# HEAD COACH WILL BOLT 7

HOMETOWN CONROE, TEXAS HIGH SCHOOL CONROE ALMA MATER NEBRASKA, 2003

DATE ANNOUNCED AS HEAD COACH JUNE 14, 2019

One of the catalysts in Nebraska baseball's rise to national prominence in his playing days, Will Bolt returned to his alma mater as former athletic director Bill Moos named Bolt the 24th head coach of the Husker baseball program on June 14, 2019. He enters his third season at the helm in 2022.

Bolt captained the Huskers' first two College World Series teams in 2001 and 2002, and has 12 years of NCAA Division I coaching experience, having served in assistant coaching roles at Texas A&M and Nebraska. Bolt also spent four years as the head coach at Texarkana College.

### NEBRASKA (2020-Present)

The 2021 Big Ten Coach of the Year, Bolt guided Nebraska to its second Big Ten regular-season championship in 2021. The Huskers compiled a 34-14 record, including a 31-12 record in Big Ten play, with NU capturing the league crown by 3.5 games. Nebraska also advanced to its first regional final since 2007 while posting a 3-2 record in the NCAA Fayetteville Regional.

In addition to Bolt's coaching accolade, NU counted the Big Ten Player of the Year in Spencer Schwellenbach, the Big Ten Freshman of the Year in Max Anderson and four first-team All-Big Ten honorees -- its most since joining the league. Schwellenbach was also tabbed the John Olerud Two-Way Player of the Year and a first-team All-American, and Anderson picked up Freshman All-America recognition.

Three NU hurlers were selected in the 2021 MLB Draft, with Schwellenbach in the second round (59th overall) by the Atlanta Braves, Cade Povich going in the third round (98th overall) by the Minnesota Twins and Cam Wynne picked in the 20th round by the Philadelphia Phillies.

Bolt and his coaching staff have done impressive work in recruiting since their arrival in Lincoln. The Huskers' 15-member 2021 recruiting class, which included a trio of top-200 prospects, was ranked 20th by Perfect Game, 21st by Baseball America and 36th by Collegiate Baseball.

Nebraska's 2020 season -- Bolt's first at the helm -- was cut short due to the COVID-19 pandemic.

### **ASSISTANT COACHING CAREER**

**TEXAS A&M:** Bolt spent five seasons as an assistant coach at Texas A&M under former NU assistant Rob Childress. In that span, the Aggies went 219-98-1 (.690) with five straight NCAA Regional appearances, three Regional titles, an SEC Tournament title in 2016 and an appearance in the 2017 College World Series.

Bolt's primary functions on the Aggie staff included coordinating the offensive game, mentoring the infielders and serving as third base coach. The Aggies finished in the top-25 nationally in batting average twice under his tutelage, and finished in the top five of the SEC in hitting or runs scored in four of his five seasons with the Aggies. He tutored 12 hitters who were selected in the MLB Draft during his tenure in College Station, including six players selected in the top-10 rounds, and seven players who earned first- or second-team All-SEC honors.

In 2019, the Aggie offense was led by Braden Shewmake, who was the No. 21 overall selection in the Major League Baseball Draft by the Atlanta Braves. Shewmake hit .313 with six homers, 47 RBIs and 45 runs scored en route to becoming the school's first MLB first-round pick since 2012. The Aggies won 39 games and reached the championship game of the Morgantown Regional.

Myrna and Howard Hawks were long-time supporters of the Husker baseball program and were instrumental in getting Haymarket Park built. The field is named after Myrna, who passed away on Jan. 24, 2001.

Since its opening in 2002, Hawks Field at Haymarket Park has been one of college baseball's best ballparks. Set on 32 acres one-half mile west of campus near downtown, the complex combines private and public entities, giving the University of Nebraska and the City of Lincoln a one-of-a-kind facility for the Huskers and the Lincoln Saltdogs of the American Association of Independent League Professional Baseball.

On July 30, 1999, the University of Nebraska, the City of Lincoln and NEBCO Inc., announced plans to construct two new stadiums, an 8,500-seat ballpark for the Husker baseball program and the Saltdogs – marking professional baseball's return to the Star City for the first time in 40 years – and a 2,500-seat softball stadium located next door.

Building a complex for the Huskers, as well as the Saltdogs, whose season runs from Memorial Day to Labor Day, required leadership and a forward-thinking vision from all three entities. The \$29.53 million cost was primarily divided between the city, NEBCO and the University with additional sources contributing for the rest of the project.

In March of 2000, Howard and Myrna Hawks guaranteed the University's commitment to the baseball/softball project, enabling Nebraska to move forward on the complex on schedule. An avid supporter of the Husker baseball program, Myrna Hawks never had the opportunity to see the finished product, as she passed away on Jan. 24, 2001. In her honor, the playing surface was named Hawks Field in February of 2002 and was formally dedicated on April 28, 2002, before a doubleheader against Kansas.

"She was a baseball fanatic," Howard Hawks said of his wife of 45 years. "She went to baseball games before we were married, but I know that after we were married, she never went to a game where she didn't keep score.

"She felt you didn't really know what had happened if you didn't know how this guy hit last time, and how they pitched to him, so she kept track of all those things."

The DLR Group was hired to be the principal designer of the ballparks, as well as the plaza between the two fields, and to create a design unique for Lincoln. Early on, one of the goals of the project was to enhance the experience for the fans who attend games at the new park. According to the DLR Group, the intimate atmosphere at Haymarket Park was intentional.

"One of the primary concepts driving this whole facility was to create a 'park within a park,' which meant the fans would be able to view the action from anywhere in the park," said Pat Phelan, principal project manager of the DLR Group in Omaha.

"There's an open concourse, so when fans are waiting in line for concessions or restrooms, they can still see the field from there. There's also a bermed seating area around the outside of the park, so you can literally walk around the perimeter of the diamond while viewing the action, but you're still within the confines of the stadium."

In the months leading up to the start of construction in April of 2000, former Nebraska Baseball Coach Dave Van Horn and Saltdogs President Charlie Meyer toured many of the top minor league facilities in the country, looking for ideas that could be implemented in the new ballpark.

The influences of parks such as the Bricktown Ballpark in Oklahoma City, Victory Field in Indianapolis and Franklin Covey Field in Salt Lake City, are

evident throughout the structure. The exterior is a red-brick facade, while the spacious concourse level is highlighted by exposed ironwork. The playing surface is nestled in a bowl, allowing berm seating along both lines and throughout the outfield and a raised batter's eye consisting of pine trees in center field. The features make Haymarket Park a first-class facility. The ballpark's setting also allowed the designers to use Memorial Stadium and downtown Lincoln to provide a picturesque backdrop in the outfield. There is also a pedestrian connector that allows fans to make the walk from downtown Lincoln to the center field entrance of Haymarket Park.

The park features many fan-friendly amenities, including 4,419 chair-back seats on two levels in the main seating bowl, 16 suites, a towering video board/scoreboard in right center field, the Buck Beltzer Playground for kids down the right field line and numerous restrooms and concession stands. In 2009, the facility added seating in right field, as the Husker Home Run Terrace bringing more fans closer to the action.

In the Fall of 2016, D1Baseball.com ranked Hawks Field as the No. 11 college baseball park in the nation. In November of 2007, Hawks Field was named Baseball Field of the Year Award in the College/University division by the Sports Turf Managers Association (STMA) for the second time. The field earned its first honor in 2003, and was the first college park in the nation to win the award twice.

In the fall of 2008, the field was completely resurfaced while the underground drainage system was improved, making the field more playable during the early spring months.

The ballpark is more than a playing field for the Huskers. It includes medical and laundry facilities, coaches' offices and a 1,400-square foot locker room and adjacent clubhouse, giving the Husker program one of the best baseball setups in the country. The clubhouse was completely renovated in January of 2010, with a new entryway, remodeled player lockers, new locker chairs, electronic reclining theater seating, a team dining area, two 25-inch touch-screen monitors, a new video messaging system and a gaming area.

In the fall of 2011, construction was completed on the \$4.75 million Alex Gordon Training Complex, an indoor practice facility to the north of Hawks Field. The 22,000-square foot building features a large practice area, along with restrooms and storage facilities. The space is lined with netting, allowing for the entire area to be used for live batting practice and game simulation.

Prior to the start of the 2020 season, a new  $30 \times 60$ -foot LED videoboard was installed that is nearly doubled the size of the one used since 2012.

The Huskers have enjoyed their home, posting a 370-140-1 (.725) record at Hawks Field over the past 19 years, including a school-record 33-4 mark in 2005. The Huskers have won 20 or more home games nine times.

Fans have also turned out in record numbers, as Nebraska has ranked among the nation's top 25 schools in average attendance since 2002. In 2016, Nebraska set a single-season attendance record by averaging 5,423 fans per game. NU's single-game record is 8,757 against Texas A&M on April 14, 2006. The 2023 season will be NU's 22nd year at Hawks Field.

Game Summary: After plowing his way through Kansas' first 20 batters, (and having only four Jayhawks hit the ball out of the infield) senior pitcher Cliff Faust must have thought he was seeing his perfect game slip away. The Jayhawks' Dick Lewallen came to the plate with two outs in the seventh (and final inning) and promptly hit a sinking line drive into left field. But left fielder Joe Scherger made a diving grab to save Faust's perfect game. Outside of Lewallen's game ender, no other Jayhawk made a serious bid to reach base.
