Collegiate Women: Jacksonville, UCF, UConn, Miami
March 17, 2023; Lake Pickett

Submitted by Montia Rice UCF Coach.

Distance: 2000

Conditions: For the V8 race water conditions were good with a direct head wind around 6mph. Each race after the V8 the water conditions would worsen as the head wind would increase to 15-17mph with gusts over 25mph. The worst of the water was at the start. The last 500, although not great, was the cleanest.
