WELCOME TO LINCOLN

On behalf of the University of Nebraska Athletic Department and Firethorn Golf Club, welcome to the 2024 Git-R-Done Husker Invitational!

It is with great pride that we host this competitive tournament field of 11 NCAA Division I collegiate golf teams from across the country. It's a privilege for Nebraska Athletics to host home competitions, and we are excited to have collegiate golf back in Lincoln.

Firethorn Golf Club, a Pete Dye Golf Course design, continues to gain recognition as a top facility in the state and Midwest for both collegiate and professional events. It serves as a home course for the University of Nebraska men's golf team. Firethorn frequently plays host to the best amateur tournaments in the state and region including the men's Nebraska State Amateur Championship, the women's Nebraska State Amateur Championship, and the men's Nebraska State Match Play Championship, among others.

On a national level, Firethorn has been the venue for the NCAA Division III Men's National Championship, qualifying for the men's U.S. Open, U.S. Senior Open, USGA Mid-Amateur, the 1996 U.S. Women's Amateur Championship, Women's Western Amateur Championship, and many more.

We hope you enjoy your week here at the University of Nebraska and Firethorn Golf Club!
