Mikey Labriola wrestles Mark Hall of Penn State in front of a record-breaking crowd of 5,960 fans at the Devaney Center on Jan. 24, 2020.

THIS IS NEBRASKA

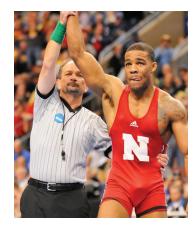

The Nebraska wrestling program continues its excellence both on and off the mat. Coach Mark Manning has continued a tradition of success in his 23 years at the helm of the Huskers. With hard work and a dedication to excellence, Manning has developed a program that consistently competes with the nation's best in collegiate wrestling.

Since its inaugural season in 1910-11, Nebraska has earned more than 700 dual victories, including 282 wins under Manning. Over the past 23 years, the Huskers have finished in the top 10 at the NCAA Championships 12 times and racked up 70 All-America honors, including five individual national titles. In the classroom, NU wrestlers have earned 73 NWCA All-Academic Team selections en route to seven CoSIDA Academic All-America awards.

One reason NU has been able to develop such a successful program is its top-notch facilities. In the fall of 2011, the Husker wrestling program moved into the state-of-the-art Hendricks Training Complex, which provides three full-sized practice mats, office suites and areas for both strength and conditioning and athletic medicine. The Hendricks Complex is attached to the Devaney Center, which hosts the majority of Nebraska's duals this season. With a wealth of support and a history of success, Nebraska wrestling expects to contend for conference and national championships every year.

Above: The Nebraska wrestling program has been built on the strong support of coaches and wrestlers, including (from left): Coach Mark Manning, who has guided the Huskers to a 282-105-3 record since 2000; World Silver Medalist James Green, a fourtime All-American from 2012-15 at 157 pounds at Nebraska; and Olympic Gold Medalist and six-time World Champion Jordan Burroughs, who won two NCAA Championships at Nebraska, first in 2009 at 157 pounds and then in 2011 at 165.

Right: The 2008-09 Nebraska wrestling squad added to the Huskers' achievements by claiming a share of the Big 12 championship and finishing fourth at the NCAA Championships. The 2009 Big 12 team championship was Nebraska's ninth in its history, while the Big Red have also had 63 individual conference champions.

SUCCESS BEYOND WRESTLING

Nebraska coaches have always guided young men toward success on the mat while also teaching them to find success in life, and Mark Manning continues that with his coaching philosophies. Manning has helped young men grow into upstanding adults by teaching athletes that the values they learn on the mat can be transferred into their personal lives. Bryan Snyder (right) earned his Ph.D. in sociology after becoming NU's first four-time All-American. Snyder is now associate head coach for the Huskers.

"Wrestling presents a lot of challenges, but also the ability to work through those challenges. Wrestling builds good character and good work ethic and I definitely built that at Nebraska."
- Bryan Snyder, Nebraska Wrestling Associate Head Coach

The Scherr brothers were both national champions at Nebraska in 1984, before continuing their prosperity on the mat into their personal lives. Bill (above left) earned the collegiate title at 190 pounds and went on to win five medals in the Olympics and FILA World Championships before turning his attention to a professional career. He now serves as the vice president of a global investment banking and securities firm.

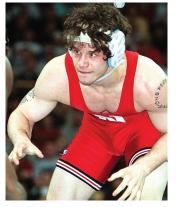

"Wrestling teaches you valuable life lessons like self-discipline and perseverance. It gives you a sense of pride and accomplishment. All of those translate into any sort of career you would want to pursue." - Bill Scherr, 1984 NCAA Champion

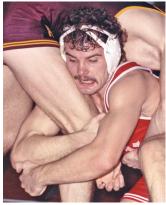

Jim (above right) won the national title at 177 pounds with a victory over lowa's Duane Goldman and also continued his wrestling career onto the international stage. Jim claimed three medals between the Olympics and FILA World Championships and continued his involvement with the Olympics through 2008.

"[Nebraska] has a good core of dedicated faculty with great academic support in place. The sports department has tremendous personnel and resources. Nebraska was a great experience from both ends of the spectrum, athletically and academically." - Jim Scherr, 1984 NCAA Champion

With more than 100 years of history, Nebraska wrestling is one of the most storied programs in the collegiate wrestling ranks. Head Coach Mark Manning has taken the Huskers to new heights during his tenure and has established himself as one of the top wrestling coaches in the nation.

The NU record book is a testament to Manning's accomplishments in Lincoln. In his 23 years at the helm, he has coached 70 of Nebraska's 131 All-Americans. He has led the Huskers to eight top-eight finishes at the NCAA Championships, compared to just eight for the 14 NU coaches before him. He became the winningest coach in school history on Feb. 21, 2015 when he picked up his 200th win at Nebraska. He won back-to-back Big 12 Coach-of-the-Year awards (2008, 2009) after guiding Nebraska to a share of the conference crown in 2009 and a runner-up finish in 2008. Manning has also guided four wrestlers to five individual NCAA championships.

Manning earned one of the top coaching honors in the entire sport when he was named the 2011 FILA Freestyle Coach of the Year by USA Wrestling after helping Jordan Burroughs capture the gold medal at the World Championships in Istanbul, Turkey. In 2015, Manning received the honor for a second time, as Burroughs earned another world title and a spot on the U.S. Olympic Team. Burroughs reached the pinnacle of the sport, earning Olympic gold in 2012, while winning world titles in 2011, 2013, 2015, 2017, 2021 and 2022 with Manning in his corner. Manning has also overseen the growth of James Green, who earned world bronze in 2015 and silver in 2017. Manning and Nebraska Associate Head Coach Bryan Snyder were honored as the Terry McCann Award winners as USA Wrestling's Freestyle Co-Coaches of the Year in 2017 for their accomplishments.

Records go on paper and in books and get tucked away. More important to Manning is the fact that he has helped numerous young men grow into upstanding adults by teaching them the correct principles of life. Regarded as one of the nation's top recruiters, Manning has a keen eye for finding the athletes with the right work ethic and dedication that he can develop.

Manning's coaching philosophy is one that he began during his competitive days, developed during his time as an assistant coach and continues to modify during his time as head coach at Nebraska. It focuses on developing wrestlers to reach their potential. A wrestler who brings a positive attitude and work ethic to the room can use goal setting and responsibility to develop into an upstanding citizen who is committed to excellence. Manning works daily with the team on every detail in and out of practice, while keeping in mind the best long-term interests of his student-athletes.

Known for his fiery nature on the edge of the mat, Manning instills in his wrestlers a sense of determination and pride through his actions and demeanor. His guidance teaches his athletes to become winners in life, which translates into success in the classroom, on the mat and in their lives beyond wrestling.

In addition to their success on the mat, Husker wrestlers under Manning have earned 116 academic all-conference selections, including 109 Academic All-Big Ten awards during Nebraska's membership in the conference. In 2012, Nebraska turned in the nation's best team grade-point average (3.46). Manning's beliefs and values in developing student-athletes are evident right outside his office, where Snyder, a former Husker All-American, is a member of the NU staff.

MANNING'S MARK AT NEBRASKA

Manning began teaching his methods immediately when he was hired at Nebraska in May of 2000. His efforts first paid dividends when he led Nebraska to back-to-back eighth-place team finishes at the NCAA Championships in 2001 and 2002. Four Huskers (Snyder, Todd Beckerman, Ati Conner and Brad Vering) claimed All-America honors in Manning's first year coaching the Huskers in 2000-01, as NU finished with an 11-6 dual record. Powell and Snyder also gave Manning his first two Big 12 Conference champions that year.

During the 2001-02 season, Manning led the Huskers to their third consecutive third-place finish at the Big 12 Championships. Justin Ruiz and Powell earned their first All-America accolades under Manning, while Snyder became Nebraska's first four-time All-American with his second-place finish at 157 pounds.

Nebraska claimed a 16-7 dual record in 2002-03, as Manning guided NU to seven victories over ranked opponents, including a 20-17 victory over fifth-ranked Illinois at the Virginia Duals. At the 2003 NCAA Championships, Manning led a young lineup that included two juniors, five sophomores and three redshirt freshmen to a 13th-place showing. The finish marked the eighth time in nine seasons that NU had claimed a spot in the top 15 in the nation.

The 2003-04 Huskers and Manning posted one of the best wrestling seasons ever at NU with a 19-3 overall record, tying the second-highest win total in NU history. The Huskers posted two team titles during the season, winning the prestigious Las Vegas Invitational behind individual titles from Powell, Travis Shufelt and Travis Pascoe and winning the Virginia Duals with a 25-13 victory over Lehigh in the finals. Manning directed the Huskers to second at the Big 12 Championships, while qualifying eight wrestlers for the NCAA Tournament, where NU earned a fifth-place finish. Manning coached his first national champion at Nebraska, as Powell claimed the title at 125 pounds with a 17-2 technical fall in the finals.

The Huskers' success continued in 2004-05, with Nebraska winning 19 duals for the second straight year. NU's 19-2-1 dual record was the second-best mark in school history. The Huskers started the campaign with eight straight dual wins, and ended the season by winning 12 of the last 13 duals. Nebraska posted eight wins over ranked foes, including a 16-15 upset of No. 2 lowa State to end the dual season.

Manning's 2005-06 squad was relatively inexperienced, but the Huskers earned a solid 12-5 dual record and a third-place finish at the National Duals. NU claimed third at the Big 12 Championships and two Huskers went on to finish as All-Americans. Manning's legacy continued to grow in 2006-07, as he watched his second Husker claim a national title. Paul Donahoe earned the crown at 125 pounds after helping Nebraska to a 10-7-1 dual record.

The 2007-08 Husker campaign was one of the best ever under Manning. NU finished second at the Big 12 Championships with three individual champions and claimed fourth at the NCAA Championships with five Huskers finishing as All-Americans. That success would no doubt be a challenge to match, but the 2008-09 Nebraska wrestling team did just that. The Huskers won a share of the Big 12 championship for the first time in school history behind individual titles from Burroughs, Brandon Browne, Craig Brester and Vince Jones. Seven NU wrestlers qualified for the NCAA Championships, where the Huskers finished fourth with All-America accolades going to Burroughs (1st at 157), Brester (2nd at 197), Browne (4th at 174) and Jones (6th at 184). For his work with the 2009 squad, Manning was named Dan Gable Coach of the Year by WIN Magazine.

In 2010, Nebraska fought through a rash of injuries, including a seasonending setback to Burroughs. Despite the unfortunate luck, the Huskers still qualified five wrestlers for the NCAA Championships and finished 12th in the team standings, marking the seventh top-15 finish under Manning.

History was made in 2011, when Manning helped Burroughs become the first two-time national champion in school history by winning the 165-pound title at the NCAA Championships in Philadelphia, Pa. After the season, Burroughs was awarded the school's first-ever Hodge Trophy, given annually to the nation's top wrestler. As a team, the Huskers qualified seven total wrestlers for the national tournament and finished in 12th place for the second consecutive season.

In 2011-12, the Huskers finished 21st at the NCAA Championships as two wrestlers (Josh Ihnen and James Green) earned All-America accolades. Senior Tucker Lane also became the 20th member of Nebraska's 100-win club.

In 2012-13, Robert Kokesh led Nebraska with a 38-4 record and a third-place finish at the NCAA Championships at 174 pounds. Green captured his second consecutive All-America honor at 157 pounds to help NU to a 13th-place finish. Ihnen fell one match short of All-America status but picked up his 100th collegiate win at the national tournament. He also earned CoSIDA Academic All-America honors, and helped the Huskers to an 11-6 dual record.

Green and Kokesh repeated as All-Americans in 2014, as Green took third at 157 pounds and Kokesh earned a fourth-place finish at 174. The pair also took home Big Ten titles, becoming the first Husker champions in three seasons as members of the conference. The Huskers returned to the newly renovated Devaney Center for all of their home duals after years of wrestling at the NU Coliseum. NU finished the dual season with a 12-2 record before finishing 11th at the NCAA Championships.

In 2014-15, the Huskers notched a ninth-place finish at the NCAA Championships, marking the 19th top-10 result in school history and first since 2009. Kokesh and Green each collected third-place finishes, while TJ Dudley earned his first All-America honor with an eighth-place showing at 184 pounds. During the dual season, NU set a school record for winning percentage (.933) after a 14-1 season, which included a tie for second in the Big Ten dual standings.

Dudley repeated as an All-American in 2015-16, this time making it to the NCAA Finals at 184 pounds. His runner-up finish led the team, which produced two additional All-Americans, Eric Montoya and Austin Wilson. As a team, NU finished eighth at the NCAA Championships and fourth at the Big Ten Championships. For the first time since 1995, NU qualified all 10 wrestlers for the national tournament. The Huskers posted an 11-6 record overall, going 5-4 in Big Ten duals.

The Huskers had four All-Americans to finish ninth as a team at the 2017 NCAA Championships. Dudley finished third to capture his third All-America honor. Montoya took sixth to finish his career as a two-time All-American. Aaron Studebaker and Tyler Berger each made the podium for the first time. Nebraska finished fourth at the Big Ten Championships after going 12-4 during the dual season.

Nebraska posted another top-10 finish at the NCAA Championships in 2018, as the Huskers placed ninth with three All-Americans. Berger earned his second All-America honor, as he finished third, while Taylor Venz and Chad Red Jr. became the first pair of freshmen to earn All-America honors for NU in the same season, as Venz placed fourth and Red took seventh. The Huskers went 10-4 on the dual season and placed fifth at the Big Ten Championships after returning just two starters from the 2017 team.

The Huskers stretched their streak of top-10 NCAA finishes to five in 2019. The Huskers placed 10th with four All-Americans. Tyler Berger earned his third All-America honor with a runner-up finish at the NCAA Championships. Red earned All-America honors for the second consecutive season with an eighth-place finish while freshman Mikey Labriola capped off a stellar debut

NEBRASKA WRESTLING PHILOSOPHY

Guided by the following philosophy, the Nebraska wrestling program creates an environment in which student-athletes can reach their potential, both as wrestlers and as young men.

Attitude: Winners accept constructive criticism knowing it will make them better. Positive words and actions produce positive results.

Work Ethic: There is no substitute for hard work. Worthwhile things come from hard work and believing that you deserve to win.

Goal Setting: Individually, have a road map to reach your goals and the discipline to stick to your plan. Remember that the drive and determination in your daily activities will bring about success.

Responsibility: Anyone can make excuses; you must be responsible for your actions and learn to make proper choices in your academic work, athletic endeavors and in your personal life.

Citizenship: Each team member is expected to represent themselves, their family, university, teammates, coaches and community in a first-class manner.

Commitment to Excellence: Demonstration of total effort and concentration whereby each team member gives their absolute best during practice, competition and in the classroom, regardless of result.

"I coach to help young men prepare for life. It is my job to create a positive environment in order for each of our athletes to perform at his highest level. When the correct principles are taught, winning will take care of itself."

campaign by finishing sixth. Isaiah White placed fifth as a junior. The Huskers went 12-5 on the dual season and placed fifth at the Big Ten Championships.

The 2019-20 campaign featured incredible highs and difficult-tofathom lows. The early portion of the season saw the Huskers climb as high as No. 2 in the NWCA Division I Coaches Poll, tying the highest ranking in program history. NU capped a remarkable two-day run in Las Vegas by winning its third Cliff Keen Invitational team title in program history. The team showed incredible resilience, rebounding from a three-meet losing streak (all against Top 10-opponents) to defeat No. 3 Ohio State at the Devaney Center, the program's first win over a Top-three team since 2008. The Huskers ultimately ended the regular season on a six-match winning streak and carried that positive momentum to the Big Ten Championships, where the Big Red placed second, the program's best finish as a member of the Big Ten Conference. NU qualified all 10 starters for the NCAA Championships but none of them had the chance to take the mat in Minneapolis as the tournament was canceled due to concerns regarding the spread of the coronavirus. All told, the Huskers finished the season 11-3, marking Coach Manning's 10th consecutive 10win campaign and the 18th time in 20 seasons Manning's Huskers amassed at least 10 victories.

THE ROAD TO LINCOLN

Manning showed his ability to develop a top-notch program was universal, as he led a turnaround in the tradition-rich Northern lowa program in his first head coaching position. Manning coached three seasons for the Panthers from 1997 to 2000 in Cedar Falls. Under Manning, UNI compiled a 23-24-2 dual record and improved its mark in each of his three seasons. His rebuilding effort with the Panthers included strong showings at the NCAA Championships. Northern lowa tied for 30th in Manning's first year, but improved to a 17th-place showing in 1998 and added an 11th-place finish at nationals, which was the school's best showing in seven seasons.

Individually, several UNI wrestlers excelled on the national stage under Manning. In each of his last two seasons, the Panthers had a pair of All-Americans, including Tony Davis. A two-time NCAA finalist, Davis was the national champion at 149 pounds in 2000 and finished second in 1999.

Manning returned the Northern Iowa program to national prominence by attracting some of the nation's top wrestling talent. His first Panther recruiting class was ranked second in the nation, while his second class was tabbed as the top class in the country

in 2000

Before his appointment as the head coach at UNI, Manning had extensive experience as an assistant coach, including ties to the Big 12 Conference. Manning spent four seasons on Jack Spates' staff at Oklahoma from 1993 to 1997 before accepting Northern Iowa's head position. Manning helped guide the Sooners to three top-10 team finishes at the NCAA Championships during his tenure, including a seventh-place showing at the 1997 national tournament. He assisted in coaching 14 OU wrestlers to All-America accolades, and five Sooners to the NCAA finals. John Kading also claimed the 1996 190-pound title under him. Manning aided in the recruitment of three top-five national recruiting classes while in Norman.

Manning began his coaching career as an assistant at North Carolina from 1985 to 1993. While pursuing his master's degree in sports administration, Manning assisted Coach Bill Lam in guiding 15 Tar Heel wrestlers to All-America honors, including four NCAA finalists and a pair of national champions. UNC posted top-10 NCAA finishes in 1986, 1987 and 1993 with Manning on staff, and captured four Atlantic Coast Conference titles. He also helped attract the nation's top recruiting class to Chapel Hill, N.C., in the spring of 1990.

In addition to his extensive collegiate coaching experience, Manning has been selected numerous times to coach the United States in international competition. He has coached on U.S. Olympic teams as an assistant in 1996, 2000, 2012 and 2016, while also being named the head coach at U.S. Olympic Festivals in 1991, 1993 and 1995. Manning was chosen to head the U.S. freestyle team at the 2001 FILA World Championships and was an assistant on the U.S. delegation to the FILA World Championships eight times. He has also been active at the FILA Junior level, serving as the head coach twice, and traveling to the 2008 FILA Junior World Championships in Turkey as an assistant coach, where he coached Burroughs to a 10th-place finish. In 2009, Manning was a coach for the U.S. Freestyle World Team at the World Wrestling Championships in Herning, Denmark.

MOLDING MANNING

Manning had plenty of experience to build his coaching philosophies, as he was one of the top wrestlers in the nation during his competitive career. Manning wrestled collegiately at Nebraska for one year, before transferring to the University of Nebraska-Omaha. After redshirting a season, Manning went on to become a two-time NCAA Division II national champion and three-time All-American under Coach Mike Denney. Manning posted a 121-23 record for the Mavericks, while capturing titles at 150 pounds in 1983 and 1985. Manning helped UNO earn a third-place team finish in 1983 and runner-up honors in 1985. While competing for the Mavericks, he was the leader of UNO's chapter of Fellowship of Christian Athletes for four years. Manning was inducted into the NCAA Division II Hall of Fame for his accomplishments as a wrestler and coach in 1999.

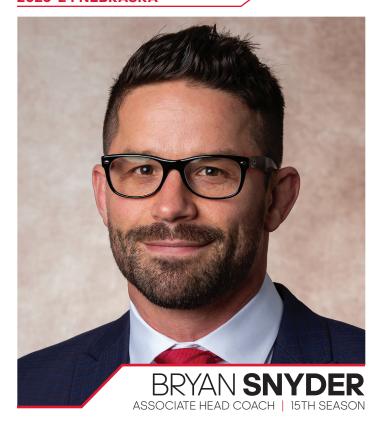

Manning's competitive career also extended beyond the collegiate ranks. He was a member of the U.S. freestyle team from 1986 to 1989. He won a silver medal at the 1989 Pan American Games.

The Vermillion, S.D., native received his bachelor's degree in physical education from Nebraska-Omaha in 1985, with a specialization in exercise science. Manning was the recipient of an NCAA postgraduate scholarship

NEBRASKA'S COACHING HISTORY

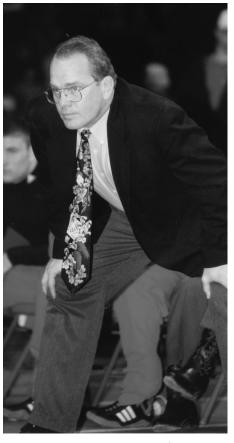

Nebraska has had only 16 head coaches in 100 years of wrestling history, including current Husker coach Mark Manning. Combining for 749 dual wins, NU coaches have always set a standard of excellence in the wrestling community. Dr. R.G. Clapp was the Huskers' first wrestling coach and led the team for 11 years before moving on to promote wrestling with the National Wrestling Coaches Association. Jerry Adam coached Nebraska for the majority of the 1930's and 1940's, before giving way to B.R. Patterson.

Orval Borgialli headed the Huskers for 14 years from 1964 to 1978, amassing 72 dual wins, and Bob Fehrs took over the team until 1985. Fehrs finished with a .648 dual-winning percentage with 95 career dual wins at Nebraska. Tim Neumann racked up 199 dual victories from 1985 to 2000 before Manning took over. Manning has amassed a 282-105-3 mark in Lincoln and is the winningest coach in program history.

Bob Fehrs patrolled the mat for the Huskers from 1978 to 1985, racking up 95 dual wins and coaching 11 Nebraska wrestlers to All-America honors.

Tim Neumann coached Nebraska from 1985 to 2000, producing five top-10 finishes at the NCAA Championships, 40 Husker All-Americans and four NU national champions.

Nebraska's first wrestling coach, Dr. Raymond G. Clapp (1911-26), was more than just a mentor for the first athletes who enjoyed the sport at the university. He was a prominent figure locally and internationally in the world of wrestling.

In the 1890s, Clapp distinguished himself as an all-around athlete while a student at Williston Seminary and at Yale University, starring in football, track, gymnastics and tennis.

It was as a track athlete at Yale that he rose to national and world prominence. Clapp won the IC4A pole vault title twice, annexed the national A.A.U. championship, earned a Canadian title and in 1898, he topped all performances to set a then-world mark in the vault of nearly 12 feet.

Dr. Clapp's interest and ability in gymnastics probably were more responsible than any other one thing in creating his great interest in collegiate wrestling. In addition to his many athletic distinctions, Clapp was crowned the allaround individual gymnastics champion of the Eastern Intercollegiate Association in 1889.

As a member and eventual chairman of the NCAA Wrestling Rules Committee, Clapp was largely responsible for the efficient organization of collegiate wrestling tournaments in the 1930s and 1940s. Clapp pioneered the system that is used to run many of the meets that take place even today.

While Ed Gallagher was building wrestling popularity in the Southwest, and Charlie Mayser was doing likewise in the East and Midwest, Dr. Clapp initiated college wrestling at the University of Nebraska in the earliest days of the sport, serving as head coach from 1911 to 1926.

Known widely as a leader in the promotion of collegiate wrestling, Clapp served in the administrative branch of the National Collegiate Wrestling Association for numerous years.

In 1932 and 1936, Clapp was secretary of the American Olympic Wrestling Committee and in 1940 was elected chairman of the committee. As chairman of the USA-Pan American Wrestling Committee and the committee representative to the 1942 Pan-American Games Committee, Clapp became increasingly prominent in the wrestling community.

For over 30 years, Clapp freely and willingly gave his time and energy to popularize collegiate wrestling.

A veteran administrator and College Football Hall of Famer, Trev Alberts is entering his third year as Vice Chancellor, Director of Athletics at the University of Nebraska in 2023-24. Alberts, who was hired on July 14, 2021, returned to his alma mater after spending 12 years at Nebraska-Omaha, guiding the program through a successful transition to the Division I level.

In his first season at Nebraska in 2021-22, Alberts helped the Huskers navigate the ever-changing landscape of Name, Image and Likeness guidelines for the benefit of Nebraska student-athletes. He led the development of the N-Vest Nebraska program to award \$5,980 per year to student-athletes who meet academic benchmarks.

Alberts also spearheaded the charge to complete the fundraising for Nebraska's Go Big Project, which will provide Nebraska football with a new facility scheduled to open in the summer of 2023. The project will also house academic, life skills, nutrition and support services for all Nebraska student-athletes.

A tireless worker who puts both the interests of student-athletes and fans first, Alberts helped orchestrate a qualitative survey of Nebraska's fan base to help shape the future of Memorial Stadium's game-day atmosphere.

Alberts has also focused much of his time on developing the first strategic plan for Nebraska Athletics in 15 years. He has also committed himself to providing intense support and a unifying vision for Nebraska's coaches across all sports.

Nebraska's athletic achievements in 2021-22 included top-five NCAA finishes from Husker volleyball, wrestling and men's gymnastics programs, while the NU women's basketball and softball teams enjoyed breakout seasons that concluded with trips to the 2022 NCAA Tournament. The women's track and field team added a 14th-place finish at the NCAA Outdoor Championships-its best showing since 2006.

Academically, Nebraska student-athletes continued to shine with a school-record 95 percent graduation rate across all sports.

Alberts' tenure leading UNO athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated

even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular-season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegeInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011, and Omaha began a men's swimming and diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in Nebraska-Omaha student-athletes posting consistent collective semester grade point averages above 3.3 for 18 consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also serve as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was an All-American on and off the football field as a Husker Blackshirt. He was Nebraska's first Butkus Award winner in 1993, helping Coach Tom Osborne's Huskers to an undefeated regular season and an Orange Bowl appearance against Florida State. A first-team All-American by every major publication in 1993, he was also the Football News National Defensive Player of the Year, the Big Eight Male Athlete of the Year, and

the Big Eight Defensive Player of the Year. His No. 34 jersey was retired at the 1994 Red-White Spring Game. In 2015, he was elected to the College Football Hall of Fame

Off the field, Alberts earned the NCAA's highest honor, The Today's Top Six Award. A threetime Academic All-Big Eight honoree, he was a CoSIDA Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he served as an analyst ocollege and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network.

Alberts and his wife Angela have three children – Chase (and his wife, Cassie), Ashtynne and Breanna.
