

## FOOTBALL FACILITIES

The home of five national championship football teams, Nebraska provides its players with every tool needed to be successful. The primary home for the football team is its locker room, which ranks among the most impressive in the country.

Each locker is made of solid maple and features a convenient storage system for equipment and is also customized with a name plate and action photo. The lockers are hand-made and custom designed with individual electronic security locks and a unique ventilation system that pulls air through and out of the locker.

The design of the locker room allows each athlete to have a greater amount of space and personal storage while providing a convenient location next to the equipment room.

In 2004, Nebraska embarked on a major facilities project that included the Tom and Nancy Osborne Athletic Complex and the Hawks Championship Indoor Center.

The Hawks Championship Indoor Center opened for the football team during spring practice in 2006. The magnificent facility features FieldTurf identical to Memorial Stadium's surface. The field also opens onto the grass practice fields of the Ed and Joyanne Gass Practice Facility. The indoor center is connected by a skybridge to the Tom and Nancy Osborne Athletic Complex to give Nebraska the best all-around football facilities in the nation.

*Nebraska players can relax between classes, meetings or practices in the Husker player's lounge, located on the second floor of the Osborne Athletic Complex.*

*The room features an area for players to study, video games and a pool table. The lounge is decorated with photos of past Husker greats who are currently playing in the National Football League.*

Nebraska's meeting space more than doubled with the completion of the Tom and Nancy Osborne Athletic Complex in 2006. The large team room (left) provides space for about 160 people and allows coaches to utilize the most advanced technology as it is equipped with theatre-quality sound and video systems.

The team meeting room is one of several teaching areas on the football floor, as each position coach has a meeting room (bottom left) directly across the hall from his office. Players and coaches each have more space to view game or practice video, giving them a greater edge in preparing for competition.

Nebraska's rich tradition and history is on display throughout Memorial Stadium. In addition to a national championship trophy display on the football floor, the Heisman Room (below) in West Stadium highlights the Huskers' three Heisman Trophy winners.
