TIME CAPSULE — KIDS SHEET

To celebrate Nebraska Football's 50 years of consecutive sellouts from 1962 – 2012, a time capsule will be buried near East Stadium and will not be opened until the Fall of 2062 when Nebraska Football is hopefully celebrating 100 years of consecutive sellouts.

Individuals or school classrooms can print this off and have their young Husker fans fill them out and then send them to us at the address below. Also, pending their approval...parents or teachers can choose to send either individual photos or a classroom photo to include with the sheets that will go in the time capsules.

Thanks for participating...and GO BIG RED!
