## MATT RHULE SET FOR THIRD SEASON

**Matt Rhule** is in his third season at Nebraska in 2025. He owns a 59-56 record in his nine seasons as a college head coach. He took on a rebuilding project in each of his three college stops and excluding his first year at each school, Rhule boasts a 51-28 record.

- Year three has proven to be a breakthrough year for Rhule. In his third season at Temple in 2016, the Owls went 10-4 and played for the American Athletic Conference championship. In his third season at Baylor in 2019, the Bears were 11-3 and played for the Big 12 title.
- In his second season at Nebraska in 2024, Rhule guided the Huskers to their first winning record in eight years and first bowl win in nine years.

## GRADUATES HIGHLIGHT ACADEMIC SUCCESS

Eleven Huskers have already earned their degree, including eight players who earned their degrees from Nebraska and three players who joined the program as graduate transfers. Additionally, eight Huskers are on track to earn their degrees in either August or December.

- NU led the Big Ten with 73 Academic All-Big Ten selections in 2024.
- Nebraska football has produced more Academic All-Americans and more NCAA Impact Award winners (formerly NCAA Top 10 Award) than any other team in any sport in NCAA history.

## A LOOK AT NEBRASKA'S SCHEDULE

Nebraska will play three non-conference games and nine Big Ten contests in 2025. The Huskers will play Iowa, Maryland, Michigan, Michigan State, Minnesota, Northwestern, Penn State, UCLA and USC. Nebraska will not play Illinois, Indiana, Ohio State, Oregon, Purdue, Rutgers, Washington or Wisconsin.

- The 2025 season begins on Aug. 28, when the Huskers take on Cincinnati in Kansas City. Nebraska is opening its season away from home for the fifth time in six seasons.
- The Huskers then play four consecutive home games, hosting Akron, Houston Christian, Michigan and Michigan State.
- After playing its first two Big Ten games at home, four of Nebraska's next six Big Ten games are on the road. NU travels to Maryland and Minnesota in a span of six days in October, then hosts Northwestern and USC in consecutive weeks. The Huskers then have back-to-back road games at UCLA and Penn State with a bye in between.
- NU wraps up the regular season at home against Iowa the day after Thanksgiving, the 36th straight year the Huskers will play on Black Friday.

## NEBRASKA AMONG TOP ALL-TIME PROGRAMS

Nebraska will play its 136th season this fall, and the Huskers have historically been one of the top programs in college football history.

- Nebraska ranks eighth in NCAA history with 924 wins and ninth with 54 all-time bowl game appearances.
- NU has won five national championships. The Huskers' four AP national titles (1970, 1971, 1994, 1995) rank seventh all-time and NU's four coaches poll titles (1971, 1994, 1995, 1997) rank fifth.
- Nebraska's 46 conference titles rank second in NCAA history.

# TRAINING TABLE

The Training Table inside the Osborne Legacy Complex is the primary resource for student-athletes to seek out holistic fueling options. The Student-Athlete Training Table operates and sets its menus with a student-athlete first mentality. It seeks to provide healthy, accommodating nutrition options for all student-athletes at breakfast, lunch and dinner.

The Training Table also features the Lewis Family Life Skills Kitchen, allowing student-athletes to practice their culinary skills and learn more about making nutritious meals.

Fueling stations are the secondary resource for student-athletes to fulfill their fueling needs. The primary goal of our fueling stations is to provide quick and easy sources of nutrition and hydration to supplement training and competition.

Nebraska is the first college in the country to partner with FLIK Hospitality to provide a world-class custom performance nutrition program. Before partnering with Nebraska, FLIK worked exclusively with professional athletes, fueling over 25 professional teams across the NFL, NBA, WNBA, MLB, MLS and USL Championship League.

# 25 RETIRED JERSEYS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

## HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on and then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

## DEFENSIVE DOMINANCE

- Nebraska has ranked in the top 20 nationally in rushing defense, total defense and scoring defense in each of Matt Rhule's first two seasons. The Huskers are one of only four programs to rank in the top 20 in each of those categories in both 2023 and 2024.
- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.

## ACADEMIC COUNSELING
A team of 13 academic staff members are in place to monitor daily academic progress, promote skill development, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

## TUTORIAL SUPPORT
A tremendous resource for all academic abilities, tutorial support is available from day one up to college graduation in all subject areas. Tutorial support is provided both in-person and virtually. Nebraska's tutorial program is certified by the College Reading and Learning Association.

## STUDY HALL
Student-athletes attend a supervised study hall within the newly-opened Osborne Legacy Complex that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week and/or a list of academic tasks as determined by their academic counselor, learning specialist and coach.

## MENTORING
Academic staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

## EDUCATIONAL ASSESSMENTS
Assessments are administered upon the request of the student-athlete, academic counselor or coach. A learning specialist is available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

## STUDENT-ATHLETE ORIENTATION
Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

## PERSONAL COUNSELING
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

## THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie "R1: Doctoral Universities – Highest Research Activity" category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

## BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 18 Big Ten Institutions and partners with the University of Chicago. Being in the Big Ten Academic Alliance gives Nebraska several advantages, including: access to library collections across the conference, reduced costs through tech collaborations, lower student costs on course materials through collective purchasing and licensing, and study abroad partnerships and course-sharing agreements — students can take courses across Big Ten institutions.

# MATT RHULE

[ HEAD COACH ]

**3RD YEAR | 13TH YEAR AS A HEAD COACH**

## [ HONORS & AWARDS ]

- **2019 Sporting News National Coach of the Year**
- **2019 AFCA Region IV Coach of the Year**
- **2019 Big 12 Coach of the Year**

Matt Rhule is in his third season as Nebraska's head coach in 2025. Rhule led Nebraska to its first bowl appearance in eight years in 2024, guiding the Huskers to a victory in the Pinstripe Bowl.

Rhule enters 2025 with 12 years of experience as a head coach, including nine years in the college ranks and three seasons as the head coach of the NFL's Carolina Panthers. Highly regarded as a program builder and player developer, Rhule led successful turnarounds of the programs at Baylor and Temple and has improved Nebraska's record in each of his first two seasons in Lincoln.

The Huskers' two-win increase in 2024 continued his history of improvement throughout his college career. Rhule's teams have increased or matched their win total from the previous season in each of his nine seasons as a college head coach. Additionally, Rhule is one of just 12 active FBS head coaches to guide three different schools to bowl appearances.

After leading Nebraska to five wins in 2023, Rhule's second Nebraska team took another step forward with a 7-6 record. The seven wins were the most at Nebraska since 2016, and the bowl victory was the program's first since 2015. NU posted an unbeaten record against non-conference teams for the first time since 2005, and the Huskers were ranked as high as No. 22 during the season, Nebraska's highest ranking in eight years.

The steady improvement at Nebraska follows the path of Rhule's success at Temple and Baylor. Temple won only two games in Rhule's first season but in year three, the Owls set a school record for victories and played in the conference championship game. After leading Temple to a conference title the next season, Rhule moved on to Baylor with similar success. The Bears won only one game in Rhule's first season but in his third year, Baylor won a school-record 11 games and played in the Big 12 Championship Game and the Sugar Bowl.

## HEAD COACHING CAREER

**NEBRASKA:** Rhule led Nebraska to a 5-7 record in his first season in 2023, tying for the program's most victories in seven seasons. In the final year of Big Ten divisions, Rhule led the Huskers to three West Division wins, matching NU's total from the previous three seasons combined. NU also went undefeated in the month of October for the first time since 2001.

Rhule and his staff helped Nebraska rank among the nation's 15 most-improved teams in rushing defense, rushing offense, total defense and scoring defense. The Huskers also showed improvement in special teams, ranking second nationally with four blocked kicks. Individually, Rhule and his staff helped 10 Huskers earn All-Big Ten honors, including seven returning players who were recognized for the first time in their careers.

Nebraska improved to 7-6 in Rhule's second season, when the Huskers posted the program's first winning season and first bowl victory in eight years. The Huskers were ranked as high as No. 22 during the 2024 season, and Nebraska went undefeated against non-conference opponents for the first time since 2005. Five of Nebraska's six losses were one-score defeats, but the Huskers also showed improvement in winning close games as two of their final three victories came by seven or fewer points.

The Husker defense ranked in the top 20 nationally in rushing defense, total defense and scoring defense for the second straight season in 2024. Other than Nebraska, the only teams ranked in the top 20 nationally in rushing defense, total defense and scoring defense in both 2023 and 2024 were Michigan, Ohio and Penn State. Offensively, Nebraska boasted the nation's third-most improved passing unit in 2024. That group was led by a pair of true freshmen, as quarterback Dylan Raiola set Nebraska's freshman passing record while receiver Jacory Barney Jr. had the most receptions by a freshman in program history.

Rhule's success was not limited to the field, as Nebraska posted its highest team grade-point average in history and had more academic All-Big Ten selections than any other school during the 2024 season.

**CAROLINA PANTHERS:** Following successful stints as the head coach at Baylor and Temple, Rhule moved on to the National Football League as the head coach of the Carolina Panthers. Rhule coached the Panthers for two-plus seasons, posting an 11-27 record.

Rhule inherited a Carolina team that had lost eight straight games to finish the 2019 season. He led the Panthers to a 3-2 start in 2020 before finishing with a 5-11 record that included eight one-score losses.

Carolina won its first three games of the 2021 season before injuries at the quarterback position contributed to a 5-12 record. Rhule then led the Panthers to a 1-4 record through the first five weeks of the 2022 season.

**BAYLOR:** Rhule produced an impressive turnaround in three seasons as Baylor's head coach from 2017 to 2019, guiding the Bears to a 19-20 record.

Baylor won only one game in Rhule's first season in 2017 but two years later, the Bears went 11-3, becoming the first team from a Power Conference to go from 11 losses to 11 wins in two or fewer seasons.

Baylor finished 1-11 in 2017 but Rhule was successful in creating a strong culture and developing players, including quarterback Charlie Brewer, who was named the Big 12 Co-Offensive Freshman of the Year.

In his second year, Rhule guided Baylor to a 7-6 record in 2018 capped by a Texas Bowl victory over Vanderbilt. Baylor's six-win improvement from the 2017 to the 2018 season ranked third nationally and led all Power Conference programs. His staff's player development was on display again, as wide receiver Jalen Hurd was named the 2018 Big 12 Newcomer of the Year.

Rhule delivered a record-breaking season in his final year in Waco. Just two years after a one-win season, Rhule led Baylor to a school-record 11 victories in 2019. The Bears began the season 9-0 to mark the best start in school history, and the season ended with Baylor playing in its first Big 12 Championship game and its second Sugar Bowl. With a second straight bowl appearance, Rhule became only the second coach in Baylor history to make a bowl game in two of his first three seasons.

With an 11-3 record in 2019, Baylor finished with a No. 13 ranking, the Bears' second-highest final ranking since 1951. The only losses in Rhule's final season were a pair of three-point defeats to a top-10 Oklahoma squad and a 12-point Sugar Bowl loss to a top-5 Georgia team.

Sixteen Baylor players earned all-conference honors in 2019, and defensive tackle James Lynch was named the 2019 Big 12 Defensive Player of the Year and Defensive Lineman of the Year.

**TEMPLE:** Rhule's first head coaching job came at Temple, where he led the Owl program to new heights in four seasons from 2013 to 2016. Rhule guided Temple to a 28-23 record, including 20-7 over his final two years.

Rhule once again laid the foundation in his first year, when Temple finished 2-10. After an 0-6 start, the Owls went 2-4 over the final six games and never trailed entering the fourth quarter in any of their final six games.

With an emphasis on closing out games entering Rhule's second season, his team succeeded by allowing only 23 fourth-quarter points in 12 games in 2014. The strong finishes helped Temple achieve bowl eligibility with a 6-6 record.

Temple tied its school record with 10 victories in Rhule's third season in 2015, and the Owls again won 10 games in 2016. He led Temple to back-to-back 10-win seasons for the first time in program history, as the Owls had produced only one 10-win season before Rhule's time as head coach. Temple also played for the conference title in both 2015 and 2016.

In 2015, Rhule led his team to a conference division title. The Owls started the year 7-0 and achieved a national ranking for the first time in 36 seasons. Temple spent eight weeks ranked in 2015, accounting for half of the 16 all-time weeks the Owls have been ranked entering the 2024 season.

Rhule's final season culminated with another 10-win campaign and the program's first conference title in nearly 40 years, as Temple defeated No. 20 Navy, 34-20, in the American Athletic Conference Championship Game.

## ASSISTANT COACHING CAREER

**NEW YORK GIANTS:** Rhule's most recent season as an assistant coach came in the NFL, as he was an assistant offensive line coach with the New York Giants in 2012. The Giants finished 9-7 that season, and Rhule's work with the offensive line helped New York have a 3,000-yard passer, a 1,000-yard rusher and a 1,000-yard receiver.

**TEMPLE:** Rhule was on the Temple staff for six consecutive seasons from 2006 to 2011. He joined the Owls as the defensive line coach but moved to coaching quarterbacks the next season. Rhule served as Temple's offensive coordinator and quarterbacks coach from 2008 to 2010, and he was the assistant offensive coordinator and tight ends coach for his final season in 2011.

In 2011, the Owls went 9-4 and won their first bowl game since 1979. For the second time in Rhule's tenure, Temple set a school record for single-season rushing yards and rushing touchdowns. Temple originally set school records for season rushing yards and offensive all-conference selections in 2009, when Rhule was in his second season as offensive coordinator.

In his first season as offensive coordinator in 2008, Rhule's unit helped the Owls to their most wins (5) in nearly two decades. Temple outscored its opponents for the first time in 18 seasons, and Bruce Francis established the school record for career receiving touchdowns.

In addition to his coaching duties, Rhule served as Temple's recruiting coordinator in 2007 and 2011. The Owls landed the No. 1 recruiting class in the MAC in each of Rhule's two seasons as recruiting coordinator.

**WESTERN CAROLINA:** Rhule coached at FCS Western Carolina from 2002 to 2005, holding a variety of titles during his time as a Catamount. He was the assistant head coach for his final three seasons on staff, as Rhule took on additional duties while head coach Kent Briggs battled cancer.

Rhule coached the offensive line, special teams and linebackers during his tenure, while also serving as the running game coordinator in 2005. Western Carolina ranked 12th in the FCS in total defense in 2004, led by Rhule's linebackers who occupied the top five spots on the team in tackles. As the special teams coach, Rhule's unit led the FCS ranks in kickoff return average (27.4) in 2005.

**UCLA:** In an impressive rise up the ranks, Rhule landed a Power Five assistant coaching position in just the fourth season of his coaching career. Rhule was the assistant defensive line coach at UCLA in 2001, when the Bruins started 6-0 with four wins over ranked opponents. UCLA ranked in the top 25 nationally in total defense in Rhule's lone season on staff.

**BUFFALO:** Rhule coached the linebackers at the University of Buffalo for two seasons in 1999 and 2000, which marked the Bulls' first two seasons transitioning to the FBS level from the FCS ranks.

**ALBRIGHT COLLEGE:** One year after he was finished playing college football, Rhule landed his first full-time coaching job as the linebackers coach at Albright College in Pennsylvania in 1998.

### PLAYING CAREER (PENN STATE)

Rhule was a linebacker at Penn State from 1994 to 1997. He helped the Nittany Lions to a 41-8 record in his four seasons with one Big Ten title, three bowl victories and a top-20 final ranking every season.

### PERSONAL

A native of New York City, Rhule earned his bachelor's degree in political science from Penn State and his master's in educational psychology from Buffalo. He and his wife Julie have three children, Bryant, Vivienne and Leona.

## MATT RHULE COACHING NOTEBOOK

### A HISTORY OF IMPROVING PROGRAMS

Matt Rhule has a proven ability to improve programs after laying a strong foundation in year one. He owns a collegiate record of 59-56, but that mark improves to 51-28 when excluding his first season at Temple (2013), Baylor (2017) and Nebraska (2023).

- At both Temple and Baylor, Rhule led his team to a school-record victory total in just his third season at the school.
- Rhule took Temple from two wins in his first season to a school-record 10 victories in both his third and fourth seasons. He then took Baylor from one win in his first season to a school-record 11 victories in his third season.
- Over his last seven collegiate seasons, Rhule has won one conference championship, three division titles and produced three years with double-digit wins.

### TOOK TEMPLE TO NEW HEIGHTS

In his tenure at Temple from 2013 to 2016, Rhule took the Owls to new heights.

- In Rhule's second season in 2014, Temple posted the program's first win over an SEC team since 1938, its first win over a ranked opponent in 16 seasons and the program's largest margin of victory in nearly 50 years.
- Rhule won 10 games in both 2015 and 2016. He is responsible for two of the three 10-win seasons in Temple's 125-year history.
- He also took the Owls to back-to-back bowl games in 2015 and 2016, the first time Temple played in a bowl in consecutive seasons.
- In 2015, Rhule led Temple to the American Athletic Conference Championship Game, the first conference title game in program history.
- The next season, Rhule guided the Owls to their second conference title in program history and the first in nearly 40 years.
- Temple has spent a total of 16 weeks ranked in the 88-year history of the Associated Press top-25 poll. More than half of those top-25 rankings (9) came under Rhule in 2015 and 2016.
- Individually, linebacker Tyler Matakevich was Temple's third consensus All-American and its first in nearly 30 years. Matakevich also became the second Owl to win a major award, as he was the winner of the 2015 Chuck Bednarik Award and the Bronko Nagurski Trophy.

### AN ENCORE AT BAYLOR

At Temple, Rhule led the Owls to their highest season win total in program history, their first conference championship game appearance and an impressive run in the national rankings. He produced an encore by accomplishing each of those same feats in three seasons at Baylor.

- Baylor finished with 11 losses in Rhule's first season in 2017 but two years later, he guided the Bears to 11 wins in 2019. It was a remarkable turnaround, as Baylor became the first Power Five program to go from 11 losses to 11 wins in two or fewer seasons.
- Baylor won its final two games of the 2018 season and its first nine games of the 2019 campaign. The 11 straight victories marked the second-longest winning streak in school history, while Baylor's 9-0 start in 2019 was the best start in program history.
- In 2019, Rhule led Baylor to its most wins (11) in school history, the Bears advanced to their first Big 12 Championship Game and played in the Sugar Bowl for only the second time in program history.
- Baylor finished with a No. 13 ranking in 2019, the Bears' second-highest final ranking since 1951.

John Butler is in his second year at Nebraska in 2025 and his first full season as defensive coordinator. He served as the Huskers' secondary coach and pass game coordinator during the 2024 regular season before being promoted to defensive coordinator for the Pinstripe Bowl.

Butler is in his 31st season of coaching, and his experience includes 21 years in college football and 10 seasons in the National Football League. In his first season at Nebraska in 2024, Butler's secondary helped the Huskers rank in the top 20 nationally in total defense and scoring defense.

Butler's collegiate resume features four stops at power conference schools with experience in the Big Ten, Big 12 and SEC. He has been the defensive coordinator at both Nebraska and Penn State.

In the NFL, Butler had a history of working with winning teams. In his 10 seasons in the National Football League, Butler's teams won six division titles and made seven playoff appearances.

He has also proven to be an outstanding secondary coach. In his six seasons coaching the Buffalo Bills' defensive backs from 2018 to 2023, the Bills had a top-five pass defense five times.

## NEBRASKA

Nebraska held five opponents to fewer than 200 yards passing in 2024, as Butler's secondary helped complement a Husker rush defense that ranked eighth nationally. As a team, Nebraska ranked 17th nationally in scoring defense and 18th in total defense. In the Pinstripe Bowl victory over Boston College, Butler coordinated a defense that allowed only one scoring drive longer than two yards.

Nebraska had 11 interceptions in 2024, including three that were returned for touchdowns. The 11 interceptions tied for the most by a Husker squad in eight seasons, while Nebraska's three interception returns for touchdowns were the most for the program since the 2013 season. The Huskers ranked sixth nationally in interception returns for touchdowns. Individually, safety DeShon Singleton and cornerback/safety Malcolm Hartzog Jr. both earned honorable-mention All-Big Ten accolades.

## BEFORE NEBRASKA

E.J. Barthel is in his third season as Nebraska's running backs coach in 2025. Barthel is in his sixth season on Matt Rhule's staff overall, having previously coached under Rhule with the Carolina Panthers and at Temple. Barthel also serves as Nebraska's director of football evalution.

Barthel is in his 12th season of coaching in 2025, and he has put together a diverse resume having served in recruiting and player development roles in addition to being a running backs coach. Barthel has Big Ten experience at Nebraska, Rutgers and Penn State, and he coached for two seasons in the National Football League.

A New Jersey native, Barthel has a reputation as one of the top recruiters in the Northeast and specifically the New Jersey area. In his lone season at Penn State, he helped the Nittany Lions secure the No. 6 recruiting class in 2018.

As a running backs coach, he has helped both Nebraska and UConn rank in the top 35 nationally in rushing over the past three seasons. In 2024, Nebraska saw a running back score the most rushing touchdowns in six seasons and catch the most passes in 18 seasons.

## NEBRASKA (2023-24)

Nebraska's running back room was hit hard by injuries during Barthel's first season in 2023. Despite the injuries, the Huskers averaged 176.8 rushing yards per game, ranking second in the Big Ten in rushing.

Gabe Ervin Jr. and Rahmir Johnson - the top two running backs on Nebraska's depth chart - were both lost to season-ending injuries in the third game of the year. Ervin and Johnson each averaged more than 5.0 yards per carry in their three games, which included two road games against Power Five opponents. Following the injuries to Ervin and Johnson, Barthel helped Anthony Grant and Emmett Johnson each rush for more than 400 yards. Johnson rushed for 411 yards on 90 carries after entering the year with zero career carries. Barthel also helped Joshua Fleeks make a mid-season transition from wide receiver to running back, and Fleeks produced a 77-yard touchdown run against Michigan, the first run of 70 yards allowed by the Wolverines in four seasons.

In 2024, Nebraska's running backs put up big numbers on the ground and in the receiving game. Dante Dowdell scored 12 rushing touchdowns, the most by a Husker running back in six seasons. Dowdell rushed for 614 yards while Emmett Johnson had 598 rushing yards, as both players set career highs in rushing yards. Johnson also caught 39 passes, the fourth-most season receptions by a running back in program history and the most in 18 years. Johnson also led Nebraska with 908 all-purpose yards. Barthel helped Rahmir Johnson earn MVP honors in the Pinstripe Bowl, when Johnson reached 1,000 career rushing yards.

Barthel's running backs helped UConn rush for 2,339 yards with 18 rushing touchdowns in 12 games. The Huskies ranked 33rd nationally in rushing offense. William & Mary posted an increase of 130.7 rushing yards per game from the 2018 to the 2019 season, a total that led the FCS by a wide margin. The Tribe ranked 30th nationally in rushing offense in 2019, an increase of 93 spots from the previous season, when the team ranked next-to-last (123rd) in the FCS in rushing.

William & Mary's yards-per-carry average improved from 1.8 in 2018 to 4.2 in 2019, and the Tribe rushed for 26 touchdowns in 2019 after running for only five scores in 2018. William & Mary also set a school record with 462 rushing yards against Rhode Island during the 2019 season.

In Bradden's final season in 2024, Kansas City ranked fourth in the NFL in scoring defense and ninth in total defense. The defensive line helped stop the opponent running game, as the Chiefs allowed the fifth-fewest yards per carry in the league.

In 2023, Bradden assisted a defensive line that recorded 57.0 sacks to rank second in the NFL. The 57.0 sacks were the second-highest total in team history and helped the Chiefs rank second in the NFL in scoring defense. Jones and defensive end George Karlaftis each recorded 10.5 sacks. The play of the defensive line helped Kansas City rank second in the league in total defense and scoring defense.

The defensive line also paced the way for the Chiefs to record 55.0 sacks in 2022, which ranked second in the league. Jones registered 15.5 sacks while Karlaftis had the fifth-most sacks by a rookie (6.0) in franchise history.

In Bradden's first season as the assistant defensive line coach in 2021, the Chiefs ranked eighth in the NFL in scoring defense.

Bradden spent the 2020 season as a defensive quality control coach working mostly with the defensive line. That season, Jones was named to the All-Pro second team and was a Pro Bowl selection.

Rob Dvoracek is in his third season as Nebraska's linebackers coach in 2025. Dvoracek came to Nebraska after spending two seasons coaching in the National Football League, and he has spent seven of his nine seasons on a Matt Rhule staff.

A talented young coach, Dvoracek has experience at two Power Four programs in addition to being an NFL assistant. He also boasts previous experience being part of a program rebuild, as Dvoracek spent two years at Baylor during the Bears' three-year turnaround from a one-win season in 2017 to an 11-win season in 2019.

Nebraska has ranked in the top 20 nationally in rushing defense, total defense and scoring defense in each of Dvoracek's first two seasons on staff. The Huskers are one of only four teams in the country who ranked in the top 20 in each of those three defensive categories in both the 2023 and 2024 seasons. Dvoracek's ability to develop players helped key Nebraska's defensive success, as he helped a different former walk-on earn All-Big Ten honors in both 2023 and 2024.

## NEBRASKA (2023-24)

In his first season at Nebraska in 2023, Dvoracek and his linebackers helped NU finish with its best rushing defense, total defense and scoring defense in the Big Ten era (since 2011). Dvoracek's linebackers were a key part of a stout Nebraska defense in 2023. The Blackshirts ranked eighth nationally in rushing defense, allowing the program's fewest rushing yards per game (92.9) since 1999. The Husker defense also ranked 11th in total defense and 13th in scoring defense, posting the program's highest national finish in those categories since 2010 and 2011, respectively.

The Husker linebacking corps featured four of Nebraska's six leading tacklers in 2023. Luke Reimer, a third-team All-Big Ten selection, battled injuries to record 48 tackles in 2023, including 7.5 tackles for loss and 5.0 sacks. Javin Wright flourished under Dvoracek's coaching, ranking second on the team with 51 tackles after entering the year with nine tackles in his first four seasons. John Bullock saw similar success, totaling 50 tackles after recording six tackles in his first four seasons. Nick Henrich added 42 tackles before suffering a season-ending injury. The quartet of Reimer, Wright, Bullock and Henrich combined for 191 tackles, 16.0 TFLs and 9.0 sacks.

In 2024, Dvoracek helped Nebraska rank eighth nationally in rushing defense, 17th in scoring defense and 18th in total defense. Bullock completed his journey from walk-on to all-conference performer in his final season, as he was an honorable-mention All-Big Ten selection. Bullock set career highs with 70 tackles, 10.0 tackles for loss, 4.0 sacks, five pass breakups and one interception, which he returned for a touchdown.

## BEFORE NEBRASKA

**CAROLINA PANTHERS:** Dvoracek spent the 2021 and 2022 seasons as part of Rhule's staff with the Carolina Panthers. Dvoracek served as a coaching assistant in 2021 and a defensive assistant in 2022. His work with the Panther defense helped Carolina rank second in the NFL in total defense in 2021.

**LEHIGH:** Dvoracek spent the 2019 and 2020 seasons as the defensive ends and outside linebackers coach at Lehigh. In 2019, the Mountain Hawks allowed 14 fewer points and 100 fewer yards per game than in 2018 while recording 14 more sacks. Lehigh ranked 10th in the FCS in first downs allowed, 20th in scoring defense (21.4), 26th in rushing defense (130.5) and 28th in total defense (346.3). Individually, Dvoracek helped defensive end Mikhari Sibblis earn freshman All-America honors.

The 2020 season was cut short due to the pandemic, as Lehigh played only a three-game schedule in the spring of 2021, when the defense allowed only 252.7 yards and 15.3 points per game.

Donovan Raiola is in his fourth season as Nebraska's offensive line coach in 2025. Raiola owns 14 years of coaching experience, including four years as an offensive line coach in the National Football League.

Raiola was the only full-time coach retained when Matt Rhule was hired as the Huskers' head coach. Raiola joined Nebraska after spending four seasons as an assistant offensive line coach with the Chicago Bears. He also coached offensive linemen at Aurora (Ill.) University, in addition to collegiate coaching stops at Notre Dame and Hawaii.

In addition to working his 11th season as an offensive line coach in 2025, Raiola was an outstanding lineman himself. A three-time All-Big Ten selection at Wisconsin, Raiola went on to play six seasons in the NFL. His experience as a player and a coach has helped Raiola develop a pair of two-time All-Big Ten selections on the offensive line.

## NEBRASKA (2022-24)

Raiola helped Nebraska's offensive line overcome many challenges during the 2022 season, including a mid-season coaching change. Raiola's unit had plenty of adversity of its own, as one projected starter was lost before the season began and another starter was lost for the year in game three. Starting right guard Broc Bando also missed time due to injuries, while first-year transfer Kevin Williams Jr. worked his way into a starting role by the fourth game of the season against Oklahoma, only to be lost for the season with an injury suffered against the Sooners.

Despite the injuries, the offensive line nearly paved the way for a 1,000-yard rusher and 1,000-yard receiver, something that has happened only once in the history of Nebraska football. Trey Palmer set a Nebraska single-season receiving record with 1,043 yards, while Anthony Grant had five 100-yard rushing performances and ran for 915 yards, the highest total by a Husker in four seasons.

Behind the play of the line, Nebraska had two games in 2022 where the Huskers had a 300-yard passer, a 100-yard rusher and a 100-yard receiver. Entering the year, Nebraska had accomplished that feat only seven times in its first 132 seasons.

Raiola's offensive line was arguably the most improved unit on Nebraska's 2023 team. The group, which lost two starters to season-ending injuries, paved the way for a Husker rushing attack that ranked second in the Big Ten. Nebraska was able to consistently have explosive plays behind the play of the offensive line. Nebraska ranked ninth nationally in runs of 40 yards or longer, and NU was second in the Big Ten in offensive plays of 50 yards or longer.

Bryce Benhart and Ben Scott each earned All-Big Ten recognition under Raiola's development. Both of those players repeated as honorable-mention all-conference linemen in 2024, with Benhart setting school records for career starts (54) and games played (60).

Nebraska's line provided protection for a passing offense that was the third-most improved unit nationally in the 2024 season. The play of the line helped true freshman quarterback Dylan Raiola - Donovan's nephew - set Nebraska's freshman passing record (2,819 yards). Dylan Raiola also led all freshmen nationally in completion percentage (67.1), while receiver Jacory Barney Jr. set Nebraska's freshman receptions record (55). On the ground, the play of the line helped Dante Dowdell score 12 touchdowns, the most by a Husker running back in six seasons.

## CAREER HIGHLIGHTS

- Produced a pair of two-time All-Big Ten linemen the past two years
- Nebraska ranked 2nd in the Big Ten in rushing offense in 2023
- Nebraska had a 1,000-yard receiver & 900-yard rusher in 2022
- Four seasons of experience as an NFL offensive line coach
- Helped the Chicago Bears to two playoff berths in four seasons
- 2018 Bears' line allowed the third-fewest sacks in the NFC
- Coached at two of the 10 winningest teams in college football history
- Developed seven Notre Dame linemen who went on to NFL careers
- Was a three-time All-Big Ten offensive lineman at Wisconsin
- Played six seasons as an NFL offensive lineman

## BEFORE NEBRASKA

**CHICAGO BEARS:** Raiola helped the Bears to two playoff appearances in his four seasons on staff from 2018 to 2021. In his first season in Chicago assisting offensive line coach Harry Hiestand, the Bears posted a 12-4 record and captured the NFC North Division title. The Bears offensive line allowed just 33 sacks, tied for the third fewest in the NFC, while Chicago averaged 26.3 points per game, the fourth-best average in the NFC.

In the 2020 season, Raiola helped tutor an offensive line that featured six different starting combinations. Raiola assisted in helping develop a pair of rookie undrafted free agents (Sam Mustipher and Alex Bars) into starters late in the season, as the Bears reached the NFC playoffs. The Bears rushed for more than 2,000 yards in 2021, ranking seventh in the NFC in rushing.

**AURORA UNIVERSITY:** Raiola spent the 2017 season as the offensive line coach at Aurora University in Illinois. Raiola's line helped the Spartans average more than 200 yards rushing.

**NOTRE DAME:** Raiola was an offensive graduate assistant at Notre Dame in 2015 and 2016 assisting offensive line coach Harry Hiestand, helping develop six Fighting Irish offensive linemen who went on to play in the NFL. In 2015, the Fighting Irish finished with a 10-3 record and averaged more than 34 points per game. Notre Dame again averaged more than 30 points per game in 2016.

**HAWAII:** Raiola's first collegiate stop was in his home state of Hawaii as an offensive intern in 2014. At Hawaii, Raiola worked under Head Coach Norm Chow, an accomplished offensive coordinator who helped USC to a pair of national titles in 2003 and 2004.

**KAMEHAMEHA SCHOOLS-KAPALAMA:** Raiola began his coaching career with two seasons at Kamehameha Schools-Kapalama in 2012 and 2013. At Kamehameha Schools-Kapalama, Raiola coached the offensive line and organized clinics for offensive linemen throughout the state of Hawaii.

## PLAYING CAREER (WISCONSIN & NFL)

Raiola spent parts of six seasons playing in the NFL, signing contracts with the Rams, Steelers, Seahawks, Cardinals, Bears, Buccaneers and Commanders. Raiola started 39 games at center for Wisconsin and was a three-time honorable-mention All-Big Ten selection from 2003 to 2005. He helped the Badgers to top-20 finishes in each of his final two seasons.

## PERSONAL

Raiola earned his degree in agricultural business management from Wisconsin in 2005. He is the younger brother of Dominic Raiola, an All-America center and Rimington Trophy winner for the Huskers.

Marcus Satterfield is in his third season on Nebraska's staff in 2025. He served as the Huskers' offensive coordinator in 2023 and for the first nine games of the 2024 season before moving into the role of tight ends coach.

Satterfield is in his ninth season on a Matt Rhule staff, having coached under Rhule at Nebraska, Carolina, Baylor and Temple. Satterfield is in his 27th season overall, including two years as the head coach of Tennessee Tech.

As an offensive coordinator, Satterfield helped South Carolina post impressive numbers in 2022, when the Gamecocks finished with the third-most passing yards in school history, the fourth-most points and sixth-most total yards. At Nebraska, Satterfield's offense ranked second in the Big Ten in rushing in 2023. In 2024, Dylan Raiola set Nebraska's freshman passing yards record and Jacory Barney Jr. had the most catches by a freshman in program history.

## NEBRASKA (2023-24)

Nebraska averaged 176.8 rushing yards per game in 2023 to rank second in the Big Ten. The Huskers also had the 14th most-improved rushing offense in the country despite losing their top two running backs and two starting offensive linemen to season-ending injuries. Injuries also forced Nebraska to use three starting quarterbacks in 2023.

Nebraska's offense was fueled by explosive plays in 2023. NU led the Big Ten in runs of 40, 50, 60 and 70 yards, while ranking ninth nationally in runs of 40 yards or longer. Nebraska also ranked second in the Big Ten in offensive plays of 50 yards or longer. On the season, 60 percent of Nebraska's passing and receiving yards came from players who entered the year with zero career pass attempts or receptions.

As offensive coordinator for the first nine games of the season, Satterfield helped several players put up impressive marks. True freshman quarterback Dylan Raiola completed 67.1 percent of his passes on the season for 2,819 yards. DEVANEY. OSBORNE

## TOM OSBORNE

**HEAD COACH, 1973-97**
**RECORD: 255-49-3 (.836, 6TH ALL-TIME)**

The field inside Memorial Stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne also served as Nebraska's Athletic Director from 2007 through 2012.

## BOB DEVANEY

**HEAD COACH, 1962-72**
**RECORD: 101-20-2 (.829, 12TH ALL-TIME)**

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, Nebraska developed one of the nation's most successful all-around athletic programs under Devaney's leadership.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 12th on the all-time list, six spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

## NEBRASKA'S NATION-LEADING 18 NCAA IMPACT AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Impact Award (formerly Today's Top 10 Award). The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities. Nebraska earned its NCAA-leading 18th Impact Award in 2020 when men's gymnast standout Anton Stephenson was recognized at the NCAA honors dinner.

The Husker football program has nine of Nebraska's 18 Impact Award winners, the most of any single sport in NCAA history. The most recent football player to earn an Impact Award was All-America rush end Grant Wistrom, who was a 1998 honoree. Wistrom's selection gave Nebraska nine overall honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, marking the first two times that a school had more than one student-athlete honored.

In the 1990s, six Husker football players were honored with the Impact Award, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Impact Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), three men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991, Stephenson-2020), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Mary Weatherholt-2014) have also claimed the honor.

# VARSITY LETTERMAN LIST

**NOTE:** The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

# 135 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

## COACH ERNEST E. BEARG

**(Illinois) 23-7-3 (.742), 1925-28**

Ernest E. Bearg won Nebraska's first Big Six title in 1928 when his team went 7-1-1. Despite fielding powerful teams during his four years, fans criticized him for not using strategy and deception, which eventually led to his resignation. Bearg also spent one year as men's basketball coach (1926) and posted an 8-10 record.

## NEBRASKA IN THE POLLS

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 8 in the All-Time AP Poll. Nebraska's streak of appearing in 348 consecutive polls from 1981 to 2002 remains an AP Poll record.

## COACH TOM OSBORNE

**(Hastings, 1959) 255-49-3 (.836), 1973-97**

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He reached 200 (21 seasons) and 250 wins faster than any coach in college football history. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

## COACH FRANK SOLICH
**(Nebraska, 1966) 58-19 (.753), 1998-03**

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was inducted into the College Football Hall of Fame in 2024. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

## COACH SCOTT FROST

**(Nebraska, 1997)**
**16-31 (.341), 2018-22**

Scott Frost returned to his alma mater in 2018 as the fifth former Husker player to return as Nebraska's head coach. Frost came to Lincoln with two years of head coaching experience at UCF, where he posted the greatest two-year turnaround in college football history. Frost inherited an 0-12 UCF team and took the Knights to a perfect 13-0 season in his second and final year, when he was the national coach of the year. Previously, Frost spent seven seasons at Oregon - including three as the Ducks' offensive coordinator - and two years at Northern Iowa.

*Note: The 2020 season was shortened due to the COVID-19 pandemic. The original 12-game schedule was changed to a 10-game conference-only schedule on Aug. 5 before the season was postponed on Aug. 11. On Sept. 16, a nine-game schedule was released, and the Huskers played eight games, as the Wisconsin game was canceled by the Badgers due to COVID-19.*

*The Big Ten prohibited ticket sales for the entirety of the 2020 season, with attendance limited to players' and coaches' families. As a result of that decision, Nebraska did not keep attendance figures for the season and paused its then-375-game home sellout streak.*

As president, Gold leads a four-campus university system that enrolls nearly 50,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a $3 billion annual budget and includes a flagship Big Ten institution, a world-renowned academic health sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

He is a nationally recognized higher education and health care leader and advocate. He was the chancellor of the University of Nebraska Medical Center (UNMC) and board chair for the Nebraska Medicine Health System from 2014 to 2024. Dr. Gold leads several key economic development boards for the State and the University System, including the Greater Omaha Chamber, University Tech Development Corp, the University Tech Transfer Corp, and UNeTech Corp.

His national leadership roles have included more than 50 national professional committees and more than 100 national organizations, volunteer boards, government and public health councils. He has worked extensively with national- and state-level elected and appointed governing and administrative bodies as an advisor and trusted resource in the areas of higher education, research and clinical care.

## RODNEY BENNETT

[ CHANCELLOR ]

Dr. Rodney D. Bennett began his work as the 21st chancellor of the University of Nebraska–Lincoln, Nebraska's flagship, Big Ten research institution on July 1, 2023. He is a 30-year veteran of higher education with a track record of growing research, increasing student success and building impactful partnerships.

In his first year as Chancellor, the University experienced rising retention and graduation rates, demonstrated positive signs related to enrollment, and expanded its research and creative activity efforts.

- In Fall 2023, almost 4,700 first-time freshmen enrolled at UNL—an increase of 1.3 percent from 2022. 75.4 percent of those first-time freshmen are from Nebraska.
- Spring 2024 overall enrollment reversed a trend of five straight years of spring enrollment declines.
- Over the last five years, UNL retention from first to second year has increased 2.3 percentage points and four-year graduation rate has increased more than 8.5 percentage points.
- In 2023, the university's total research expenditures grew to $366 million, a 37 percent increase over the past decade. UNL has also experienced tremendous growth in externally sponsored federal funding, increasing to a record $163 million in 2023.

Chancellor Bennett came to Nebraska after nine years of successful leadership at the University of Southern Mississippi. During his tenure as president, USM was reclassified from a Carnegie R2 to an R1 university, signaling growth in research prestige and funding. Dr. Bennett also invested in programs to support student recruitment, retention and outcomes, including for the 30 percent of USM students who were first-generation. His efforts led to an improvement in the university's six-year graduation rate.

Prior to his role at the University of Southern Mississippi, Dr. Bennett served at the University of Georgia for more than a decade. He was the senior administrator for student programs and services for Georgia's 34,000-plus students; oversaw $150 million in capital projects; and made key staff and programmatic investments in extracurriculars, mental health programs and other areas to better support students.

Dr. Bennett has also been the dean of students at Winthrop University in Rock Hill, South Carolina, and associate dean of student life at Middle Tennessee State University.

Chancellor Bennett values community leadership and service. He has served on numerous boards, including the Mississippi Aquarium, Northeast Georgia Girl Scouts of America, Catholic Health East (Philadelphia), and St. Mary's Health Care System in Athens, Georgia. He is a member of Kappa Alpha Psi fraternity and Past Sire Archon for Sigma Pi Phi fraternity, The Boulé.

Dr. Bennett earned a bachelor's degree in mass communication, a master's degree in educational administration, and an education specialist degree from Middle Tennessee State. He earned his Doctor of Education degree from Tennessee State University.

He and his wife, Temple, are the parents of two adult daughters, Colby and Logan.

*Interim Co-Directors

An experienced leader in collegiate athletics with a strong Midwestern background, Troy Dannen is in his second year as Nebraska's Director of Athletics. Dannen guides Nebraska's 24-sport athletic department that ranks among the nation's most successful programs both athletically and academically.

Nebraska Athletics has enjoyed success since Dannen arrived in Lincoln in March of 2024. During the 2024-25 athletic year, five Husker teams finished in the top four nationally, including volleyball, wrestling, men's gymnastics and bowling. The volleyball program reached the Final Four, while the wrestling team posted its highest finish in school history with a national runner-up showing and had multiple national champions for the first time since 1984. The softball program won its first NCAA regional since 2014 while baseball repeated as Big Ten Tournament champions. Overall, Nebraska finished 21st in the final 2024-25 Learfield Director's Cup, the program's highest finish since 2010.

In the spring of 2024, the Husker baseball team won its first Big Ten tournament title, and the men's track team won the Big Ten Outdoor Championships. The men also had their best NCAA Championship showing since 2016 with a 13th-place finish. The women's track team posted their second straight top-10 NCAA finish and placed ninth at the national meet.

Dannen has long been a leader in charting the course for the future of college athletics and that continues at Nebraska. In May of 2025, Dannen was appointed to the College Football Playoff Selection Committee, continuing his impact on the national level. He served from 2021 to 2023 as a member of the NCAA Constitution Committee and the Division I Transformation Committee. He also previously served as chair of the NCAA Football Competition Committee and was an Executive Committee member of the Football Oversight Committee. In total, Dannen has served on seven NCAA committees. In 2022, Dannen was a finalist for Sports Business Journal's Athletic Director of the Year award, and he received the Distinguished American Award from the Sugar Bowl Chapter of the National Football Foundation.

Dannen came to Lincoln after serving as Director of Athletics at the University of Washington. He helped guide the Huskies' transition to the Big Ten Conference and oversaw a football program that reached the College Football Playoff National Championship Game in January of 2024.

He arrived at Washington in the fall of 2023 after serving as Director of Athletics at Tulane University since 2015. While at Tulane, Green Wave student-athletes earned 49 All-America honors, a national championship, 21 conference championships and 41 postseason appearances.

In 2022-23, Tulane football won its first American Athletic Conference football championship and won the Cotton Bowl over USC, which was ranked ninth in the nation at that time. The men's basketball program won 20 regular-season games for the first time in two decades. Additionally, men's tennis advanced to its sixth NCAA Tournament in seven years, both bowling and beach volleyball finished ranked in the top 20, and baseball won the conference championship.

Tulane's football program participated in an unprecedented three consecutive bowl games from 2018 to 2020, winning back-to-back bowl games for the first time in 128 years of football at the University. In the classroom, Tulane student-athletes excelled at a high-level. At the end of the 2022-23 academic year, over 68 percent of Green Wave student-athletes earned a 3.0 GPA or better, with a 93 percent Graduation Success Rate and a record-setting department Academic Progress Report of 992, with seven teams earning a perfect 1000 APR score.

Dannen spearheaded fundraising efforts and numerous capital projects at Tulane. He helped secure the largest unrestricted gift in Tulane Athletics history, an endowment gift that funded the operation of a new sport (sailing), and a $10 million lead gift for capital renovations, which was the second-largest gift in department history. In addition, marketing and licensing revenue grew four-fold, and in 2022-23, Tulane football, basketball and volleyball set ticket sales and revenue records. Under Dannen's leadership, the Green Wave Club Annual Fund grew by 40 percent in terms of donors, and 45 percent in terms of dollars.

Increases in fundraising and major gift donors positively impacted capital project development and completion. A $13 million renovation to the Reilly Natatorium, home of the swimming and diving program, as well as $8 million in renovations to locker rooms and the sports medicine area inside the Wilson Center were completed in 2023. Dannen also oversaw construction of a new dining facility, weight room, basketball and volleyball locker rooms. Tulane also completed a $2.4 million academic center renovation and a $5 million television and digital production center.

Dannen came to Tulane after serving eight years as the Director of Athletics at the University of Northern Iowa (UNI) from 2008 to 2015. During his tenure, the Panthers enjoyed success at both the conference and national levels, highlighted by an NCAA Sweet 16 appearance in 2010 by the UNI men's basketball team. During his eight-year tenure, UNI was recognized with 39 All-Americans, 13 Coaches of the Year and nine Missouri Valley Conference (MVC) Players of the Year. UNI football, men's basketball, women's basketball, volleyball and softball combined to reach 15 NCAA tournaments and 20 postseason berths during that stretch. For his efforts, Dannen was recognized as NACDA's FCS Athletic Director of the Year in 2014.

Prior to his time at UNI, Dannen served as the Iowa Girls High School Athletic Union's Executive Director for seven years, overseeing 400 high schools and 10 sports.

Dannen grew up on a farm just outside Marshalltown, Iowa, and graduated from UNI in 1989 with a degree in communications. He is married to Amy and has four children: Elizabeth, William, Emily and Holly.

2) If exiting from the northeast corner of the field, media may exit the stadium at Gate 15, walk down the sidewalk to the front doors of the Hawks Center and enter in that location.

3) When exiting the northeast corner of the field, media may also enter the red double doors near Gate 15, walk across the skybridge to the second floor of the Hawks Center and take the stairs down to the media room. The Hawks Media Room will close approximately 90 minutes after the press conference has concluded.

For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann and the Communications staff at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game other than the broadcast partners.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Live coverage of any press conference on any digital platform or website is prohibited, including post-game press conferences, both home and away, with the exception of live television coverage. A live stream will be available on Huskers.com and a complete video will be made available to the media following the press conference.

If media are planning to do live shots on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Scott Guthrie in HuskerVision (402) 472-4645.

## SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo credential, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo credential who will be shooting still photos or video during the game. Media without a photo vest with a working purpose on the field may access the sideline during pre-game and in the final five minutes of the game. Those without a working function on the field should remain in the press box. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The photographers work area is available on field level, just off the southeast corner of the playing field.

Additional sideline policies include: (1) Only those photographers on assignment from a newspaper, website, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo credential. (2) Media outlets with same or next day publication will be given preference for sideline credentials (Special requests must be submitted to the Communications Director for review). (3) Assistants, equipment carriers, etc. will not be allowed on the sideline. (4) Photographers must display their credentials and vest at all times. (5) University personnel will be present on the sideline to ensure that all credentials are properly displayed. Those possessing bench credentials must remain inside the team bench area (between the 20-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers should not congregate in the writers' section of the media facility during halftime, during or after the game.

# THE BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten Conference is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago where, on January 11, 1895, Purdue President James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bona fide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the fundamentals of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing the membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, a name that was eventually incorporated in 1987.

As the 1900s dawned, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were conducted at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915, the first award to demonstrate support for the educational emphasis placed on intercollegiate athletics. It is awarded annually by each conference institution to one male and one female student of the graduating class who have attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a Big Ten student-athlete can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of seven men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, Kevin Warren in 2020, and current commissioner Tony Petitti in 2023.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produce over $10 billion in funded research, doubling any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of the pioneering technology, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 2,200 live events across all platforms each year. The 24/7 network is the ultimate destination for Big Ten fans and alumni across the country and around the world, allowing them to see their favorite teams, regardless of where they live.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

In recent years the Big Ten has worked to meet the educational needs of modern student-athletes to allow them to excel in all areas of their lives. In May of 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members. The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

In June of 2020 the conference launched the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. One product of conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 18 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming and outreach tools, and to collaborate with other established civic platforms.

On June 30, 2022, the Big Ten Conference furthered its legacy of transformation when the Big Ten Council of Presidents/Chancellors (COP/C) voted unanimously to admit the University of California, Los Angeles and the University of Southern California to the conference effective August 2, 2024. With the schools' admission, UCLA and USC also joined the Big Ten Academic Alliance (BTAA), a consortium of world-class research institutions dedicated to advancing their academic missions.

In July of 2022, the Big Ten traveled a delegation of student-athletes and administrators from its member institutions to Selma and Montgomery, Alabama, for an immersive experience entitled: "Big Life Series: Selma to Montgomery." The pilgrimage to one of the key centers of the civil rights movement was highlighted by a march across the Edmund Pettus Bridge in Selma, which is the site of the 1965 Bloody Sunday attack. The delegation also visited the Montgomery Interpretive Center on the campus of Alabama State University to learn more about the profound impact that students had on the civil rights movement, and the significance of the Knight vs. Alabama landmark trial which ended the segregation of funding in higher education across the State of Alabama. The experience was so transformational for all involved that the Big Ten returned to Selma and Montgomery in 2023 and 2024.

In April of 2023, the Big Ten announced that Petitti was selected as the conference's seventh commissioner. With nearly four decades of sports, business and media industry acumen, he served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network. A 14-time National Sports Emmy Award winner, Petitti also held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, including the NCAA Men's Basketball Tournament, regular season men's basketball, college football, NFL, PGA Tour, the Masters, U.S. Open Tennis Championships, and the Little League World Series, as well as leading in the creation of the Bowl Championship Series to determine college football's national champion.

On August 4, 2023, the Big Ten The Big Ten Council of Presidents/Chancellors voted unanimously to admit the University of Oregon and the University of Washington to the conference effective August 2, 2024. Competition began in all sports for the 2024-25 academic year. With the schools' admission, Oregon and Washington joined the Big Ten Academic Alliance (BTAA), a consortium of world-class research institutions dedicated to advancing their academic missions.
