## STEP 1 – RENEWING YOUR TICKETS

- When renewing online, we recommend using Google Chrome or Firefox browsers on a desktop or laptop computer. Visit [huskers.com/myaccount](https://huskers.com/myaccount) and click on Season Renewals. Log in with the customer number in your renewal email and password.\*

*\*If you have not utilized the online season renewal or purchased season tickets online before, your customer number and PIN are included in your renewal email. Click on [Link Your Account](#) to activate your online account. This is the only time you will use your PIN.*

## STEP 2 – UPDATE YOUR CONTACT INFO

- Once logged in, update your account information via the **Edit My Account** button. Please confirm the email address on your account is correct as this email will be used for further communications as well as where your season ticket notification will be sent. If your account information is correct, select **Season Renewals** and click on **2023-24 Men's Basketball Season Ticket Invoice**.

## STEP 3 – YOUR RENEWABLE ITEMS

- Review your season ticket locations. Please contact the Nebraska Athletic Ticket Office immediately if you discover a discrepancy in your season ticket seat location.

## STEP 4 – SEATING CHANGES

- If you wish to move or acquire additional seats via the **Seat Yourself** process, please indicate while renewing online under **Special Requests** by clicking on "**Location Preferences**". All new seats or changes will be handled **online only** using the **Seat Yourself** process.
- If your account is paid in full by July 20 or you have set up a payment plan and you have requested to move or acquire new seats, you will be emailed additional information in mid-August including a day/time slot based on your donor priority.
- Donor priority points are recalculated each year. You receive 3 priority points per every \$100 donated this current year and 1 point for every \$100 of past years' giving. If interested in increasing your priority points for Seat Yourself, all additional contributions must be received by August 1.
- The **Seat Yourself** process will begin **August 15** and will end **August 17** (or before if all tickets are sold prior to August 17). You will only be able to change your seats or purchase new seats once, and only after your assigned day/time slot begins.
- A maximum of four (4) new season tickets will be allowed per account. Accounts that currently have 8 or more seats will not be allowed to purchase additional seats. Other account restrictions may apply.
- After completion of the renewal period, we reserve the right to slightly adjust seats to avoid one seat gaps.

For more information, please visit [huskers.com/seatyourself](https://huskers.com/seatyourself).

## CANCELLATION

Tickets on accounts for which ticket payment has not been received in full or for which an online payment plan has not been initiated by the deadline will be cancelled and made available through the ***Seat Yourself*** process. If tickets are associated with a donation, the donation must also be paid in full by the due date or tickets will be cancelled. This is a strict deadline.

## IMPORTANT INFORMATION

- Season tickets will be available on your huskers.com account, available for pickup, or mailed approximately 3 weeks before the first home game.
- The purchase of season tickets is a privilege which may be cancelled by the University, even after the acceptance of payment.

## PARKING INFORMATION

All 2022-23 parking lot locations have been rolled over automatically for the 2023-24 season. You must still meet the minimum donation requirements and pay for the pass to retain parking for the 2023-24 season. You can renew, request to add, or request to change your parking pass with your season ticket renewal. Please note, we do not anticipate many parking passes will become available for new selection for the upcoming season.

- To be eligible for Men's Basketball parking, you must donate at least \$300 annually per pass to the Men's Basketball specific Huskers Athletic Fund **and** have Men's Basketball season tickets on your donor account.
- Garages Red 1 and Green 2 along with Lots 7 and 18 are used for donor parking. There is a limit of one (1) pass for every four (4) season tickets held.
- Disabled parking is available for a charge for vehicles with a state-issued handicapped hang tag or license plate on a first-come, first-served basis on game days at Gate 4 northeast of Pinnacle Bank Arena (look for directional signage on Pinnacle Arena Drive). Other disabled parking is available in the Festival Parking area near Pinnacle Bank Arena. For fans' convenience, a drop-off location is available for fans with disabilities at Gate 4.
- The City of Lincoln provides disabled parking spaces in each public garage and on the street level, including the Red 1 Garage across the street from Pinnacle Bank Arena. For more information on available spaces, locations and prices, call (402) 441-PARK or visit parkandgo.org.

## 2023-24 MEN'S BASKETBALL PARKING MAP

- If you would like to purchase **NEW** men's basketball parking for the 2023-24 season or if you would like to **CHANGE** your lot from last season, please rank the lots in order of preference on your online invoice.
- Please reference the map for donor lot choices and locations.
- New/additional parking will be assigned based on your Nebraska Athletics lifetime giving. If allocated, new/additional parking will be invoiced separately.
