STEP 1 – RENEWING YOUR TICKETS

- When renewing online, we recommend using Google Chrome or Firefox browsers on a desktop or laptop computer. Visit huskers.com/myaccount and click on Season Renewals. Log in with the customer number in your renewal email and password.*

**If you have not utilized the online season renewal or purchased season tickets online before, your customer number and PIN were included in an email sent in mid-December. Click on [Activate Your Account](#) to set up online access to your account. This is the only time you will use your PIN.*

STEP 2 – UPDATE YOUR CONTACT INFO

- Once logged in, update your account information via the [Manage My Account](#) button. Please confirm the email address on your account is correct as this email will be used for further communications as well as where your season ticket(s) will be sent. If your account information is correct, select [Season Renewals](#) and click on [2024 Football Season Ticket & Parking Invoice](#).

STEP 3 – YOUR RENEWABLE ITEMS

- Review your season ticket locations. Please contact the Nebraska Athletic Ticket Office immediately if you discover a discrepancy in your season ticket seat location. Any seat cancellations need to be emailed to nebraska@huskers.com.

STEP 4 – SEATING CHANGES

- If you wish to move or acquire additional seats via the **Seat Yourself** process, please indicate while renewing online under [Special Requests](#) by clicking on "[Location Preferences](#)". All new seats or moves will be handled online only using the **Seat Yourself** process. You may not leave the process with fewer seats than you originally held.
- For those accounts that opt into the **Seat Yourself** process, you will be emailed additional information in late April which will include a day/time slot based on your donor priority.
- Donor priority points are recalculated each year. You receive 3 priority points per every \$100 donated this current year and 1 point for every \$100 of past years giving.
- The **Seat Yourself** process will begin **May 1** and will end **May 23** (or before if all tickets are sold prior to May 23). You will only be able to change your seats or purchase new seats once, and only after your assigned day/time slot begins.
- Account restrictions may apply and will be posted as instructions after you log in to the **Seat Yourself** process.
- After completion of the renewal period, we reserve the right to slightly adjust seats to avoid one seat gaps or to provide seat widening opportunities.

- The purchase of season tickets is a privilege which may be cancelled by the University, even after the acceptance of payment.

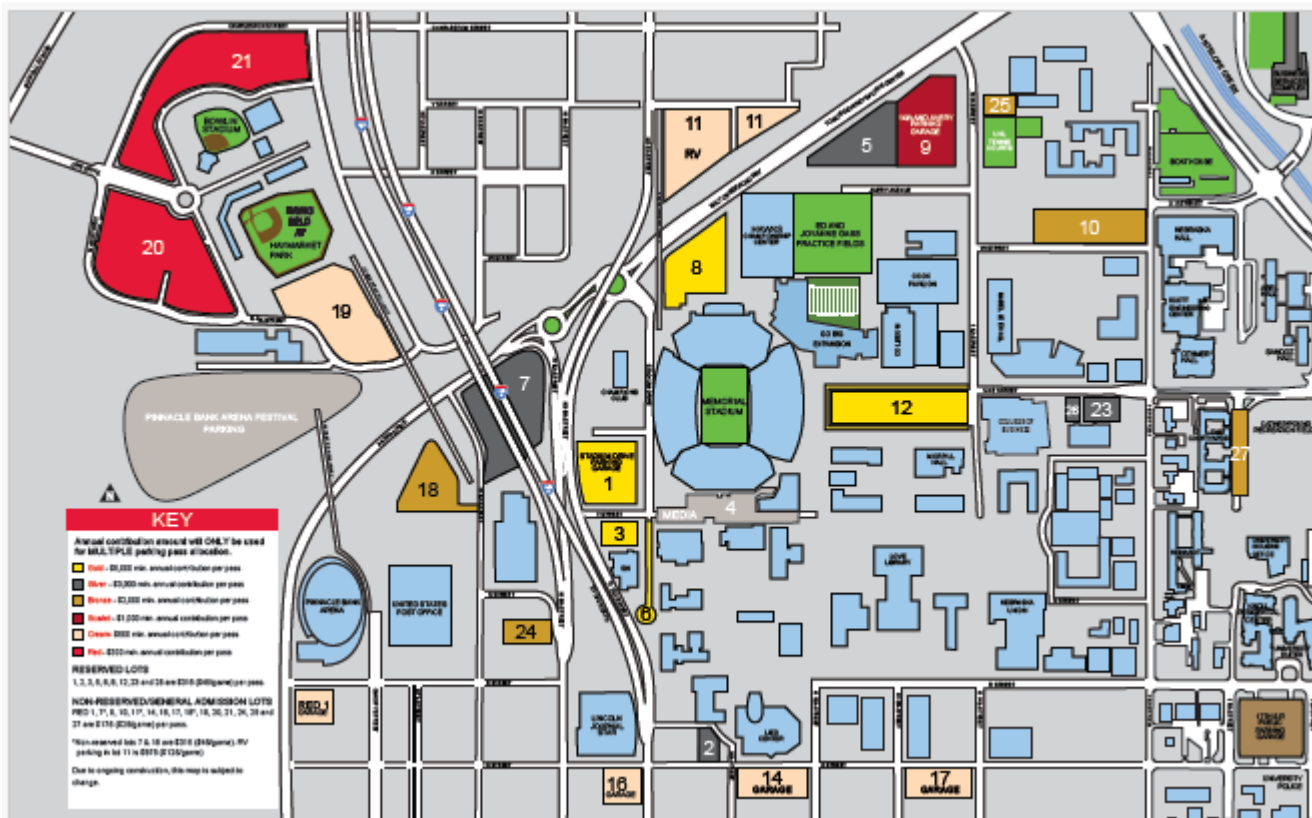

PARKING INFORMATION

Please reference your invoice for 2024 lot assignments. You must still meet the minimum donation requirements and pay for the pass to retain parking for the 2024 season. You can renew, request to add, or request to change your parking pass with your season ticket renewal. It is highly recommended to provide your detailed parking request as it will help our staff during the allocation process.

Please note: We do not anticipate many parking passes will become available for new selection for the upcoming season.

- To be eligible for donor football parking, you must be a football donor of at least \$300 to the Huskers Athletic Fund **and** have football season tickets on your donor account.
- We will send more details regarding the allocation process after the renewal period has been completed.
