# ACCESS AND DOWNLOAD YOUR TICKETS
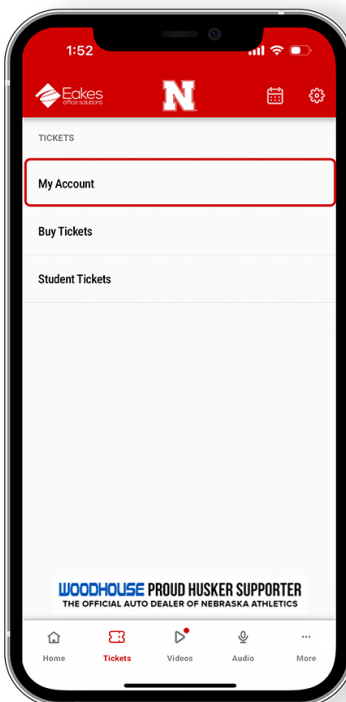

STEP 1

Tap the "Tickets" icon in the navigation bar at the bottom.

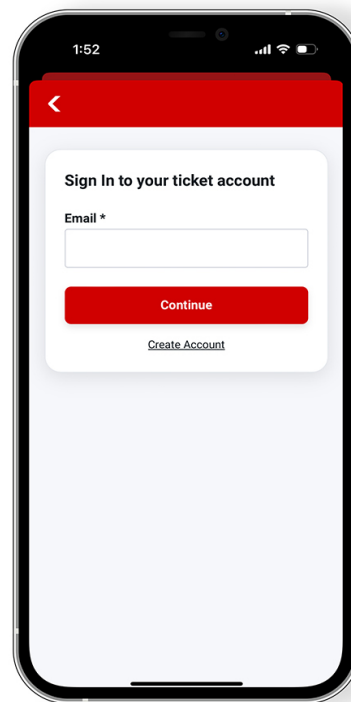

STEP 2

Tap the "My Account" button to access your tickets account.

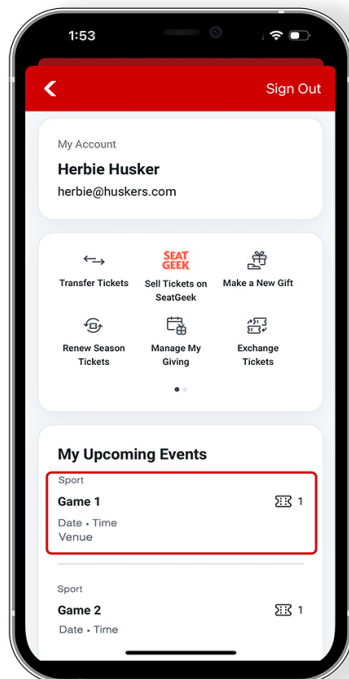

STEP 3

Login to your ticket account. You will not need to login every time you use the app unless you log out.

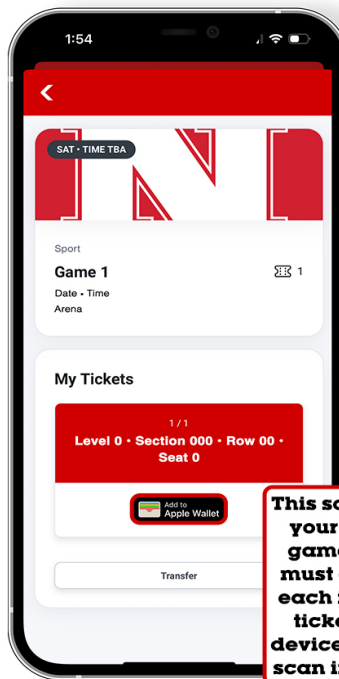

STEP 4

Click on the desired game to access and download your tickets.

STEP 5

Tap "Add to Apple Wallet" (for Android users, tap "G Pay Save to Phone".

This screen is not your ticket for gameday. You must download each individual ticket to your device's wallet to scan into games.
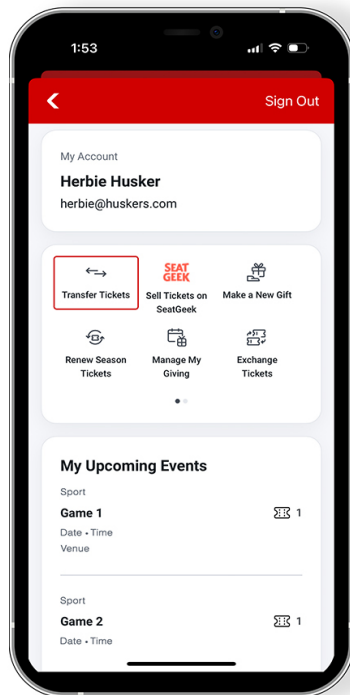

STEP 6

Tap "Add" in the upper right corner to add the ticket to your device's wallet.

# TRANSFERRING YOUR TICKETS AND ACCEPTING A TRANSFER

STEP 1
**Tap "Transfer Tickets" in the quick links to get started.**

STEP 2
Select the tickets or parking passes you would like to transfer, then tap "Continue" at the bottom of the screen.
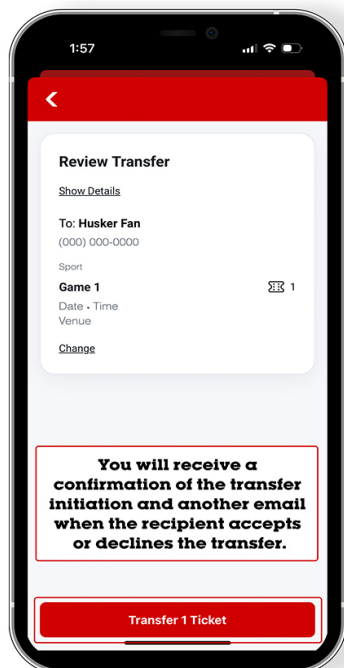

STEP 3
Enter the name and mobile number (or email) of the person receiving the transferred items, then tap "Review Transfer".

If you do not know the mobile number, you can send to an email as well.
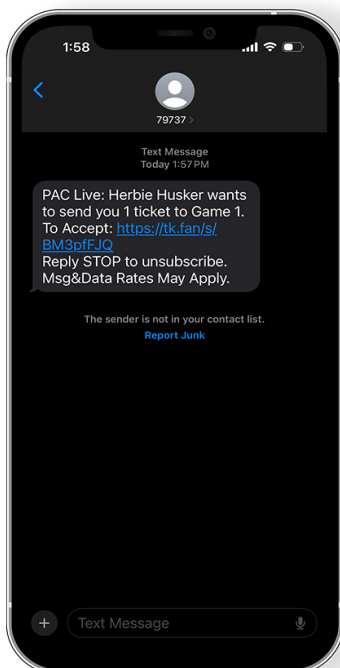

STEP 4
Verify the phone number (or email), game and seats. Then tap "Transfer Tickets".

You will receive a confirmation of the transfer initiation and another email when the recipient accepts or declines the transfer.
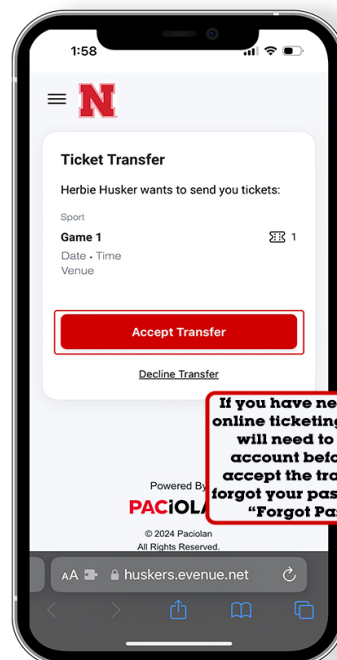

STEP 5
Recipients of a transfer will receive a text message (or email). Click on the link in the message to accept the transfer.

STEP 6
Sign into your ticket account with your email address and password. Tap "Accept Transfer" to accept the transfer.
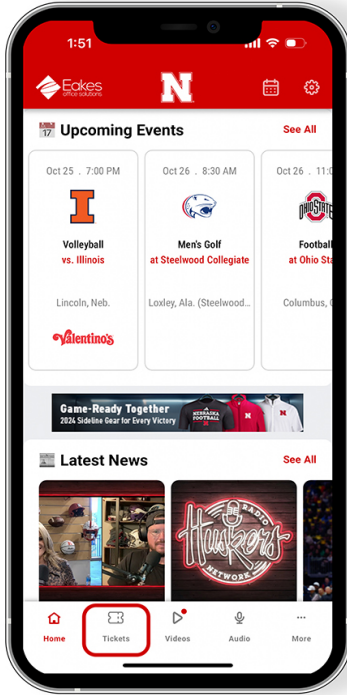

If you have never used the online ticketing system, you will need to create an account before you can accept the transfer. If you forgot your password, select "Forgot Password".
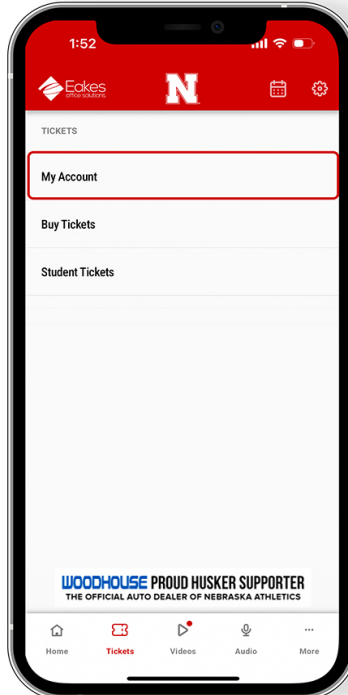

CANCEL A TRANSFER

**Tap the "Tickets" icon in the navigation bar at the bottom.**
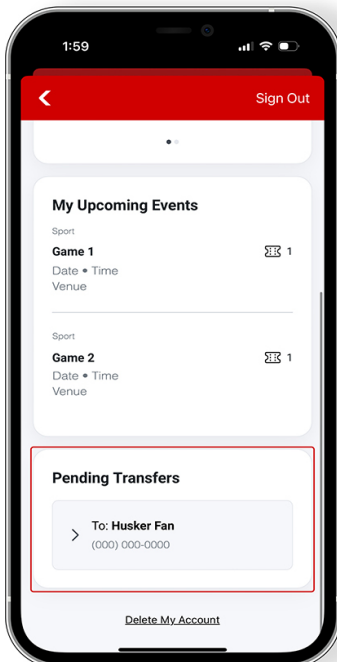

Tap the "My Account" button to access your tickets account.

Login to your ticket account. You will not need to login every time you use the app unless you log out.
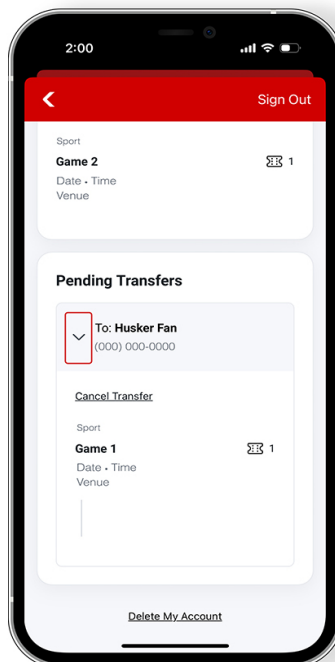

**Once logged in, scroll down past "My Upcoming Events" to find your pending transfers.**

**Tap to expand the transfer window for the transfer you wish to cancel.**

Tap "Cancel Transfer".
