

Outlook (2012-13)

Sadie Murren was a late addition to the Nebraska freshman class, signing with the Huskers following her senior season at Wahoo High School in May of 2012. Murren, who was ranked as the No. 226 overall high school player in the nation by Blue Star prior to her senior season in 2011-12, was a second-team All-Nebraska selection by the Omaha World-Herald as a senior.

Murren, who has the ability to hit the mid-range jumpshot and knock down the three, is also an aggressive and athletic player who thrives in a full-court game. She is expected to add athleticism and depth to the Nebraska backcourt as a freshman.

"We're excited about Sadie joining our team," Nebraska Coach Connie Yori said. "She can shoot the three and get to the basket, but I think her toughness sets her apart. She has been well-coached, and we expect her to immediately bolster our backcourt."

High School

Murren averaged 17.6 points and 2.9 rebounds per game for the Warriors, while helping Wahoo to a 21-5 overall record in 2011-12.

The 5-8 senior guard was a first-team Class C-1 All-State selection in 2010, 2011 and 2012. She averaged 16.9 points, 5.7 assists and 4.0 steals per game as a junior for a 27-2 Wahoo team that finished as the Class C-1 state runner-up.

The Colon, Neb., native also helped the Warriors to the Class C-1 state championship game as a sophomore in 2010. In her career for Coach Linda Walker at Wahoo, Murren was the school career leader with 1,449 points, 402 assists and 255 steals, and she also knocked down 166 three-pointers. She capped her high school career by being chosen to compete for the Red Team at the 2012 Nebraska Coaches Association All-Star Game.

Outside of high school basketball, Murren played for Coach Dan Lesoing and the Cornhusker Shooting Stars program.

Murren was also an active competitor on the Wahoo track and field team, finishing sixth in the girls 300 hurdles at the 2010 Class B State Track and Field Championships. She also competed in the 100 hurdles, the 4x100 relay and the 4x400 relay. She earned three track and field letters, while adding one letter each in softball and volleyball during her prep career.

In addition to her accomplishments on the court, Murren was also a standout in the classroom. She ranked among the top five students in her 65-person high school graduation class with a perfect 4.0 GPA. She earned academic all-state honors in both basketball and track and field multiple times in her prep career. She was also honored as a 2011 Pinnacle Bank High School Leader award winner, which was presented by Gov. Dave Heineman to the top 50 high school juniors in Nebraska based on academics, leadership abilities, community service and school involvement.
