Facility is. We now have a place where our players can practice, work out, shoot, develop chemistry and improve their work ethics 24 hours a day, 365 days a year, with this facility. This is a game-changer."

# **Head Coach Kelvin Sampson**

The University of Houston Men's Basketball program moved into its new home during the 2015-16 season following completion of construction of the Guy V. Lewis Development Facility.

The near-53,000-square-foot facility provides the environment that University of Houston Men's and Women's Basketball student-athletes need to excel throughout the season in all areas.

Named after 592-game winner and Hall of Fame Head Coach Guy V. Lewis, the Development Facility is located adjacent to Hofheinz Pavilion at the corner of Cullen Boulevard and Holman Street on the UH campus.

Construction on the \$25-million facility began in September 2014. Austin Commercial served as the construction manager for the project, which was designed by DLR Group and Page.
